HUMBER RADIO STUDENTS WIN INDUSTRY AWARDS

Wayne Dobson, who shortly will begin his broadcasting career as a member of the sales department of CKPG Radio in Prince George, British Columbia, was declared winner of the CHIN Radio Award as the top graduating student of the Radio Broadcasting course at Humber College.

Johnny Lombardi, President of CHIN Radio, presented a plaque to Dobson at a recent Radio Awards Dinner.

Winner of the top second-year student award, presented by CHUM-FM was Douglas Barron who is spending the summer in the production department of CFGM Radio in Richmond Hill. His award was presented by Bob Laine, station manager of CHUM-FM.

The CKEY Award, given to the top first year student, was won by Evelyn Macko, who is joining the news department of CKTB Radio in St. Catharines for the summer. Gene Kirby, CKEY Vice-President, made the presentation.

(Above) Wayne Dobson, left, top graduating student in the three-year Radio Broadcasting course at Humber, received the Radio CHIN award from Johnny Lombardi, president of CHIN.

(Top Right) Evelyn Macko, chosen top first year student, received the CKEY award from Gene Kirby, CKEY Vice-President. At left is veteran broadcaster Phil Stone who created and directs the Humber program.

(Bottom Right) Douglas Barron, left, chosen top second year student, received the CHUM-FM award from Bob Laine, CHUM-FM station manager.

21st	Friday	9:00 a.m. - 3:00 p.m.	J202	Machine Technology Teachers of Ontario Meeting	M. Satz

SPRATT LOSES NOMINATION

Peter Spratt, Executive Dean at Humber, lost the federal Liberal nomination for Mississauga at the local party's nomination meeting May 23 at Cawthra Park Secondary School.

An educational planner, Spratt has done research for the Royal Commission on Bilingualism and Biculturalism, the Ontario Committee on the Healing Arts and a study on Ontario Legislative Executive Relations.

Spratt said the major immediate issues facing residents of Mississauga are housing, transportation and inflation.

He lost the nomination by 25 votes to Tony Abbott.

SUMMER LIBRARY COURSES TO ATTRACT 450 AT HUMBER

Elementary school teachers and principals will be taking instructional courses in Library Science this summer at Humber.

About 450 will be involved in the program provided by the Ministry of Education.

The program will be given weekdays from 8:00 a.m. to 4:00 p.m. from July 2nd to August 2nd.

QUADRANGLE OAK IS STARTING TO SPROUT

The 14' pin oak tree which was recently planted in the quadrangle is eighteen years old.

INSTRUCTIONAL MATERIALS CENTRE

One hundred and twenty-five films from all disciplines were viewed during IMC's first annual Film Preview Week. Each film was evaluated by the viewers who were asked to determine its usefulness in their classroom area. The evaluations will contribute toward determining future film purchases. The Preview Week also proposed many instructors to new media that is available for rental to supplement their course content. Ten distributors participated.

STUDENT UNION

The Student Union recently ran a summer activity survey. They gave three points per activity for a first choice, two points for a second choice and one point for a third choice.

These points were then totalled per activity and the total points are given below in order of preference.

Series of Pubs	112 points
Bar B-Q Pub	79 points
Concert	60 points
Series of Movies	56 points
Go-Kart Picnic Pub	48 points
Monte-Carlo	38 points
Refund of Incidental fee	10 points

A movie and pub were recently held and more are being planned.

ADMINISTRATIVE STAFF ASSOCIATION

The Humber College Administrative Staff Association held its first ANNUAL MEETING on Thursday, May 30,

in the Seventh Semester. The new group of officers elected for the 1974-75 Term are:

PRESIDENT

Jack Buckley
CHAIRMAN
HEALTH SCIENCES

VICE-PRESIDENT

Jacqueline Robarts
DIRECTOR
OSLER SCHOOL
OF NURSING

SECRETARY

Kathy Atkinson
CO-ORDINATOR
PERSONNEL
SERVICES

TREASURER

Jack Thomson
FINANCIAL
OFFICER

REPORT ON STATUS OF WOMEN EMPLOYEES RELEASED BY HUMBER

Humber College is the first college in Ontario to release a Report on the Status of Women employees at its post-secondary institution.

The 31-page report was released by the Status of Women Committee at the College. It was based on the examination of the status of women faculty, administration and support staff.

The report states that rank and salary levels indicate a strong preference for recruiting men in the higher paid positions. Eleven women as compared to sixty men receive salaries in excess of \$12,000.00 in the administrative and support staff.

A survey indicated that ninety percent of respondents consider a career to be important to them. It also indicated a concern for greater opportunities for advancement and participation at all levels of College activities.

The summary states that "This report is presented with the realization that the status of women is changing in our society, that a cultural lag has occurred in opening all avenues of career advancement to women. We have presented data about the rank and salaries of women employees at Humber College and a sampling of attitudes which indicate the growing awareness on the part of women that they have the ability and motivation to contribute fully to all aspects of College teaching, administrative and support services."

The report advises that a Career Assessment Centre, a Children's Educational Drop-In Centre and a faculty committee to develop courses in studies for women be established to facilitate access to College programs.

It was also recommended in the report that female appointments to the Board of Governors and middle and upper levels of administration be increased. The final part of the report includes the results of a questionnaire completed by interested women employees, a comparison of male/female ratios in rank and salary levels, a summary statement and recommendations.

The Status of Women Committee at Humber College is representative of faculty, administrators and support staff and has been meeting for several months.

FLORENCE MARTYN RETIRES

Some thoughts on parting from Humber.

I keep thinking how lucky I am:

- to have been able to cross divisional lines and get to know so many interesting people.
- to have been able to learn something new every day — from clients and colleagues.
- to have been challenged to grow — personally and professionally.
- to have enjoyed such warm feelings of mutual respect and affection.

To my friends who attended the "Graduation Party" on May 1st — and those who made possible the gift of a super slide-projector — "Merci mille fois".

So many other individuals have also contributed to my special feelings about Humber.

To all the "good people", my very best wishes.

Very sincerely,

Florence Martyn

STUDENT SERVICES

UMESH KOTHARE presented a workshop - "Bio-feedback and Its Application in a Clinical Setting" at the Psychiatric Services Department of Etobicoke General Hospital last month. This event was a part of their professional development program.

FLORENCE MARTYN attended "Dialogue '74" (the annual get-together for University Admissions Officers and Secondary School Counsellors) held recently at Guelph University.

The highlight, and by far the best presentation, was "The Changing Relationships Between CAATS and Universities" by David Sutherland, President of Sir Sandford Fleming College in Peterborough. High School Counsellors should now have a better understanding of the history and function of the CAATS.

Ryerson is developing interesting programs leading to a degree, but still practically oriented.

Waterloo (at least one faculty) is experimenting with a telephone follow-up service for applicants. With their tentative admission letter students are informed of the impending phone-call - so that they will be prepared with questions. The professors seem to feel that this is a mutually beneficial service.

Operation Placement 1974, the student summer employment program, is in "full swing" at our Keele and Queensway Two Campuses. Thus far, student registrations have decreased over 1973 while summer employment opportunities have increased over 1973. All Humber College, university and secondary school students seeking summer work should "drop in" to the Keele Campus (Industry St.) 766-2367, 766-2368 or to the Queensway Two Campus (Queensway) - 252-2244, 252-2245. Operation Placement Staff this year includes four Humber College students. The 1974 theme is "Summer Students - They Really Work".

DOUG SCOTT participated in a seminar at the Mimico Correctional Centre organized by social worker Bill Powell. Topic of the session was "Education and Life Planning". Other participants were from George Brown College and York University. Doug plans to coordinate a continuing involvement with the Centre for such seminars and other activities.

A Humber College Intercollegiate Soccer team will be entered into the Ontario Colleges Athletic Association league play, starting September 1st. Any interested students are asked to contact the Athletic office.

Clark Boyd presents \$1,000 cheque to Gord Wragg towards Complex 5. The donation was as a result of successful Wessex Horse Shows.

STUDENT LOANS - ONTARIO STUDENT ASSISTANCE PROGRAM

The Student Awards Branch of the Ministry of Colleges and Universities have released a status report on Humber students who applied for assistance in 1973-74. The following statistics are significant:

- 1,281 applications were processed for Humber (885 for dependent students and 396 for independent)
- 179 applicants were assessed as "Nil" need.
- 278 applicants qualified for Loan Only, under O.S.A.P.
- 719 applicants qualified for Loan and Grant under O.S.A.P.
- 64 applicants qualified for Loans under the Canada Student Loan Act (not O.S.A.P.)
- Some \$667,790.00 in Loan (O.S.A.P.) was granted for an average loan of \$669.00.
- Some \$393,150.00 in outright Grants (O.S.A.P.) was granted for an average grant of \$546.00.

Under the O.S.A. Programme a total of \$1,060,940.00 was distributed among Humber students for an average assistance of \$828.00.

The average Canada Student Loan Assistance was \$918.00 for 64 students, in addition to the above.

APPLIED ARTS

NORMA PIOTROWICZ, instructor in Humber's Fashion Modelling Programme, and DENISE MCLEOD, one of our last year Modelling students, travelled with the U.S. Borax Canadian Designer's Showcase Fashion Show. They visited the east and west coasts, showing garments to Home Economists and teachers. The trip was an immense success with great interest expressed for the fashion courses at Humber College. They were allowed much coverage on the local television and radio shows, and took full advantage to mention Humber College as a fashion training centre.

The Leander Boat Club of Hamilton recently christened a sculler's shell in honor of RUSS GEDDES, Co-ordinator of Retail Floriculture. He named the shell "Russell's Flora".

EILEEN SAVAGE, a third-year graduate of Family and Consumer Studies, is working in the Test Kitchens of Maple Leaf Mills. Mrs. Savage has taped two programs for "Secrets in the Kitchen" on CHCH-TV in Hamilton. They will be broadcast on June 6th and 13th at 3:30 p.m.

Twenty-nine Arena Management students began a new semester last month. More than twenty of those registered have been employed in the field for at least two years and have either leave-of-absence from their jobs for the summer semester, or an evening-and-week-end work schedule until September. The balance of the group includes Recreation Leadership graduates from Sir Sandford Fleming College in Peterborough, Canadore College in North Bay and Humber. Debbie Hall, a Humber Recreation Leadership graduate from Parry Sound is the lone female student in the class.

HUMBER HOSTS MACHINE TECHNOLOGY MEETING

Machine Technology Teachers of Ontario will hold a meeting at Humber's North Campus on Friday, June 21st.

Bob Higgins, Dean of Technology, will welcome the group before they disperse for lab workshops.

Some of the topics to be discussed are Numerical Control Programming, Industrial Safety and Management and Automation.

TIM STANLEY

STANLEY TO SERVE ON JURY FOR ONTARIO TRILLIUM AWARDS

TIM STANLEY of Furniture Arts has been asked to serve as a member of the jury for the 1974 Ontario Furniture Trillium Awards Competition.

The primary competition objective is to recognize the achievements of established Ontario-based companies in the areas of marketing, production and design.

The jury will evaluate design submissions entered in competition and will select a maximum of 20 entries as nominees for the Government of Ontario awards.

The products will be on display in the Ministry Exhibit in the Better Living Centre at the Canadian National Exhibition on August 12th.

Claude Bennett, Ministry of Industry and Tourism, will present awards to the winners as selected by the jury.

TOLL FREE LINE AT HUMBER

To facilitate enquiries from potential students, and beginning April 18, 1974, Humber College will have an incoming toll free phone line connected to the North Campus.

The line is known as an Inwats Line and is operational only in the 416 dialing area.

Please note the following:

Operational one way only (incoming calls) inwats number and code must be direct dialed in order to make connection with the College.

A time allowance is not made for misdialled calls, please dial carefully.

A record of all calls on this line will be kept to determine whether this facility proves worthwhile.

To contact the College, please dial the following digits as shown:

1-800-261-0913

HEALTH SCIENCES

Emergency Casualty Attendant students were at Base Borden recently taking Ambulance Service III, which will qualify them for the Provincial Certificate in Fundamentals of Casualty Care.

Meanwhile, MARY SIBBALD, a graduate of the above program, will become the first woman ambulance driver in Ontario.

The Red Cross has arranged to use the Health Science's Health Care Aide facilities to conduct their Homemaker Course under their own instructors this month.

Osler Campus is planning a home-coming on June 15th for all graduates and former employees.

JACKIE ROBARTS of Osler is the newly appointed Chairman to the R.N.A.O. Provincial Nursing Education Committee. TERRY MAURICE of Quo Vadis is also a member of this committee.

PEOPLE

RICK BENDERA, MARY LOU DRESSER and PETER MAYBERRY, all of Athletics, were at the recent Spring Meeting of the Ontario Colleges Athletic Association in Geneva Park. Mary Lou is the second vice-president of the OCAA.

RALPH RANSOM of Travel and Tourism spoke to the Learned Society of Canada just recently at the University of Toronto. He was asked to fill in for J.D. McCollough, Assistant Deputy Minister of the Cultural Affairs Division of the Ministry of Colleges and Universities. Ransom's topic was Tourist Migration and Education.

MOE WANAMAKER'S dog, a male collie called CAESAR AUGUSTUS WANAMAKER, won the Trial Cup in the Centennial Dog and Obedience Club.

KEITH NICKSON, past President of the Student Union, has won this year's President's Citizenship Award.

Humber's Travel Study trip to Northern Ontario received front page coverage in a newspaper in Kapuskasing.

About 40 people from Humber were guests of Carling-O'Keefe last month for a free tour, buffet and all-you-can-drink session.

JIM MONTGOMERY has become Senior Program Co-ordinator of the Mechanical/Industrial area in the Technology Division.

IGOR SOKUR says the upgrading course for Coffee House Hostesses at the Royal York Hotel has been a great success.

IMMANUAL SHOCHET and HERMAN SULIGOJ of Humber's Philosophy Department spoke at the Learned Societies of Canada Conference at the University of Toronto.

SUMMER DAYS FOR SENIOR CITIZENS

Do you know of any senior citizens with no plans for the summer?

Why not get them active and involved in a variety of courses at the North Campus called "Summer Days for Seniors".

Humber and an Opportunities for Youth grant have made it possible to offer a program to provide a centre where seniors can meet to enjoy themselves.

Some already requested and planned activities include photography, candle making, gardening, reading and nature studies.

Field trips are also being planned and will be held each Wednesday, going to places of interest such as Ontario Place, the Science Centre, Art Galleries and Conservation Areas.

A fee of \$5.00 covers the entire summer and attendance may be for all or individual days. All courses run from 9:30 a.m. to 3:30 p.m.

If you require transportation or have further inquiries, call the Centre for Continuous Learning at extensions 480 or 328.

DID YOU KNOW?

A recent Department of Manpower and Immigration publication "SUPPLY, DEMAND and SALARIES" states that studies in Ontario and B.C. show that high school graduates are choosing a community college rather than a university education due to:

1. Need for more job-oriented education.
2. Shorter training time.
3. Easier entrance requirements.
4. Better prospects for securing employment.

During the 1973-74 academic year, Business and Technology students have been "blessed" with noticeable increases in:

1. Number of companies, government departments and organizations who visited our North Campus to conduct "on campus" interviews.
2. Employment opportunities (permanent, part-time, summer).
3. Starting salaries (almost 10% in 1974 over 1973).

HUMBER HAPPENINGS will not publish during the months of July and August but will return with a large Fall issue in September.

The internal magazine is published by the Office of College Relations. Persons wanting to submit material should send their information to K217 at the North Campus prior to the last week in each month.

Humber Happenings is the internal staff publication incorporating past, present and future news of interest to all campuses.

Some of the Humber bus drivers at dinner.

TRANSPORTATION AWARDS NIGHT HIGHLIGHTS

The Transportation Department had their Safe Driving Awards Night on Thursday May 16th. Highlights of the evening included awards from the Ontario Safety League which were presented by Harry Edmunds the Director of Physical Resources, Tom Smith the Director of Property and Plant, and Don McLean the Manager of Transportation.

Cecil Lathan was presented with a gold engraved pen for 33 years of accident-free commercial vehicle driving.

Joe Miceli and Bert Pile received cufflinks for 25 years of accident-free driving.

All of the drivers were presented with pins engraved with the number of years that they have been driving accident-free. This is no small accomplishment since the majority of their driving is done under the pressure of rush hour.

CHILDREN'S DAY CARE SERVICES AT HUMBER

CAMP GINGERBREAD: Nursery School

The nursery school at Humber College operates every weekday from 7:30 a.m. to 6:00 p.m. During July and August, the nursery offers an additional program for children aged 2 to 5 years. Camp Gingerbread is a day camp program including nature study, creative crafts and out trips. Camp periods are weekdays July 2nd to July 31st and August 1st to August 30th. Fee for each period is \$100.00 and enrolment is limited to 20 campers. If you have special child care needs, discuss these with the nursery school at ext. 497. For applications call Marg Pollard at ext. 455.

CAMP ADVANCE

A summer day camp for children with learning disabilities will be operating for its third year from July 2nd to August 9th. The camp operates from 10:00 a.m. to 3:00 p.m., five days a week at the North Campus.

The camp is intended for children between the ages of five and nine years, who have been diagnosed as having a learning disability and who would benefit from a Summer program.

Edmunds presents cuff links to Pile and Miceli.

Dinner guests at Awards Night.

A maximum of 25 children will be accepted. The cost for each child is \$50.00 for the Summer.

For more information call Roz McCamus at ext. 477.

CAMP LOTSA FUN

Summer at Humber is for children too! An on-campus day camp offers summer fun for young learners (5½ - 12); nature walks, creative arts, crafts, sports and many other activities make up Summer at Humber for the younger set. Children bring a knapsack to carry on their rambles.

Camp Lotsa Fun is open to children of both students and staff, from 8:30 a.m. to 4:30 p.m. and will operate each week from June 24th to August 30th. The fee is \$15.00 per week.

For applications, call Judy McGonigal at ext. 201.

DROP IN DAY CARE

Children aged 2 to 6 years old will be provided with supervised activities each weekday on a drop-in basis at a fee of 50 cents per hour. Part-time staff and students may wish to take advantage of this service during July and August.

For applications, call Marg Pollard at ext. 455.

PEOPLE

JOHN CLYDE was recently appointed as Director of Skills Development Programs in T.I.B.I.

TOM NORTON, Dean of Randa, says that this year's involvement with Ontario Hydro may double that of last year.

PETER SPRATT, Executive Dean, says an estimated 8% of the students enrolled in the International/National programs did not qualify academically to participate in the on-location portion of the program.

If you know of any groups who would like a tour of Humber College then send along their names to the Office of College Relations.

The Student Union will be moving to the second floor of the field house.

DICK BURGIS of Horsemanship Studies will attend the National Equine Educators Conference of Programs and Standards from June 21st - 23rd at the University of Calgary.

Welcome to the following new staff: BEVERLY CASSWELL, Director, Post Diploma Nursing Programs in Health Sciences and RUTH SECKINGTON, Administrative Clerk, Centre for Continuous Learning.

PADDY PUGSLEY is the new Co-ordinator of Continuous Learning Activities for Applied Arts.

FLORA PESCE is secretary to MOE WANAMAKER, Chairman of T.I.B.I. programs.

A speedy recovery to FRED LAPHEN.

RICHARD SLEEP and MARY MITCHELL of the Centre for Continuous Learning were married on June 1st and SHARON HILLIER will marry BILL PHIPPS on June 8th.

JUDY MCGONIGAL and JOHN HART attended a conference on Systematic Curriculum Design last month at Queen's University in Kingston.

SHARON HILLIER and MILDRED TOOGOOD of Centre for Continuous Learning represented Humber at a conference sponsored by the Senior Citizens Centres Association of Ontario held at Geneva Park last month.

The Centre for Women has added a counselling office to its area.

MOE and SUSIE WANAMAKER are expecting a child soon and BLANCHE and JAY PHIPPS and IAN and ZANORA FORBES-ROBERTS are looking for September babies, while BRENDA and GREG HIKIDA are expecting an addition in November.

Congratulations go to DOUG ROBERTS (Distribution Technician) on his marriage to Sue Atkinson on May 4th, and also to NADIA KLACHOK (Graphic Artist) who married Ricardo Piush on May 11th. Nadia and Ricardo had a most unfortunate accident a week before their marriage and we wish them both a speedy recovery.

The last ceremony for graduates of the Quo Vadis School of Nursing will be held in Convocation Hall, University of Toronto, on Saturday, June 15th where 52 students will receive the school pin and diploma. In future, students from this school will be members of the Humber College Health Science Division, Quo Vadis Campus. Mrs. Pat Tummon, a former graduate of the school, is to be guest speaker.

DAVE BUXTON will assume STAN GRAY's position as Director of Scheduling.

RICHARD HOOK of Applied Arts attended a recent conference on Animal Health Technology in Windsor.

BILL PHIPPS

RICK HOOK

BILL PHIPPS, Director of Neighborhood Learning Centres, is leaving Humber in July to become senior Minister of Trinity United Church in downtown Toronto.

A Task Force on Student Housing, headed by DOUG SCOTT, has been formed to investigate the need for on and near-campus student housing.

DOREEN JOSEPH (Business Clerk) has been away for a few weeks due to illness.

BILL GLYNN, The Electrical Supervisor from Smith & Long is leaving us to be the Electrical Supervisor at the disposal plant in Pickering on the 31st of June. Glynn has been at Humber for the past six years.

WILDA HARRISON of Queensway is recuperating from recent surgery.

Congratulations to ANNETTE MACDOUGALL, Financial Services at Queensway who had a son in April. His name is Kevin Andrew Frederick MacIntosh MacDougall.

Welcome to some newcomers in the Randa Division: LINDA MAMMOLITI, Admissions Officer; NANCY ROSS, Admissions Clerk; ANNE-MARIE AGES, Admissions Clerk; DONNA ELFORD, Test Centre; DONNA MCKENNA, Word Processing and LINDA HART, Printing.

MARY ROSE WARD of Applied Arts and her husband John will be travelling to Ireland this summer.

Transportation costs have been increased. The semester fare is now \$25.00 or about 17 cents a ride and the single fare is increased to 30 cents.
