Message from the Associate Director of Athletics

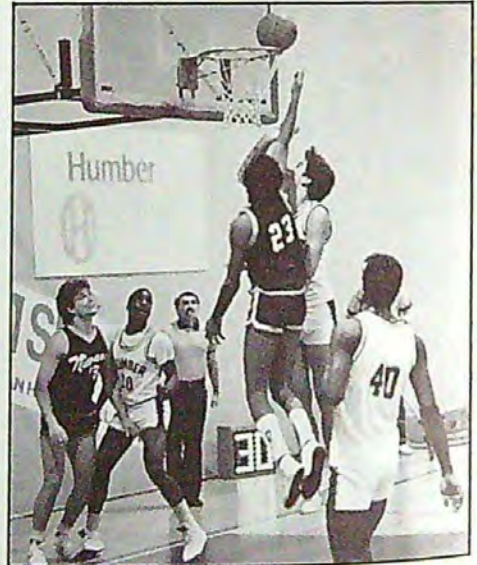

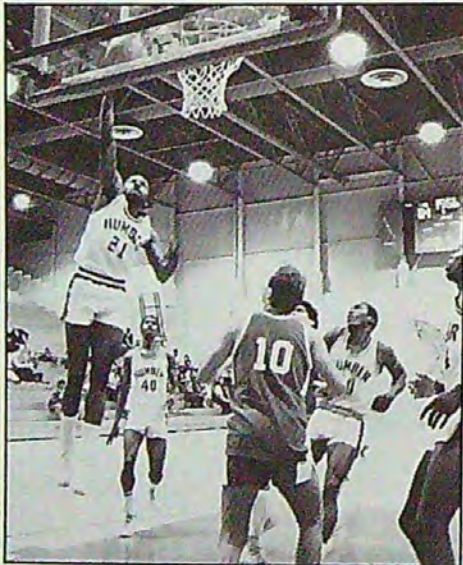

PETER MAYBURY

I welcome the opportunity to express a word of Thanks to all the players, coaches and staff who contributed to the success of 1986-87 "Hawks."

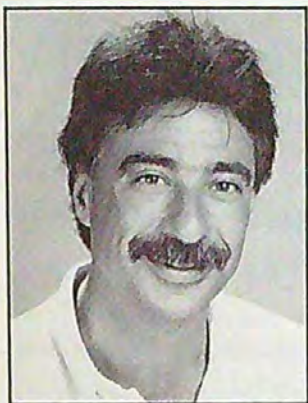

The 1986-87 season was highlighted by a regular season first place finish and a silver medal performance in the provincial championships. This outstanding season also

included the Metro Cup Tournament Championship.

The Humber College Hawks are in a strong position to contend for the 1987-88 Ontario Colleges Athletic Association Title. I know that the Hawks will prove themselves to the best of their abilities and that you, the spectators will cheer their efforts.

Meet the Coach . . .

Mike returns for his fourth season as the coach of the Humber Hawks. Coach Katz posted a tremendous 31-5 record during the 1986-87 season, with a first place finish in league play. In his first two years at Humber, Mike was selected as O.C.A.A.'s Coach of the Year.

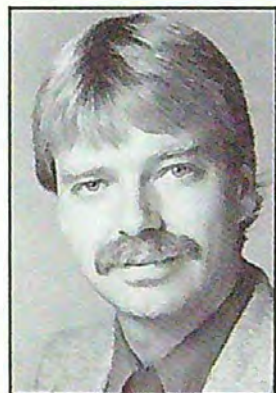

Mike has been successful at all levels of coaching—high school, provincial teams and college. With coach Katz at their helm the Hawks should gain recognition at the National level in College Basketball.

MIKE KATZ

Meet the Coordinator . . .

Doug has been involved with the Humber Hawks Basketball program for the past eight years as a coach and now as a coordinator of the program. Under his tutelage the Hawks have become a perennial power in O.C.A.A. Basketball, finishing with two bronze and one silver medal in the past three years.

The Hawks have achieved national prominence through tournament play and with Mike and Doug working as a team it won't be long before the Hawks achieve the "gold."

Hawks in Flight

1987-88 Outlook

The 1987-88 edition of the Hawks should provide an exciting and competitive brand of basketball. With the return of O.C.A.A. and C.C.A.A. All-Star, George McNeil and other strong performers from last year, the Hawks are looking to establish themselves at the provincial and national levels.

The Hawks have unlimited potential for success based on a solid foundation and a tradition of excellence established by their predecessors. The 1986-87 Hawks parted an impressive 31-5 win/loss record and a first place finish in league play, the Hawks also won the Metro Cup Tournament and played well in the Dawson and Centennial Tournaments.

Under the direction of two time "Coach of the Year", Mike Katz, the 1987-88 Hawks are expected to provide tremendous basketball excitement for Humber College. The fine nucleus of veteran players, along with the talents of the new players should continue Humber's reputation as a power in O.C.A.A. Basketball.

Message from the Associate Director of Athletics

PETER MAYBURY

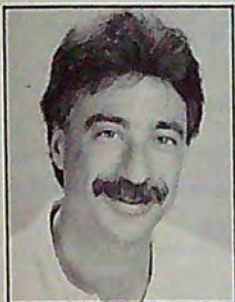

I welcome the opportunity to express a word of thanks to all the players, coaches and staff who contributed to the success of 1987-88 "HAWKS."

The 1987-88 season was highlighted by the Hawks capturing their first provincial title and finishing second at the National Tournament.

The Humber College Hawks are in a strong position to contend for the 1988-89 OCAA title. I know the Hawks will prove themselves to the best of their abilities and that you, the spectator will cheer their efforts.

Meet the Coaches and Co-ordinator...

Coach Katz enters his fifth season at the helm of the Hawks. Mike has posted a tremendous 67-13 league record and a 129-28 overall record during his four years. During that time the Hawks have been to the OCAA Final Four every year winning two bronze, one silver and during 1987-88 season capturing the gold medal. The team went on to win the silver medal at the nationals. Mike has also been a two time winner of the OCAA Coach Of The Year.

Mike has been successful at all levels of coaching – high school, college and provincial teams. With Coach Katz leading the team, the Hawks should have another successful season.

MIKE KATZ – Head Coach

Tom has been an assistant with the Hawks for the past two years and much of the credit for the Hawks success can be attributed to his involvement in the program. A native of Vancouver, Tom has been a success wherever he has played or coached.

Tom was the assistant coach at the University of Lethbridge in 1984-85 and at the University of Ottawa in 1985-86 before coming to Humber College. Mike and Tom coached the provincial junior team to the National Championship gold medal during the summer of 1988.

TOM ELWOOD – Assistant Coach

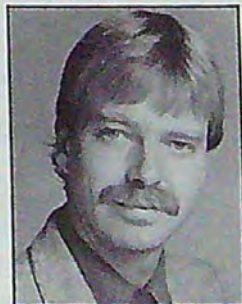

A graduate of York University, Rick is a keen student of the game. He is with the Hawks for his first year after coaching the senior boys at York Humber for the past two years. Rick will be a valuable asset to the 1988-89 Hawks.

RICK DILENA – Assistant Coach

Doug has been involved with the Hawk Humber Hawks program for the past ten years as a coach and now as a coordinator of the program. Under his tutelage the Hawks have become a perennial power in OCAA Basketball finishing with two bronze, two silver, and a gold medal in the past five years.

The Hawks have achieved national prominence through tournament play and with Doug and the coaching staff working together it won't be long before the Hawks are national champions.

DOUG FOX – Co-ordinator

Hawks in Flight

1988-89 Outlook

The 1988-89 edition of the Hawks should provide an exciting and competitive brand of basketball. With the return of four starters from last year's championship squad, the Hawks are looking to establish themselves at the provincial and national levels.

The Hawks have unlimited potential for success based on a solid foundation and a tradition of excellence established by their predecessors. The 1987-88 Hawks posted an impressive 31/10 win/loss record en route to the provincial title and the silver medal at the Nationals.

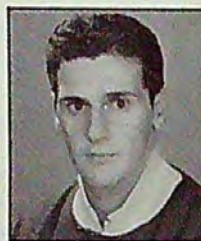

Under the direction of two time "Coach of the Year", Mike Katz, the 1988-89 Hawks are expected to provide tremendous basketball excitement for Humber College. The fine nucleus of veteran players, along with the talents of new players should continue Humber's reputation as a power in O.C.A.A. Basketball.

Message From The Associate Director Of Athletics

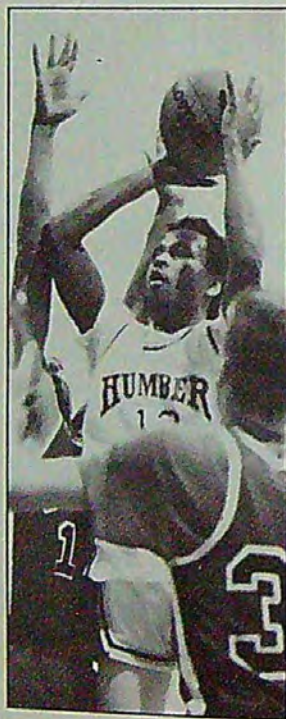

PETER MAYBURY

I welcome the opportunity to express a word of thanks to all the players, coaches and staff on the success of the 1988-89 "HAWKS".

The 1988-89 Hawks went to the limit in losing in triple overtime in the Championship Game.

The Humber College Hawks are in a strong position to contend for the 1989-90 O.C.A.A. title. I know the Hawks will prove themselves to the best of their abilities and that you, the spectator will cheer their efforts.

Meet the Coaches and Co-ordinator

MIKE KATZ
Head Coach

Coach Katz enters his sixth year at the helm of the Hawks. Mike has posted a tremendous 88–21 league and playoff record and a 142–66 overall record during his five years. During that time the Hawks have been to the O.C.A.A. Final Four every year winning one gold medal, two silver and two bronze medals. Mike has also been a two time winner of the O.C.A.A. Coach of the Year.

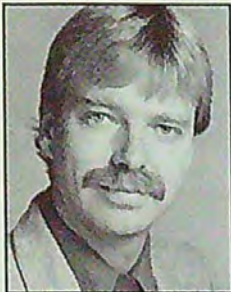

Mike has been successful at all levels of coaching - high school, college and provincial teams. With Coach Katz leading the team, the Hawks should have another successful season.

RICK DILENA
Assistant Coach

Coach Dilena is in his second year with the Hawks. Rick has years of experience in coaching as a football coach with York University and a basketball coach at York Humber Secondary School.

Rick is a strong motivator and a valuable asset in the program.

DOUG FOX
Co-ordinator

Doug has been involved with the Humber Hawks program for the past eleven years as a coach and now as the coordinator of the program. Under his tutelage the Hawks have become a perennial power in O.C.A.A. Basketball finishing with two bronze, three silver, and a gold medal in the past six years.

The Hawks have achieved national prominence through tournament play and with Doug and the coaching staff working together the Hawks will once again strive to win the National Championship.

Hawks in Flight 1989-90 Outlook

The Hawks should be an exciting and competitive team during the 1989-90 season. The nucleus of the last years team has graduated but the arrival of many talented new players should allow Humber to continue its reputation as a power in O.C.A.A. Basketball.

The Hawks have unlimited potential for success based on a tradition of excellence and a fine coaching staff. The Hawks have posted an impressive league and playoff record of 107 wins and 27 losses over the past six years winning two bronze, three silver and a gold medal at the Provincials and a silver medal in the Nationals during that time.

During the past three seasons the Hawks have been fortunate to have two **ALL CANADIANS** - George McNeil and Earl Moncrieffe - lead the team. This years team should provide a balanced attack in striving to win a Provincial and National title.

Message From The Director Of Athletics

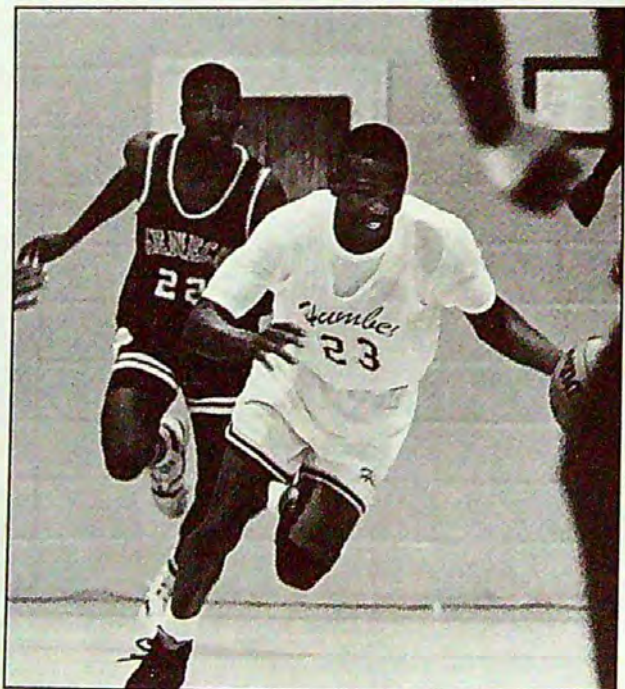

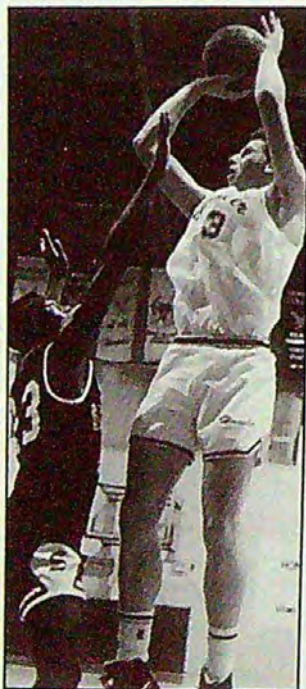

DOUG FOX

Welcome to another exciting season of Hawks/Lady Hawks Basketball. This season promises to be action packed with the addition of some new colleges in both the men's and women's Division League.

The Hawks have been perennial Final Four competitors and are looking for another OCAA championship. The Lady Hawks are going to face new challenges in Division I after winning consecutive Division II championships

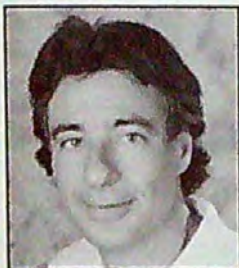

The Hawks and Lady Hawks are both in a strong position to contend for the O.C.A.A. title and I know they will prove themselves to the best of their abilities and that you, the spectator, will cheer their efforts.

Meet the Coaches

Men's Basketball

MIKE KATZ

Head Coach

Coach Katz enters his seventh year at the helm of the Hawks. Mike is closing in on his 100th career league win as he has posted a tremendous 97-27 record. During that time, the Hawks have been to the Final Four every year winning one gold, two silver and two bronze medals. Mike has also been a two time winner of the O.C.A.A. Coach of the Year.

RICK DILENA

Assistant Coach

Coach Dilena is in his third year with the Hawks. Rick has years of experience in coaching football at York University and basketball at York Humber Secondary School. Rick is an excellent teacher of the game and a strong motivator.

Women's Basketball

**LINDA
VERSAGE**

Head Coach

Coach Versage enters her fourth year with the Lady Hawks. In her first two years she led her team to consecutive Division II championships going undefeated during the 1988/89 season.

Linda has coached Volleyball and Basketball at the high school level with numerous championships to her credit.

WENDY TUCKER

Assistant Coach

Coach Tucker is in her first year as an Assistant Coach with the Lady Hawks. Wendy was a member of the 1989/90 team and will now transfer her leadership skills from the court to behind the bench.

Message From The Director Of Athletics

Doug Fox

Welcome to another exciting season of Hawks / Lady Hawks Basketball. With both teams returning with a strong nucleus from last years teams, this season looks promising.

The men's team takes the court as National Champions and is looking for a repeat. The women's team is in a position to challenge for their first Provincial championship.

I know the Hawks and Lady Hawks will prove themselves to the best of their abilities and that, you the spectator, will appreciate their efforts and help them in their quest for Championship seasons.

Meet The Coaches

Men's Basketball

Mike Katz

Coach Katz is entering his eighth year as the head coach of the Hawks. Mike's tenure as coach has been marked by his consistency in reaching the final four every year. He has posted a tremendous 112-24 league record winning two Provincial Championships, two silver and two bronze medals and a National Championship. Mike has also been a two time winner of the O.C.A.A. Coach of the Year.

Rick Dilena

Coach Dilena is in his fourth year with the Hawks. After coaching football at York and basketball at York Humber, Rick brought his talents to Humber and has a strong influence on the success of the program.

Women's Basketball

Jim Henderson

Coach Henderson is entering his first year at the helm of the LadyHawks. Jim was the assistant coach at the University of Toronto for the past four years winning two Ontario Championships and a bronze medal at the Nationals. Jim has also been a coach with the Junior National Women's Team and numerous high school and club teams and has been successful at every level.

Loretta McKenzie

Coach McKenzie has a strong background as a player and a coach. Loretta was the captain of the women's team at University of Waterloo and coached the men's basketball team at Conestoga College for two seasons.

Coach Monfort is in her first year as a coach after a strong playing career at Centennial and S.A.I.T. Colleges. Her enthusiasm for the game will be a strong asset for the program,

Chris Monfort

Message From The Athletic Director

Doug Fox

Our winning tradition continued during the past year with the Hawks becoming BACK to BACK National Champions and the Lady Hawks finishing with a silver medal at the Provincials.

Humber College has developed a tradition of excellence in Basketball and the upcoming season should be no exception.

Both the men's and women's teams are returning with a strong nucleus from last year and should be in contention once again for provincial championships.

With the college celebrating its 25th Anniversary, the basketball teams are sporting a new look to commemorate the event.

Enthusiastic fan support has been a key element in the success that has been achieved. It is my hope that you will help the Hawks and LadyHawks in their quest for championship seasons.

Meet The Coaches

Men's Basketball

Mike Katz

Coach Katz is entering his ninth year as the head coach of the Hawks. Mike's tenure as coach has been marked by his consistency in reaching the final four every year. He has posted a tremendous 112-24 league record winning three Provincial Championships, two silver and two bronze medals and two National Championships. Mike has also been a two time winner of the O.C.A.A. Coach of the Year.

Rick Dilena

Coach Dilena is in his fifth year with the Hawks. After coaching football at York and basketball at York Humber, Rick brought his talents to Humber and has a strong influence on the success of the program.

Zito Baccarani

Coach Baccarani is joining the coaching staff after coaching teams at West Toronto and Brockton High Schools as well as being involved at numerous clinics. Zito will add another dimension of expertise to an already strong coaching staff.

Women's Basketball

Jim Henderson

Coach Henderson is entering his second year at the helm of the LadyHawks. Jim was the assistant coach at the University of Toronto for four years winning two Ontario Championships and a bronze medal at the Nationals. Jim has also been a coach with the Junior National Women's Team, numerous high school and club teams and has been successful at every level.

Loretta McKenzie

Coach McKenzie has a strong background as a player and a coach. Loretta was the captain of the women's team at University of Waterloo and coached the men's basketball team at Conestoga College for two seasons.

YOU DONATE & WE'LL MATCH

Today 1 in 8 women
in Canada face
a day of violence
in their homes.

Where can they go for help?

Women's shelters provide a safe refuge - a temporary home with the support, counselling and security assaulted women and their children desperately need to rebuild their shattered lives.

The makers of Tampax® Tampons believe every woman and child has a right to live free from violence.

Help us in our drive to raise funds for the safe refuge of battered women. Every dollar you donate we'll match, up to our total contribution of \$100,000.

In charitable association with The Canadian Women's Foundation, the newly established Tampax Trust Fund will provide ongoing support of women's issues with much needed funding. This year every dollar raised will be allocated to women's crisis shelters.

You donate & we'll match you dollar for dollar!

If you are a woman who needs help, contact your local Women's Shelter or Assaulted Women's Helpline.

Yes! I want to help raise money for crisis shelters for women.

Please make your cheque payable to Tampax Trust Fund/The Canadian Women's Foundation
Please have The Canadian Women's Foundation issue a tax receipt for my donation of:

Message From The Athletic Director

Doug Fox

Humber's basketball programs have excelled to an all-time level this past season. Both the men's and women's teams made history.

The women's team went undefeated this past season with a 14-0 record. They won their first ever Provincial Championship, the first women's Division 1 team at Humber to accomplish such a feat.

The Men's team won their third consecutive Provincial Championship. They went to Regina, Saskatchewan to defend their two-time National title. With the talent of the freshmen, they won Back to Back to Back National titles which has never been done before in the history of college basketball.

The fan support has been great this past season and I hope that you will continue to support our programs.

Meet the Coaches

Women's Basketball

Coach Henderson is entering his third year at the helm of the women's team. His knowledge and love of the sport shone through bright this past season as he led the team to bring home the gold. Jim has a tremendous coaching background with the junior national women's team, as well as numerous high school and club teams. He has been successful at every level. He looks forward to the upcoming season where the team will defend their title.

Head Coach

Jim Henderson

Asst. Coach

Coach McKenzie has a strong background as a player and as a coach. Loretta was captain of the women's team at the University of Waterloo and coached the men's basketball team at Conestoga for two (2) seasons. This past season she assisted Jim in their capture of the gold medal.

Loretta McKenzie

Men's Basketball

Head Coach

Rick Dilena

Coach Dilena is entering his first year as head coach of the Hawks after being an assistant coach for the past five. His enthusiasm, motivation, and strive for excellence have contributed to the Hawks winning three (3) consecutive Provincial and National Championships. He looks forward to the upcoming season as head coach.

Asst. Coach

Zito Baccarani

Coach Baccarani is the quiet man behind the scenes. His cool, calm and collected stature is what he brings in those pressure games. Zito has coached teams at West Toronto and Brockton High Schools as well as being involved at numerous clinics. Entering his second year at Humber, Coach Baccarani looks forward to the quest for another championship season.

EYE CARE YOU CARE WE CARE

CIBA Vision has always shared the belief that eye care cannot be compromised. Like you, we believe that there is no room for mediocrity. The consequences are too great. Patients have every right to expect only the highest standards of professionalism. And more than that, they deserve it. Similarly, CIBA Vision will not compromise our

commitment to innovation, quality, service and support. Our attitude of partnership with eye care practitioners will never diminish.

Tomorrow brings many new and exciting challenges. Together, we will ensure that Canadians continue to get the best in sight.
