HUMBER STUDENTS MODEL THE NEW LOOK

Humber models were involved in part of the promotion for the renovated swimming pool at the Four Seasons hotel on Jarvis Street at Carlton last month before more than 400 people. A blanket of warm air over the heated pool enabled the guests of the hotel to swim in the outside pool. Humber's models were wearing bikinis and bathing suits from Dynamite fashions, furs from Creeds and the famous one-piece thong, which is a backless bathing suit.

FUNERAL SERVICE PROGRAM EXPANDS

Paul Faris has joined the faculty in Funeral Services. An additional teacher has become necessary due to the expanded two year program now being offered. Paul is a licenced embalmer who graduated from the Canadian School of Embalming, the predecessor of Humber's program. He has since then taken extension courses at both Ryerson and the University of Toronto.

ALDERSON AND DAVIES JOIN RANDA

Molly Anderson is the new Learning Resources Manager and John Davies the I.M.C. Technician at Humber's Queensway Campus. The position of Learning Resources Manager encompasses the management and coordination of the Word Processing Centre, Printing, I.M.C. and the Book Room. The future Book Store and systems coordination with the Learning Resources Centre at Lakeshore will also be part of the assignment.

Molly brings to the position many years of experience in the management and distribution of Audio Visual and print materials. She has worked with Global and CFTO Television in Toronto, CFCF Television in Montreal and the CBC and the Canadian Embassy in Paris. John Davies has been a co-op student for the past two years while completing Humber's I.M.C. Technician Program at the North Campus.

LEE OFF TO AUSTRALIA

HARRY LEE, Bioscience Co-ordinator in the Health Sciences Division for the past year and a half is leaving for Australia to take up a University teaching assignment. Harry will be remembered by students and faculty for his work in developing Individualized Learning Packages for the Health Sciences Learning Centre.

LIBRARIES EXCHANGE STAFF

A one-week exchange of librarians between Humber College and the College Bibliocentre in Don Mills took place in December. KARINO TO of the North Campus library and SUSAN GROSBURG of the Bibliocentre assumed each other's duties in order to familiarize themselves with the work and routines of the two areas.

EMPLOYEE BENEFIT SEMINARS OFF TO GOOD START

The Centre for Continuing Studies in Employee Benefits has opened the Semester with the first of its regular Seminars leading to certification. Part I, dealing with "The Compensation Package" covered the week commencing January 13 and as its title implies, dealt comprehensively with the integration and coordination of Income Maintenance Programmes, both those provided by Government, such as the Canada Pension Plan, Unemployment Insurance, etc. and those provided by employers such as pensions and group insurance. Thirty participants from across the country attended. Future seminars will be held during February, April, May and July. Space permitting, these are open to members of faculty upon application to the Centre, Jim Brodie, (Local 307) or Ed Daly (Local 308).

TURNER BECOMES BIOSCIENCE COORDINATOR

Alan Turner has been appointed Bioscience Co-ordinator, replacing Harry Lee who is taking a teaching position in Australia. Alan comes to our Division from the Queensway Campus where he has been Science Co-ordinator. He has taught in Health Sciences on a part-time basis on a number of occasions over the past few years and is known to many of our faculty. Since coming to Canada, Alan has graduated from York University and the University of Toronto.

OFY APPLICATIONS ARE HERE

The Opportunities for Youth program is sponsored by the Federal Government, through the Manpower & Immigration Department and is designed to serve two ends. First, the program provides salaried employment during the summer months for many thousands of high school, college, and university students. It provides them with the experience of working together on a common project and assists them to support themselves and finance their education. Second, it provides for creative and useful community projects. A few summer 1975 OFY applications have been received by the Student Services Division.

The deadline for completed applications is February 21st

Donald White

Florence Gell

Edward Jarvis

Spiro Vozoris

DONALD WHITE RE-APPOINTED AS CHAIRMAN OF HUMBER BOARD

Donald White has been re-appointed as Chairman of the Board of Governors of Humber College.

Mr. White, President of Huntington Laboratories of Canada, was Chairman of the Board this past year after serving as Vice-Chairman from 1973 to 1974.

Mr. White has always been active in community work. He was a member of the Board for Etobicoke YM/YWCA for 14 years, and has been a Rotarian. He has held the office of Director of the Kingsway Kiwanis a number of times and is Editor of their Bulletin. He was President of the Kiwanis Music Festival of 1962.

Mr. White likes to collect stamps as a hobby, but is also a sailor. He has twice built boats for himself and now sails a 23-foot yacht, "White Sails". He enjoys reading, with a special interest in Canadian history, in which his mother's family played a small part. They were United Empire Loyalists, who, as a reward for refusing to join in the American Revolution in 1776, were granted land at Burgessville, Ontario, which they farmed until it was lost during the Depression.

FLORENCE GELL RE-ELECTED AS VICE-CHAIRMAN OF HUMBER BOARD

Florence Gell has been re-appointed for an additional term as Vice-Chairman of the Board of Governors. Mrs. Gell, a Canadian by birth of English parents, is a war widow, has two sons, both university graduates, and has lived in York for 38 years. Always interested in community affairs, she was elected to the York Board of Education in 1949 and became the first lady Chairman and as such, in 1953, took an active part in the formation of the Metropolitan School Board.

Deciding to enter politics, Mrs. Gell chose to stand for election in 1954. No woman had ever been elected to the all-male Council in York, but she was in that year.

Mrs. Gell is a member of Runnymede Hospital, a past president of the Ontario Traffic Conference and is a member of the Social Planning Council.

She enjoys gardening, reading, knitting and playing bridge but she still finds time to be interested in the Canadian Cancer Society (Daffodil Day Branch).

JARVIS LEAVES BOARD AFTER EIGHT-YEAR TERM

Edward (Ted) Jarvis has completed his term on the Board of Governors.

Mr. Jarvis was appointed to the Board by the Minister of Education in 1966, and was a member for two four-year terms.

Mr. Jarvis is a longtime member of the YMCA and has served on many committees, including: Metro Executive, National Executive Committee, Chairman of the Board of Directors and at present is a member of the World Council.

He is a 6'5" athletic mathematician who boxed as well as played football for the University of Toronto, refereed inter-collegiate football, coached football and basketball all through his high school teaching career. He also played football for Balmy Beach for a year before entering college.

Mr. Jarvis still enjoys a fair amount of skiing both abroad and in Canada.

He started his teaching career in Timmins, then Trinity College in Port Hope, Upper Canada College, Forest Hill (Vice-Principal). At present, he is Principal of Bishop Strachan School — a male as head of a private girls' school is rather a unique position and a first in Canada.

VOZORIS RETURNS TO BOARD

Spiro Vozoris has been re-appointed to the Board filling the vacancy left by Edward (Ted) Jarvis.

Mr. Vozoris, a professional engineer, had completed a previous term on the Board in 1973. He was also a Chairman of the Board's Property Committee.

(ABOVE) Vicki Hungerford and Melinda Wells, students in the Fashion Modelling Program, received the Judy Award on behalf of Humber College.

(ABOVE) Students in the Fashion Modelling Program pose for pictures with Judy Award at Royal York Hotel.
(BELOW) The "Judy" Award

HUMBER RECEIVES JUDY AWARD

The JUDY Award is presented in recognition of excellence in promoting and retailing fashion in Ontario. The award is given to 13 entrants at the annual JUDY Awards dinner held recently before more than 1,000 people at the Royal York Hotel. Humber is the only community college in Canada to win this award for merchandising excellence in junior women's wear shops (Box 1900 boutique at the North Campus) with sales volume under \$100,000. The JUDY is considered the most important award in Canada's fashion industry.

IMAGES OF WOMEN IN FILM

The Centre for Women at Humber College is starting a program called "Images of Women in Film". If you enjoy films from the twenties to the present, then register for this series of six sessions starting on February 18th. Attitudes towards women, their goals and images, will be seen from the historical perspective provided by movie makers of the past and present. The course will be conducted by movie critic Natalie Edwards. The sessions will be held Tuesday evenings from 8:00 - 10:00 p.m. at the Richview Library. Registration is only \$15.00. For more information call the Centre for Women at local 541. The schedule of films to be shown are as follows:

- February 18 - She Done Him Wrong - written by and starring Mae West - 1933
- February 25 - Easy Living (Preston Sturges) with Jean Arthur - 1937
- March 4 - Take A Letter, Darling (Mitchell) with Rosalind Russell - 1942
- March 11 - Touch of Evil with M. Dietrich and Janet Leigh - 1958
- March 18 - Public Eye with Mia Farrow - 1973
- March 25 - A New Leaf (Elaine May) with Elaine May - 1970

APPLIED ARTS STUDENTS ON THE MOVE

First and second year Recreation Leadership students will be involved in the Ontario Camping Association Conference in Toronto from February 28 to March 2.

On March 4 and 5, Landscape students will attend the Ontario Shade Tree Council Conference in Sault Ste. Marie.

Six first year students in Humber's Child Care Worker program will assist in an outdoor education program this month at the Toronto Island Outdoor School of the Toronto Board of Education.

THE PRESIDENT SPEAKS OUT

The Board of Governors have approved the increase of the student activity fee in the amount of \$2.50 per semester.

Unless the Student Affairs Committee decides otherwise, it is to be assumed that the allocation of this additional fee will be according to the schedule already established, i.e.:

1. Student Union (including Student Athletic Movement)	58%
2. Athletic & Recreation Department	25%
3. Transportation (to/from College bus service)	7%
4. S.A.C. Reserve and Contingency Fund (major students' projects as approved by S.A.C.)	10%
	100%

...reviewing the Multi Year Plan with the Ministry of Colleges and Universities and representatives of the Council of Regents, it is felt that the highest priority for the expenditure of capital funds must be for the Lakeshore Campus. This is with the goal in view of enabling students to get out of rented quarters and into more adequate facilities.

Humber Happenings is published for faculty, staff, students and others interested in the College by the Office of College Relations, Humber College of Applied Arts and Technology, 1900 Office Box 1900, Rexdale, Ontario, M9W 5L7.

Information should be submitted prior to the middle of the previous month on news of interest to all campuses.

This magazine is printed 10 times a year with a monthly circulation of 2,000 copies.

LETTERS TO THE EDITOR

To The Editor:

We are now entering our second season of carrying Humber College Radio. I find that your FM station really has the right idea. The station is very well programmed. You have the proper format at the right time. Your disc jockeys, in my feeling, are far superior to other college or university stations I have heard. Congratulations to Phil Stone, program co-ordinator of Radio Broadcasting and his students.

Brian Ferri
Program Department
Graham Cable TV

To The Editor:

Jocelyn Hezekiah, Chairman, Basic Nursing Programs, Health Sciences Division, North Campus, has an article published in the January '75 issue of The Canadian Nurse.

Her article, "An Experiment With The Ladder Concept", describes the common initial semester of the nursing programs which was implemented in September 1972 by the faculty under Jocelyn's leadership.

Although much has been written about the concept of vertical mobility in education, particularly nursing education, the common semester initiated by Humber College was the first of its kind in a community college in Ontario.

To date, two graduating classes of Nursing Assistant students and one graduating class of Nursing Diploma students have participated in this learning experiment. The article records the documentation that was instituted to record findings relative to the performance and career plans of the first graduating class of the Nursing Assistant program.

In her article, Jocelyn also alludes to the need to design challenge tests and/or equivalency tests, in order to give credit to students in those courses in which they have had some previous preparation and/or experience.

Anne Bender,
Senior Program Co-ordinator
Health Sciences Division

DID YOU KNOW?

Humber will be participating in the Sportsmen's Show at the Canadian National Exhibition from March 14 - 23. Last month, an exhibit was displayed at the Canadian Furniture and Floor Covering Show . . . HEIDI GROSS, an 18 year old music student at Humber, placed eighth among 25 competitors in the World Accordion Championships in Stockholm, Sweden. Heidi, who has been playing accordion for 10 years and is the Canadian champion, chose the Italian Concerto by Bach as her classical piece and the Partita Piccola for her contemporary tune . . . All Divisions at Humber have been asked to decrease their 1975 - 76 budget by 10 percent. . . The Health Centre has now converted to OHIP billing . . . RICK BENDERA, Director of Athletics, says more than \$6,000.00 was raised toward the Humber hockey team's Christmas trip to Switzerland. Total costs were \$10,000.00. Bendera says the additional will be raised through various events . . . SHIRLEY HUTCHIN-

RICK BENDERA

FRANK WILLOCK

SON is the new secretary in the Vice-President, Administrative office replacing LINDA HILTON . . . LUCILLE PESZAT, Dean of Health Sciences, says that at a recent annual meeting of the Ontario Hospital Association a resolution was adopted that the OHA Careers Department was being encouraged to work more closely with Community Colleges, particularly in areas where there are shortages of students in under-subscribed programs. The OHA recruitment officer is prepared to work more closely with Community Colleges' secondary school liaison officers . . . A new brochure is being printed to help communicate to the Humber community facts on the Counselling Department. The number of staff visiting the counselling offices has substantially increased over the past few months . . . The first edition of Hourglass, a magazine produced by Humber Journalism students, has finally been published. Copies are \$1.00 each and are printed three times a year (March, May and December) . . . MIKE SCANLAN of the Athletic Department, has left Humber to become Executive Director of the Ontario Gymnastics Association . . . JOCELYN HEZEKIAH of Health Sciences attended the recent Allied Health Conference in New Orleans . . . A Living and Aging seminar will take place on March 4th and 5th . . .

January guest speakers in the Radio Broadcasting Program were Robert Wood, program manager of CHUM-AM; Rob Gregory of CKEY News; Doug Thompson, a commercial production specialist and Dick Sheppard, who is a broadcasting analyst . . . DAVE CHESTERTON, Chairman of Visual Arts, has been elected as Chairman of Humber's Toastmaster Club . . . More than \$1,800 was raised at the recent student Christmas art sale . . . SUE BARTLETT has moved from Financial Services to Creative Arts and Human Studies as secretary to LARRY HOLMES . . . The Humber Hockey Hawks won three games and tied one in their Christmas visit to Switzerland . . . Graphic Arts students are designing a label for Molson's Brewery. The judging will take place in the McGuire Gallery on February 12th . . . A competition has started for Interior Design students. The goal: to re-design the interior of IGOR SOKUR's restaurant in the Business Division . . . FRANK WILLOCK is acting head of the Professional Development Division during BILL TRIMBLE's leave of absence to South Africa. COLIN WOODROW has returned to PRO DEV after a short stay as acting Executive Dean . . . MIKE BARONE, a third year Interior Design student, will soon submit a project design for a Royal Bank branch in Phase 4B to the Board of Governors, and bank manager NICK PARROTT . . . KAREN (SCOTT) DUNCAN of Financial Services was married recently and she was given a pair of . . . uh . . . well! . . . you know, at a party for her in the staff lounge . . . CARLING O'KEEFE is sponsoring a writing

awards contest with prizes of \$150. Students will be judged by assignments already required for their Communications I and II classes . . . SYLVIA CLARKE, formerly of Osler, has followed JACKIE ROBERTS to the North Campus to become her administrative assistant . . . VINCE BATTISTELLI has left the Centre for Continuous Learning bringing the total to at least eight people over the past six months. Others included JUDY MCGONIGAL, SHARON PHIPPS, MARNIE CLARKE, LEAH DIGINGS, BRENDA HIKIDA, MARION ANDERSON and BLANCHE PHIPPS. And JOHN HART has moved into the placement office . . . Financial Services appointments include PAMELA AMOS (Payroll), MAY JENKINS and THERESA KAO (Accounts Payable) and JOAN RENNIE (Cashier) . . . DOMINIK GRATZER has joined the I.M.C. Engineering staff. He previously worked for Sylvania Electronics . . . RUTH MATHESON of the Placement Office has returned after an operation . . . GORD SIMNETT of the Bookstore is engaged to be married . . . IRENE WALRAVEN won the I.M.C. award for long distance travel over the Christmas holiday. She flew to Holland to visit her family. Meanwhile, JAY PHIPPS, also of I.M.C. and his wife BLANCE, a former Humber staff member, visited their family in Vancouver with their four month old son, D'Arcy . . . Have you bought your Humber College Lottery ticket? If not, better hurry. Recent \$250. winners were HAZEL McLAUGHLIN of the Bookstore and BEV CASSWELL of Health Sciences . . . The Office of College Relations conducts tours of Humber College. If you know of anyone interested in visiting Humber, call extension 554 . . . The student activity fee will be increased to \$40 next year . . . The Human Relations Development Program is being re-organized with a view to assisting students in other programs of all divisions through Career and Life Planning courses . . . A special parking lot is available for those attending conferences and seminars. But who uses the lot when there are none of the above? . . . Mrs. Van Stalen, a student in Early Childhood Education at Humber College and her husband, who is resigning his teaching post at Woodbridge High School, plan to set up a Day-Care Centre in their home in addition to the eight children already in their care . . . BARBARA McCRAW of the Special Projects part of the Development Department did

exactly that. She gave birth to a six pound 13 ounce girl at the Humber Memorial Hospital. Her name is Jennifer Corinne . . . JOCELYN HEZEKIAH, Chairman of Nursing Programs in the Health Sciences Division, had a three page story printed in last month's edition of The Canadian Nurse magazine. The title was "An Experiment with the Ladder Concept" which dealt with a description of nursing programs . . . Submissions from staff and students for the 1975 Christmas Card contest should be submitted to DORIS TALLON prior to April 1st . . . BILL TRIMBLE, Dean of Professional Development, has started his two-year leave on a Canadian International Development Agency project in Lesotho, Africa, as an educational consultant for special projects . . . BILL SEGUIN, Associate Master of Journalism at Humber, was invited back for a second time to talk to pre-release inmates at Mimico Reformatory on education . . . EILEEN JOHNSTON and LYNETTE PARKER, both from Health Sciences are getting married in February and March respectively . . . CAROL BIRCH, a secretary in the President's Office, won the 1975 Pinto in the recent "Complex 5 Lottery". BILL SCHAD, a student in Civil Technology won 100 gallons of gasoline. BOB ECKENBACH of Technology won a gingerbread house and BOB HOWIE of Office Services won a gift certificate . . . BILL BAYES of Conferences and Seminars has been elected school trustee for Ward 5 in the Borough of York and Chairman of the York Board. MARGARET PINTO is the new part-time secretary in the office of

DERWYN SHEA

PETER MURCHISON

the Vice-President, Academic . . . DERWYN SHEA and PETER MURCHISON of the Centre for Continuous Learning represented Humber at a meeting last month at Runnymede Collegiate with the Borough of York Board of Education and Parks and Recreation staff. The meeting included discussion on this community input into educational planning . . . BMI Canada Limited were at Humber recently for a panel discussion on "All About Today's Music". Panelists, active members in the Canadian Music Industry, discussed music publishing, performance and record production . . . JIM BRODIE, Director of the Centre for Employee Benefits, has been appointed to an Ad Hoc Pension Consultative Committee to review the operation of the retirement pension plan of the CAAT's . . .

JAMES BRODIE

COLLEGE GROWTH DRAINS FUNDS, CREATES PROBLEM

The rapid development of Ontario's 22 colleges of applied arts and technology in response to public demand for new courses has created a funding problem that could result in government restraint on college growth, says Dr. Harry C. Parrott, parliamentary assistant to Ontario's colleges and universities minister James Auld.

Speaking at a meeting of college registrars and secondary school guidance personnel, he said the dilemma facing the government is whether to limit growth, or continue the current open-ended funding of the college system, and absorb the financial impact as best they can.

He admits restricting college growth would limit to a certain extent their original purpose of responding to public demand, and says there will be mounting pressure to "get the best of both worlds."

Parrott says one responsibility for "getting more out of the College system without putting more into it" rests with secondary school guidance counsellors and the colleges, who should continue to work together to ensure that students are informed of the specific course content and career options available across the province.

A second solution involves informing secondary school students of the unique role of the colleges in relation to universities.

OPERATION PLACEMENT 1975

Once again Humber College will be participating with the Department of Manpower and Immigration, the Board of Trade of Metropolitan Toronto, the Ministries of Education and Labour and the Boroughs of Etobicoke and York in the organization of Operation Placement 1975 during the months of May, June, July and August.

JANUARY ENROLMENT IS UP

Approximately 400 new full-time students enrolled in January at Humber. About 160 of them were in Business, some 80 in General Arts & Science, about 30 in Electronics, about 50 in Health Sciences, 50 in Travel and Tourism and about 25 in other areas of Applied Arts

JANUARY CONVOCATION

The lecture theatre at the North Campus was filled recently for January Convocation to see 116 students graduate. Thirty-six of the students graduated with honours. Programs graduating students were: Arena Management (21), Recreation Leadership (1), General Business (8), Business Administration (1), Hotel and Restaurant Administration (1), Marketing (4), Computer Programming (12), Medical Secretarial (2), Nursing (3), Nursing Assistant - Operating Room (15), Health Care Aide (3), Emergency Care Attendant (7), Maternal Infant Care Nursing (9), IMC Technician (9), Electronics Technology (8) and Electronics Technician (9).

PLACEMENT

Art King, Director of Placement for Business, Technology and RANDA divisions, reports an increase of 10 - 15 percent in the number of companies recruiting graduates this year. King also says there is an increase of 8 - 12 percent in salaries over a year ago.

NLC'S OFF TO GREAT START

Derwyn Shea, Director of Humber's Neighbourhood Learning Centres, says registration for courses this semester are higher than the same time last year.

"We have a fantastic total of 92 people in one Social Development Class at our Weston NLC", said Shea. "And in the Astrology class at Runnymede, 25 people have already signed up."

Shea says many people find it easier to attend the 100 courses offered at nearby Neighbourhood Learning Centres in the Borough of York than travelling to Humber's North Campus.

For a complete brochure of courses offered from Home Handyman to Winemaking, call Derwyn at local 377. Course fees range from \$7.50 to \$60.00.

PLACEMENT BUREAU STARTS THIS MONTH

A Placement Bureau for Humber College Evening Part-time students starts on February 11th. The Bureau will provide General Employment Information, Industry and Labour Market Information, as well as Employment Counselling. The Placement Bureau is a joint effort of Canada Manpower and Immigration, Humber College Student Services (Career Planning and Placement), and the Centre for Continuous Learning. The Bureau will operate for a three month trial period with a Canada Manpower Counsellor available, by appointment, on Tuesdays from 4:00 p.m. to 8:00 p.m. in Room K115. Students wishing appointments or further information are asked to call 676-1200, extension 529 or 530.

STUDENTS TO ADVISE ON ONTARIO GRANTS

Three students are among 10 people who will sit on a committee to advise the Ontario government on financial assistance to students.

Paul Axelrod, a graduate student at York University, Timothy Doyle, president of the student's council at the University of Windsor, and David Ryan, a student at Centennial College in Toronto, have been appointed to the committee by James Auld, minister of colleges and universities.

Stefan Dupre of Toronto, a member of the Ontario Council on University Affairs, and Norman Sisco of Toronto, a member of the Ontario Council of Regents, will alternate chairmanship of the committee.

Other committee members are Joyce Denver and James Fisher, Toronto consultants, Frances Flanigan, Cornwall welfare administrator, Joan MacDonald, executive director of the Ontario College of Nurses in Toronto, and Patrick Phillips, director of student awards at the University of Toronto.

GOOD EGG TROPHY

This award is presented on an annual basis to the staff member at Humber College chosen to be the person who has given much dedication and service to his or her task at Humber and to the campus community. The award was first presented in 1973 to Jack Kendall of the Custodial Services. The trophy is made of sterling silver on a wooden base and was created by Hero Kielman, curator of Humber's McGuire Gallery. The trophy can be seen in the corridor display window of the Board Room.

WINTER CARNIVAL '75

The Student Union is pleased to announce that due to popular demand, "Winter Carnival" is back again this year during the week of February 24 - 28. Plans and preparations are now under way for a fun-filled week of concerts, shows, games (with prizes) pubs and more. Everyone is invited to join in with the fun and help us make this year's Winter Carnival the best one yet.

ORGANIZATION DEVELOPMENT

The Centre for Continuous Learning, in co-operation with the Centre for Human Relations and Community Studies at Sir George Williams University, conducted a Seminar last month on the principles and practices of Organization Development. The Seminar focused how the knowledge of the behavioural sciences can be applied to a systematic program of planned organizational change. In addition to the introduction on the concepts, values and practice of Organization Development, there was discussion on how to develop and improve personal skill in team building, goal setting and organizational diagnosis. Faculty at the two day Seminar were Hedley Dimock, Director of the Centre for Human Relations and Community Studies at Sir George Williams University in Montreal and David Kelleher, program co-ordinator of Organization Development programs at the Centre.

IN TOUCH WITH OUR OFF-CAMPUS STAFF

The Office of College Relations sends a monthly mailing of posters and brochures of Humber events and activities along with copies of HUMBER HAPPENINGS and COVEN to Humber staff on leave of absence and sabbatical. The mailings are also sent to officials in the three areas of Government elected in the Humber College community as well as to libraries.

LOOK IN THE PHONE BOOK

Bob Howie in Office Services says in recent months numerous calls have been made to Directory Assistance from Humber College. At a charge of 25 cents per call, it is hoped that Humber people take the extra few seconds to look their phone number up in the telephone book, PLEASE!!!

HUMBER FILM LIBRARY

Each year the College attempts to add to its film library those films that are frequently rented or borrowed for classroom use.

For films that are of cross divisional interest, the Instructional Materials Centre (IMC) is prepared to contribute 50 percent of the cost.

If there are films you feel should be added to the library, please discuss with your Chairman and if he agrees, forward the title(s), estimated cost, and the distributor's name and address to Jerry Millan, IMC Production Co-ordinator.

HETHERINGTON REPRESENTS HUMBER AT LAS VEGAS CONVENTION

GARY HETHERINGTON, Supervisor of Engineering in I.M.C. recently attended the 50th annual convention of the National Association of Educational Broadcasters in Las Vegas, Nevada. Over three thousand NAEB members, representing colleges, universities, school systems, community radio and television stations discussed programming, management design, development, engineering, research and classroom instruction. The NAEB works on the development of higher professional standards in the field of public and educational telecommunication.

HUMBER AND WATERLOO EQUALS MULTIPLE HOUSING

Humber's second year Interior Design students have been invited to participate in a design project with third year Architectural students at the University of Waterloo. Humber students will have the chance to learn more about work with allied professions from an early conceptual design stage to the completion of the assignment. The theme of the project is "Multiple Housing". The Waterloo students will solve the architectural part and Humber's will design interiors of public areas and model suites. The first meeting will be held on February 12th and the critique will involve exchange of faculty members.

LEGAL PROBLEMS?

Free Legal advice is available to all students and staff of Humber College. A Legal Aid lawyer is on campus every Wednesday from 12:00 noon - 4:00 p.m. in the Student Union Office. Please phone the Student Union at Ext. 271 for an appointment.

FRENCH BUFFET – SOKUR STYLE

During the Winter Semester, students of the Hotel and Restaurant Management Courses will prepare and serve a French Buffet, which will feature the International Cuisine. Humber staff are invited to dine in Igor's Dining Room every Tuesday during this semester. Tickets are available at the Business Division office. The price of tickets is \$4.00 each. Only 20 tickets will be sold for each Tuesday Buffet, and guests should arrive between 12:00 noon and 12:30 p.m. Main buffet courses will not be served after 12:30 p.m. No menus will be printed in advance.

OVERWEIGHT, EH?

Fashion Modelling students recently conducted a survey on overweight people at Humber. In observing hundreds of physiques, the following conclusions were made:

- When underweight students conducted the survey, of the people viewed, 80% were overweight.
- When slightly overweight students observed people, they saw only 20% as being overweight.

NOTE: Overweight was classified as between 5 and 10 pounds too much!

INTERNATIONAL LUNCHEONS

Students in the Family and Consumer Studies Program of the Applied Arts Division are preparing weekly Friday luncheons for staff and students. Lunch is only \$2.00 and is served from 11:45 a.m. – 12:45 p.m. in room H329. Reservations must be made in advance by visiting room H332. Listed below are the international luncheons for the next three months.

Feb. 7	–	THAILAND
Feb. 14	–	ITALY
Feb. 21	–	WEST INDIES
Feb. 28	–	GERMANY
Mar. 14	–	HOLLAND
Mar. 21	–	JAPAN
Apr. 4	–	CHINA
Apr. 11	–	BRITISH ISLES
Apr. 18	–	PHILIPPINES
Apr. 25	–	INTERNATIONAL

HUMBER UNDEFEATED IN SWITZERLAND

The Humber Hawks returned from an exhibition hockey tournament in Switzerland winning three games and tying one.

The Hawks defeated Lausanne 5 - 2, then beat Lugano 8 - 1 and Langenthal 6 - 5 before tying Ambri-Diotta 5 - 5 in the final game.

Nine members of the Hawks scored goals with 15 of the total 24 goals scored coming in the final periods.

JOHNSON BECOMES MUSIC COORDINATOR

DON JOHNSON is the new Co-ordinator of the Music Program at Humber. His responsibilities include staff supervision, budget administration, student interviews, equipment, supplies, teaching accommodation, time-tabling and continuous learning.

HUMBER COLLEGE CONCERT SERIES

WEDNESDAYS – 12:30 – LECTURE THEATRE

- Feb. 5 LIONA BOYD – one of Canada's finest classical guitarists
- Feb. 12 IAN McDUGALL'S TROMBONES – excellent trombone choir with rhythm section

MERGEL IS NEW CO-ORDINATOR OF CULTURAL DEVELOPMENT

TONY MERGEL, former Co-ordinator of the Music Program, is now Co-ordinator of Cultural Development. His new job frees him from the daily administrative demands of the Music Program. Some of Tony's responsibilities are symposia/workshops, Arts Etobicoke liaison, music examination program, resident artists, concerts, musicals and exchange programs.

HUMBER FOURSOME WIN EARLY DRAW PRIZE

Humber College, together with the Sport and Recreation Bureau of the Ministry of Community and Social Services, hosted the Annual Provincial Recreation Curling Bonspiel. There were 25 rinks entered including London, Grimsby, Barrie, Dundas and several agencies from the Toronto area taking part at the Humber Highland Curling Club. The Humber College rink, with Jack Eilbeck and Jack Bowman sharing the skip's duties and Ebbie Bishop and Bob Davidson doing the sweeping, won the prize for the early draw, and finished second overall.

GYMNASTICS FOR STAFF

Eugene Galperin, Humber's Soviet Gymnastics coach, is conducting men's and women's exercise and instruction for staff and students. Classes in the Bubble are on Tuesdays, Wednesdays and Thursdays from 3:30 p.m. – 5:00 p.m. Admission is free. For more information call the Athletics Office.

Mar. 5 - 6	Living and Aging Seminar

Conroy Roberts, a junior accountant in the Centre for Continuous Learning, was killed in an automobile accident on January 23rd, 1975 while on his way to work at Humber's North Campus.

Conroy started in the Training In Business and Industry area of the College in January of 1973 as an office clerk and was promoted in July of 1974 to the position of junior accountant in the C.C.L. Division. He was an outstanding student in the Accounting Program at Humber's Queensway Campus prior to joining the College staff.

Before coming to Humber, Conroy was a police officer in Kingston, Jamaica from 1963 - 1971 and became a landed immigrant in Canada in 1971.

Conroy was born in 1944 and leaves a wife and two children.

ROYAL BANK AWARD

The purpose of the Royal Bank Award is to honour a Canadian citizen or person domiciled in Canada whose outstanding achievement is of such importance that it is contributing to human welfare and the common good. To be eligible a candidate must be a Canadian citizen, a person domiciled in Canada, or a team of such individuals. The range of activity is extremely broad and may embrace the natural and social sciences, the arts and humanities and the business and industrial world. A person cannot make personal application for the award. To be considered, he/she must be proposed and recommended to the Selection Committee by two or more persons. Nominations should be submitted to the Secretary of the Selection Committee of the Royal Bank Award by February 28, 1975.

INTERNATIONAL STUDENT CENTRE

An International Student Centre is being developed to provide a basis for serving Humber students whose origins are from other nations and cultures. The Centre will be used as a point of contact between all who have an interest in international cultural and ethnic affairs. A newsletter produced will be concerned with activities of our international students plus Canadian International Agency (C.I.D.A.), Canadian University Services Overseas (C.U.S.O.) and other organizations. The Centre will also be an information point for overseas students prior to their departure for Canada, and after their arrival here; a contact point for problems involving arrival, housing, immigration, etc. and co-ordination of social activities.

CENTRAL PLANT ADDITION

In answer to the many inquiries – the addition to the existing central plant building of approximately 4,600 square feet is to house the new boiler, refrigeration machines and cooling tower, all providing heating and cooling services for future phases of the campus building program. The exterior of the addition will be stucco covered masonry with a fully glazed east wall, all to match the existing building. Also included is an additional steel stack located adjacent to the existing one and of the same height. Completion date is September 1975.

OECA TO ADD 13 STATIONS

The Ontario Government is applying to have 13 new stations added to its educational television network within the next five years.

If approved by the Canadian Radio-Television Commission, the new stations would provide service to northwestern and eastern Ontario. The first of the 13 new stations is scheduled for Sudbury, and, if approved, will be on the air in 1976. Others are planned for Thunder Bay, Dryden, North Bay, Kenora, Kirkland Lake, Sault Ste. Marie, Fort Frances and Timmins.

In eastern Ontario stations are planned for Peterborough, Belleville, Kingston and Brockville.

The Ontario Educational Communications Authority now operates a single channel in Toronto but is building stations in Ottawa, London, Windsor, Chatham and Kitchener.

The public's acceptance of Toronto's Channel 19 convinced the government that the network should be expanded. In addition to educational programs, the Toronto channel features full-length movies on Saturday nights and dramatic, documentary and interview programs for the general public.

STRIPPING CAN BE FUN

FRED BARNES, a receiver at the Queensway I campus, recently completed a furniture refinishing course offered by the Centre for Continuous Learning. Fred says the course and facilities are excellent. He refinished two small tables and a bed, originally covered with numerous layers of paint and varnish and said the staff of Humber are missing out on a number of excellent part-time courses. Instructor of the refinishing course is PETER SPENCE, owner of the Furniture Revival Centre.

QUILT MAKING – YOU HAVE TO BE INSPIRED?

SANDY SMALL, teacher of the art of Quilt Making at Humber on Monday afternoons, using her skills as an oil painter, creates her own pictures. According to Mrs. Small, one has to be inspired to begin the long process of making a quilt, but the therapeutic benefits make it worthwhile. A doctor in New York City, she claims, recommended quilting to his male patients, who suffered chronic nervous anxiety. "Some people do get frustrated in their first attempts because they often lend themselves to mistakes; but no matter how bad that first try turns out, you're still expressing yourself, and that's beautiful".

WORKSHOP ON THE ROLE OF PARENTS IN THE CAREER CHOICE OF YOUNG ADULTS

It is evident that a great many factors influence career planning in today's rapidly changing world of work.

Speakers, panels and workshops will help you to explore and examine the crucial role of parents in facilitating their children's career development in our complex society.

February 15, 1975

Registrations will be limited to 100 persons on a first come first served basis.
