\*\*\*\*\*

A brief dedication ceremony for the field house will be held at 2 p.m. Thursday, October 31, 1968 in the cafeteria and main lobby of this building. Classes at the Northern Campus only will be cancelled from 1:30 to 2:30 p.m. to allow you to participate in this function if you so desire.

It will be necessary to clear the cafeteria at 1:00 p.m. on October 31, 1968 to permit the preparations necessary for this event.

Our guests will be touring the field house from 2:30 to 3:30 p.m. to view the College in "operation". It would be appreciated if instructors would leave the doors open to their lecture rooms and studios during this time interval to permit the visitors to glimpse your classes in action.
