A DISTINCT EDUCATION

Selecting a university that's right for you is one of the most significant life decisions you will make. It takes careful consideration of what you want to accomplish. I invite you to visit us to see the campus, meet current students and faculty, and imagine yourself growing and learning as part of our close-knit community.

Choosing the University of Guelph-Humber means earning both a university honours degree and a diploma in four years of full-time study. If you want to be challenged academically and apply that knowledge while studying, we are the right choice for you. By earning two credentials, you will be better prepared to either move into the workforce or further study.

Your success is not just about earning two credentials in four years: it's about taking those credentials and moving forward. For 15 years, the University of Guelph-Humber has fostered student success. You will see many examples of success from our current students and alumni throughout this Viewbook.

Our unique, integrated curriculum will have you learning inside and outside the classroom. Our small classes allow you to study in a community where your professors know your name, ideas are shared and you build networks before you graduate.

As you take the next step forward and begin your new journey, know that you are not alone. We are committed to helping you achieve your goals and making your years at the University of Guelph-Humber full of memories that will last a lifetime.

Dr. John Walsh
Vice-Provost, University of Guelph-Humber

Our partnership

A **COLLABORATION** between
UNIVERSITY OF GUELPH & HUMBER

YOU ARE

A student who is **highly motivated** and **goal-oriented**. Choose us, **if you want:**

- > A university education.
- > To learn in a culturally diverse environment.
- > To do, not just know.
- > A meaningful career in your field.

WHO WE ARE

The University of Guelph-Humber was the first in Ontario to offer an opportunity to earn both a university honours degree and diploma in four years of full-time study in one location. Now, 15 years later, we continue to stand out from the crowd.

What makes us unique, and what you will value most, is the integration of theory and practical education in all of our programs. It's an intensive, immersive approach that attracts students who are highly motivated and goal-oriented.

When you graduate from the University of Guelph-Humber, you will have:

- > An honours degree granted by the University of Guelph.
- > A diploma granted by Humber.
- > A focus on your career or further studies.
- > Practical experience.

The University of Guelph-Humber is a collaboration between the University of Guelph and Humber College Institute of Technology & Advanced Learning (Humber). Our programs draw from the expertise and knowledge of both renowned institutions. The University of Guelph is ranked as one of Canada's top comprehensive universities. Humber College Institute of Technology & Advanced Learning is one of Canada's largest colleges.

A DIFFERENT FUTURE

Teaching you how to meet the challenges of today and tomorrow.

Work-Integrated Learning (WIL)

“Work-integrated learning” refers to educational programs that incorporate a practical employment-based component connected to classroom knowledge.

The University of Guelph-Humber was founded on the principle of integrating experiential learning opportunities into the traditional academic curriculum. Each program has mandatory work-integrated learning via placement(s) and/or internship(s) as part of your four years of study. It’s the most relevant and efficient postsecondary education we can offer.

Benefits of work-integrated learning:

- > gain practical work experience
- > apply classroom theory to the workplace
- > improve your employment prospects by improving employability skills
- > improve learning outcomes
- > enhance your postsecondary experience
- > build your resume
- > determine fit with a potential career or industry
- > influence career goals and career interests
- > increased personal growth/maturity and confidence
- > exposure to professional work environment
- > networking
- > be work-ready in your field upon graduation.

“We have hired Guelph-Humber graduates because of the level of preparation for working in the field that they gained through their placements. They begin work prepared and confident in their counselling skills, they have strong writing skills and a lot of practical experience.”

- > Andrea Zirger, Centre for Opportunities, Respect and Empowerment (CORE)

CONNECT

Take advantage of your network at the University of Guelph-Humber.

All of the people at the University form a unique network around you. When people connect, a web forms that supports your academic and personal growth during university and after graduation.

SUCCESS

Our job is to prepare you for personal and professional success.

"We've worked with a variety of Guelph-Humber interns and graduates on both The Social and Marilyn, and I have always found them to be courteous, professional and eager to learn. Their enthusiasm and work ethic have been welcome additions to our digital team."

> Beth Maher, Bell Media Studios

"Guelph-Humber interns demonstrate an astute desire to learn and grasp as many skills as possible while completing their assignments. Their reliability and drive to succeed are unparalleled."

> Said Mortaza Zeewari, Canadian Human Rights International Organization

"University of Guelph-Humber students have real industrial knowledge to take on the challenges of practical life. They are educated on how to adjust fast in a competitive environment."

> Rashid Siddiqi, Smart Accounting Services

"Guelph-Humber students arrive prepared with both the hands-on experience and academic understanding of young children. Their continued ability to fit into a busy interdisciplinary team with confidence is a strong indicator of the well-rounded education they are receiving."

> Lois Blandford, Silver Creek Centre for Early Learning and Development

"We've been happy with our interns. Their knowledge, enthusiasm and professionalism make them real assets to our team."

> Kim Shiffman, Today's Parent, Rogers Media

7 Focused Programs

→
part of
the pro

Our students have **won more than 170 national and international awards** and competitions in the last five years!

POSSIBILITIES

Focused curriculum

Your courses will be focused: curriculum that challenges you academically and demands hands-on experience as you learn. More content targeted to your area of study with only a select number of general electives prepares you for your future career. We continue to be innovators with workplace experience an important part of every program.

Experts in the field

Our faculty are experts in their fields, keeping one foot in the classroom and one in the workplace and/or research to offer you real-world experience and connect you to professionals. Examples include:

- > Dennis Long, MSW, a professor in our Family and Community Social Services program, is the founding Executive Director of Breakaway Addictions Services. He is a passionate advocate for harm reduction and a media expert on issues related to addictions.
- > Dr. Nitin Deckha, a professor in our Justice Studies program, is a Certified Training and Development Professional who designs and facilitates leadership development in a range of settings and sectors. He has given presentations on topics as varied as intercultural competence, thought diversity and gendered intelligence.

Have you read these books from "Guelph-Humber" authors?

Money, Markets, and Democracy:

Politically Skewed Financial Markets and How to Fix Them

by Dr. George Bragues, Assistant Vice-Provost and Business Program Head

The Pink Purse

by Julie Pehar, Professor, Family and Community Social Services

Animal Ethics and the Autonomous Animal Self

by Dr. Natalie Evans, Professor, Media Studies

Undergraduate research

A research grant fund provides University faculty with financial support for new research. Students are hired as research assistants—a rare undergraduate opportunity. Through these assistantships, you are able to apply classroom knowledge, while also developing skills in conducting experiments, research and data collection. You may also have the opportunity to contribute to research publications. Research projects students have worked on include:

- > Investigating the underlying processes involved in face recognition and ways of improving matching of faces seen in photographs, supervised by Dr. Adam Sandford, Assistant Program Head, Psychology.
- > New research into the effects of genetic variation in muscle receptors on blood pressure responses during exercise, supervised by Dr. Philip Millar, Kinesiology program.

Program-based societies

Societies are run by students for students and are linked to our academic programs. You can join a society to help plan social and educational events, while developing leadership skills, gaining professional experience and networking.

Intellectual growth

Be a part of The Agora Fellowship: a select group of students who discuss ideas and themes from renowned books in a regular forum led by Assistant Vice-Provost George Bragues. Build your extracurricular experience and embark on a (subsidized) field trip as an Agora Fellow.

International Locations Visited

International perspectives

Exchanges

If you participate in one of our international partnerships, you can spend a semester overseas at a foreign university such as East China Normal University, China or Hanze University of Applied Sciences, Netherlands. You get to travel and study abroad, but can do so while paying University of Guelph-Humber tuition fees (not international student rates).

The University of Guelph-Humber is also pleased to welcome visiting professors to campus who can share their academic expertise and culture with you.

Study abroad

You have the opportunity to learn and explore the world. In the International Field Study course,

you are part of a small group on an educational adventure. Through professor-guided study tours, you experience concepts discussed in class, first-hand. And because all study abroad courses are partially subsidized by the University, the opportunities are within reach. You may also be eligible for additional travel grants: see page 35.

Past highlights include:

- > Visiting nature kindergarten and Farm Schools in Denmark.
- > Climbing the Great Wall of China.
- > Understanding war and peace at the Hiroshima Peace Memorial, Japan.
- > Zorbing, white water rafting and black water rafting (in caves) in New Zealand.

Direct path to Law School: City, University of London partnership

The University of Guelph-Humber and The City Law School, City, University of London have partnered to offer you a prime law school opportunity. As one of our graduates, you can earn a senior status law degree in two years: an advantage that puts you ahead. With a competitive average from our university, you are eligible for admission to the Graduate Entry LLB (Hons) at The City Law School in London, England, without an LSAT and you receive reduced tuition.

Study where the largest law firms in the world are located: London, England. The Graduate Entry LLB (Hons) attracts international students from all over the world—many from Canada. Follow in the footsteps of renowned alumni such as Mohandas Karamchand Gandhi, Margaret Thatcher and Tony Blair.

Take advantage of this partnership to earn an honours degree, a college diploma and an LLB in six years of full-time study.

Business

Acquire your biggest asset: a firm foundation in global business practices that gives you the competitive advantage. Be strategic with your degree and diploma and take charge of your future.

Learn how to market goods, fund a business, lead others, work ethically, think big and work within a team, but above all focus on your career objectives. Get introduced to a range of different business areas and discover where your interests lie. Our program combines an in-depth knowledge of the business world with the hands-on skills necessary to lead and succeed.

Focused academic program

Start with a foundation in the key areas of business. Courses in your first two years explore marketing, finance, logistics, communications, ethics, organizational behaviour, economics and accounting. In years three and four, you will build a more personalized curriculum.

Choose to focus your studies in one of six areas of emphasis or select a variety of courses reflecting a range of interests.

Areas of emphasis

Accounting: Complete the courses you need to pursue your CPA when you graduate.

Finance: Learn about banking, insurance, capital projects, investing and portfolio management.

International Business: Explore global currencies, trade and industry practices of Asia Pacific, Europe and Latin America.

Management: Learn the challenges of running various types of enterprises including for-profit, not-for-profit, small and large businesses.

Marketing: Explore how product, price, place and promotion meet consumer needs and achieve company objectives.

Small Business Management and Entrepreneurship: Study key strategies for starting and maintaining a successful new venture.

You also have the opportunity to study abroad: see page 9 for details.

Industry connections

You will take part in up to **300 hours** (minimum 100 hours) of workplace experience tailored to your goals. Placements have included BMO Financial Group, Toronto Transit Commission, Amazon, Rogers Communications, KPMG and Free the Children.

Opportunities

Make it real

Practise your business savvy. In our Business Management Simulation course, you will run a virtual business over one semester—making business decisions and managing the results. In 2016-17, one of our student teams was in the top ten competing globally! In the Planning a Small Business course, you will prepare a business plan to gain a practical understanding of the process for start-ups. Work as a team in the Event Management courses to develop, implement and manage a special event in our Art Gallery.

Compete and network

Put your skills to the test and solve complex problems, earn valuable experience and network with top national and international companies. You can represent the University at business conferences and competitions against other postsecondary institutions, such as the Harvard International Consulting Competition, Royal Roads University International Undergraduate Case Competition and the Dalhousie University Ethics in Action Case Competition and Conference.

Early Childhood Studies

Do you want to support children and make a difference in their lives? Are you passionate and caring? Are you enthusiastic, creative and fun? Do you want to learn more about why and how children do what they do?

Our program focuses on the physical, social, emotional and cognitive development of young children from birth to eight years and their interaction with the world around them. You will learn how to engage children, understand parent-child relations and assess a child's development. You get the know-how to support children individually, as well as work with their families, schools and the community.

Focused academic program

Our program focuses on children and their families in the context of the community so you gain an understanding of the child as a whole. Your first year immerses you immediately in early childhood studies. You are introduced to the domains of childhood development and theories and foundations of early childhood. In your second year, you learn the basics of human anatomy and physiology; how to create curriculum; observation and research skills; and dynamics of relationships.

In your third and fourth years, you learn how to work educationally and therapeutically with children and families. Curriculum includes children with special needs, program administration and leadership. You will develop a comprehensive set of abilities to assess children's development; support and educate children in a meaningful way; understand how to create interventions; and know how to work with children in a variety of settings.

You also have the opportunity to study abroad: see page 9 for the exciting details.

Industry connections

You will complete more than **750 hours** of workplace experience. Past placements include classrooms, hospital child life units, children's mental health centres, inclusive learning and therapeutic environments, early learning centres and community-based/advocacy organizations.

Placement 1: Job shadowing will help introduce you to the range of job opportunities available.

Placement 2: Experience an early learning and child care setting.

Placement 3: Participate in a placement related to inclusion and special needs.

Placement 4: Gain knowledge in community-based organizations.

Placements 5 & 6: Building on your previous experience, you will select a year-long setting tailored to your career aspirations and knowledge base.

Note: You will be required to complete a Vulnerable Sector Screening, documentation of immunization and a First Aid/CPR certificate prior to placement.

Opportunities

Learn through play

Borrow from our extensive collection of educational and therapeutic materials and toys in the Early Childhood Studies Resource Room to enhance your placements.

Be work-ready

Upon graduation you can become a Registered Early Childhood Educator.

Engage in your learning environment

Enjoy an interactive classroom that facilitates and enriches your learning with Smart Boards, whiteboard walls, specialized seating (pods) and desks, wiggle seats and integrated technology. You will see first-hand how learning environments can support diversity and inclusion for children with a range of abilities.

Community outreach and leadership

Take the opportunity to volunteer for community projects with your peers. Students have served meals at Ronald McDonald House and appeared on a TV show called "Towards Social Justice" for which they developed and demonstrated therapeutic play.

Family and Community Social Services

Do you want to help others? Do you want to effect change? Are you interested in getting involved with a social issue you are passionate about?

Make a difference in society in a very meaningful way. Our program explores current social issues, and the development and delivery of programs designed to assist individuals, families and communities. You will be exposed to different areas of social service work and learn how to understand the challenges faced by vulnerable populations so you can learn how to deliver impactful services, including counselling, mediation and crisis intervention.

Focused academic program

Courses in your first year focus on understanding human behaviour and issues related to individuals, families and groups in the field of social work. Courses include Social Work in Canada, Couple and Family Dynamics, and Interpersonal Communication Skills.

In your second year, you will engage in theoretical and practical studies in counselling, ethical and professional issues, and working with various vulnerable populations.

In your upper years, you will work with diverse groups and learn theory and techniques in family therapy, case management and social work practice.

You will graduate with important skills and approaches you need for the workplace or further studies in social work—how to listen, how to support someone, understanding boundaries, professionalism, cultural awareness, compassion, global citizenship and self-care.

You also have the opportunity to study abroad: see page 9 for more details.

Industry connections

Starting in your second year, you will earn more than **850 hours** of supervised workplace experience at three different placements. Past placements include children's mental health centres, hospitals, seniors' residences, addiction centres, detention centres, correctional institutions, therapeutic farms, settlement agencies and youth drop-in centres.

Placement 1: Initial exposure to a variety of social issues and the day-to-day operations within a community organization.

Placement 2: Continue to learn about agency functions and begin to interact with agency staff, volunteers, clients and the community for one academic year.

Placement 3: Provide direct client services through individual, family, group and/or community interventions in a year-long placement.

Note: You will be required to complete a Vulnerable Sector Screening prior to each placement.

Opportunities

Develop clinical skills

Build strong clinical skills that exceed the industry standard for undergraduate education. Our program boasts many clinical courses that teach basic communication competencies to more in-depth therapeutic interventions for individual, group and family counselling.

Participate in professional development

The Family and Community Social Services See Change Symposium is an annual student-run event that gives you the opportunity to learn from invited practitioners and researchers in your field.

Communicate

Courses offer you the opportunity to practise interviewing, counselling, crisis intervention, mediation and conflict resolution. By videotaping the sessions and receiving feedback you can analyze your techniques to help you learn to communicate and support people more effectively.

Justice Studies

Are you interested in work related to our legal system: immigration, social justice, policing, security, parole or probation? Do you want to help people? Is law school in your future?

Accept the challenge and responsibility a career in justice studies holds. Our program gives you the opportunity to gain academic and practical experience in justice issues. Develop strategies for working in a public service role with high-risk individuals in public, private, community and institutional settings, or moving ahead with further educational opportunities.

Focused academic program

In your first year, you will build a foundation in justice and related fields through courses such as Crime and Criminal Justice, Introduction to Law, and Principles of Sociology. In year two, you begin to take courses that touch on various services and how they are delivered, such as counselling, conflict resolution, forensics and policing.

After four years of full-time study, you will earn an **Honours Bachelor of Applied Science in Justice Studies** as well as a college diploma. You will choose which diploma to pursue in your second year:

Community and Justice Services

Focuses on social issues and explores the development of community programs, ways to work with both victims and offenders, and methods of crime prevention.

Or

Police Foundations

Prepares you for a career in the various levels of law enforcement in the Canadian justice system.

Years three and four move on to advanced courses that immerse you in issues such as ethics; equality; rights and freedoms; youth and the law; and criminology.

Throughout your four years, you will be exposed to the justice system: from the rules we follow, to dealing with people and communities, to the hands-on processing of crime scenes and making arrests. Build key skills required in any area of justice such as critical thinking, research methods and how to write effectively. You also have the opportunity to study abroad: for more information see page 9.

Industry connections

Unique to our justice program, you will take part in at least **200 hours** of community service placements in two justice agencies/organizations.

Past placements include Peel Regional Police, Ontario Justice Education Network, Alcohol and Gaming Commission of Ontario, The Yonge Street Mission, The Salvation Army, Special Investigations Unit, Ministry of the Attorney General and various law offices.

Note: You may be required to complete a Vulnerable Sector Screening and/or Criminal Reference Check prior to placement.

Opportunities

Investigate crime scenes

Evaluate staged crime scenes in our very own crime scene investigation (CSI) room. You can use mock court to role-play a case. Learn investigative techniques and how to handle evidence.

Observe social issues

In the Canadian Social Problems course, take part in a street walk with classmates and faculty in downtown Toronto to observe and research social issues, such as poverty and homelessness.

Meet people in the field

Take specialized field trips to places such as the Ontario Police College, correctional facilities and local courthouses. Guest speakers and visiting professors lend their expertise to your education.

Join the society

Join the Criminal Justice Honour Society, Alpha Phi Sigma. The society promotes academic excellence, community service, educational leadership and unity.

Kinesiology

Do you want to teach people how to adopt healthier lifestyles? Are athletics and physical fitness important to you? Would you like to be a part of new performance and health research?

Turn your passion for health and fitness into a future in kinesiology and help address today's health concerns. Our program focuses on the science of the body and human movement. You will learn how the body works, how to make it work better, what causes health issues and how to prevent illness. You will develop a strong scientific background and practical skills that will enable you to apply your knowledge to essential roles in health promotion, fitness rehabilitation, coaching and research.

Focused academic program

In the first two years of the program, you will learn the fundamentals of the human body through courses such as Human Anatomy; Cell Biology; and Biochemistry and Metabolism, while developing applied skills in courses such as Health Counselling and Behaviour Change; Exercise Prescription; and Fundamentals of Fitness Testing.

In the third and fourth years, your courses will focus on performance and clinical applications of exercise and nutrition theory. You also have the opportunity to study abroad: for more information see page 9.

Industry connections

You can complete up to **240 placement hours** during your final two years. All students have an on- and off-campus placement in third year. On campus, you will work one-on-one with a client to help reach their fitness goals through a personal training placement. Off campus, you will be placed with organizations offering applied experience. In your fourth year, choose between a placement off-campus with an independent research study or to complete a thesis project.

Placements have included Princess Margaret Cancer Centre, Ontario Lung Association, Aim2Walk's NeuroChangers Neurological Rehabilitation Centre, Toronto and York District school boards, YMCA, cardiac rehabilitation facilities, and several university athletic and varsity departments.

Opportunities

Learn through labs

Labs extend your classroom content through applied techniques and hands-on lessons. They are integrated into every year of study and enhance your learning experience of anatomy, exercise prescription, biomechanics, fitness assessment and more.

Choose career-relevant practicums

You will take at least four practicum courses, focusing on complementary and advanced exercise training and testing, to gain hands-on experience in an area of interest. Courses include Functional Ability Evaluation; Athletic Bandaging and Taping Techniques; Martial Arts and Kickboxing; and Forensic Kinesiology.

Complete research

Our program offers unique, valuable research experience through placement hours for research-based work, literature review or thesis courses, and research assistant positions with University faculty.

Get certified

With your degree, you will be eligible to pursue the following designations with several professional organizations: Registered Kinesiologist; Certified Personal Trainer; Certified Exercise Physiologist; Certified Strength and Conditioning Specialist; and Fitness Instructor Specialist.

Massimo Nardone

Kinesiology graduate, 2017

Media Studies

Interested in storytelling? Do you have an appetite for information? Does your creativity know no bounds? Do you have a flair for technology?

Explore journalism (telling stories), digital communications (telling stories digitally), public relations (telling stories on behalf of others), visual communication (telling stories visually) and media business (managing the business of storytelling). Our award-winning students learn how to communicate and develop the skills to use different media platforms to meet tomorrow's needs. We keep pace with an industry that sees our graduates as media professionals with the versatility to work in diverse and changing environments.

Focused academic program

During your first two years, you will be introduced to various media and study the historical, social, cultural and ethical aspects of the industry through courses that challenge you to think, read and write critically. Learn how media has developed then look ahead to emerging trends. Following your second year, you will choose one of five specializations.

Specializations

Digital Communications: Create multiplatform content; work with web design, audio and videography.

Journalism: Explore print, broadcast and online journalism with a strong focus on writing, editing and pitching stories.

Media Business: Learn the business of managing media sales, marketing and advertising.

Public Relations: Learn corporate communications, media relations and event management using various tools, including traditional and social media.

Visual Communication: Learn the fundamentals of photography combined with elements of production design and videography. Learn to create, manipulate and edit images, design concepts and video.

You are not limited by your specialization. You can take courses from other areas as well. Third- and fourth-year courses teach you about governance and policy and how to work in a team environment by producing a newspaper or television broadcast or promoting and managing a large event.

As part of the Applied Research Project course, you will explore, in depth, a subject of your choice. Past student projects have included "The fan culture of Star Wars" and "Commodification of the engagement ring tradition". You also have the opportunity to study overseas: see page 9 for the exciting details.

Industry connections

After third year, you will complete an internship of more than **200 hours**. Internships have included Walt Disney Studios Canada, CBC News, NKPR Inc., *Chatelaine*, Maple Leaf Sports & Entertainment, Thomson Reuters and CTV's "The Social". An international internship in Bremen, Germany, is also an exciting course opportunity.

Opportunities

Access technology

You have exclusive access to a variety of the latest industry tools, technology and resources. Our multimedia production facility has high-definition video; a green screen; edit suites; facilities for photography, videography and streaming broadcasts; and mobile technology.

Work as a team

In your fourth year, organize EMERGE, a groundbreaking media project that brings together all five specializations. Plan, collaborate and produce multiple projects simultaneously. It's a print and online magazine, a one-day conference, three websites, a photography exhibition, a media strategy and a national awards program for Canadian media students.

Danielle Edwards

Media Studies graduate, 2017

"While interning for both CTV.ca and etalk.ca, I learned a lot about online content creation and now I'm better equipped to work in an increasingly digitally focused media industry."

Fletcher's Meadow Secondary School, Brampton, Ontario

Study Abroad, United Kingdom & Germany

Guelph-Humber Travel Grant

College Media Association 2016 Spring Convention

Pursuing a Master of Journalism

EARN 2 CREDENTIALS

- > **HONOURS BACHELOR OF APPLIED ARTS IN MEDIA STUDIES**
- > **DIPLOMA IN MEDIA COMMUNICATIONS**

Admission subject requirements

- > ENG4U and 5 additional 4U/M courses
- > Estimated minimum range for admission: 75%-80%

Consider your future: careers and further education

Digital Content Producer	Journalist (print, radio, TV, online)	Master of Journalism/ Professional Communication
Social Media Specialist	Photographer	Bachelor of Education (Teachers College)
Publicist	Art Director	Graduate program in Communication and Culture
Videographer	Advertising Specialist	
Media Buyer	Master of Arts in Communications	
Event Coordinator	Law School	

Note: Some careers and entry into postgraduate education may require additional study.

Psychology

Interested in learning how people think? Want to understand human emotion and why people behave the way they do? Are you curious about the human brain?

Find your niche. Through our program you will examine theories and research exploring human thought, feeling and behaviour. Study the brain. Learn research skills. Discover how psychology plays a role in every area of society—business, health, sports, entertainment, law, communication and more. Get the mix of theoretical knowledge and experience that will prepare you for continued study or to be competitive in the workplace immediately following graduation.

Focused academic program

A solid foundation in psychology will drive your success. Your first two years introduce you to key concepts and provide foundational courses, including Developmental Psychology; Social Psychology; Research Methods; and Personality. You will also build your skills in critical thinking and effective writing.

In addition to your honours degree and diploma, you have the option to pursue **one of three certificates** in years three and four:

Intercultural Relations

Increase your cultural literacy and enrich your understanding of diversity in Canada.

Organizational Behaviour

Develop a greater understanding of leadership, groups and behaviour in organizations.

Research Skills and Analysis

Expand your knowledge of research methods in psychology and refine your investigative and analytical abilities.

In years three and four, your courses will become more focused and offer more applied study. You will apply learned concepts through courses such as Learning Difficulties and Disabilities; Drugs and Behaviour; and Theories of Psychotherapy. In your final year, you will choose between an honours seminar and thesis.

You also have the opportunity to study abroad: see page 9 for details.

Industry connections

In the third-year course Applied Study in Psychology, you will integrate psychological theory and research with at least **100 hours** of workplace experience. Placements have included Peel Halton Dufferin Acquired Brain Injury Services, Kids Help Phone, Psychology Foundation of Canada, Credit Valley Hospital, The Etobicoke Children's Centre, Ontario Correctional Institute and Community Living Mississauga.

Note: You may be required to complete a Vulnerable Sector Screening prior to placement.

Opportunities

Learn outside the classroom

As part of the optional field course, learn from Elders, community members and local mental health care service providers working among Indigenous communities in northern Ontario. Examine challenges and treatments, and explore the future of mental health in these communities and across Canada.

Combine education and social events

Take part in Common Time: weekly workshops, notable guest lecturers and special events that bring together fellow classmates and faculty in an academic and social atmosphere. Many activities are run by our student-led Psych Society.

Gain research experience

Consider applying for a paid research assistant position for additional hands-on experience. Students have assisted our faculty in studies such as examining coping strategies in marathon runners, exploring new treatment approaches that address anxiety in children, and cross-cultural psychology research.

Kyle I. Ruiter

Psychology graduate,
2014

"Guelph-Humber allowed me to get involved in research as an undergrad. Because of these opportunities, I have since graduated and been accepted into a PhD program where I study the neurocognitive effects of concussions in various populations."

Cawthra Park Secondary School, Mississauga, Ontario

Research Assistant

PhD candidate in Cognitive Science of Language program

Teaching Assistant and Research Assistant, McMaster University

EARN 2 CREDENTIALS

> **HONOURS BACHELOR OF APPLIED SCIENCE IN PSYCHOLOGY**

> **DIPLOMA IN GENERAL ARTS AND SCIENCE**

Optional certificate in:
Intercultural Relations,
Organizational Behaviour or
Research Skills and Analysis

Admission subject requirements

- > ENG4U and 5 additional 4U/M courses
- > Estimated minimum range for admission: 75%-80%

Consider your future: careers and further education

Psychologist	Group Facilitator	Bachelor of Education (Teachers College)
Counsellor	Human Resources Specialist	Law School
Psychotherapist	Masters/PhD in Psychology	Master of Counselling Psychology
Researcher	Medical School	Master of Arts in Clinical Psychology
Neuroscientist	Master of Social Work	
Mental Health Worker	Master of Education	
Case Manager		

Note: Some careers and entry into postgraduate education may require additional study.

Student Services

Students spent more than a
1/2 million hours (combined total)
in one year on placements and
internships.

Our Photos!

We are proud to include photos of real University of Guelph-Humber students, staff and faculty in our Viewbook. Many of the photos have been taken by student photographers employed through our Work-Study Program.

SUPPORT

Life as a University of Guelph-Humber student means being part of a close-knit community.

Hello. My name is...

We'll know you in the Student Services office. We pride ourselves on a high level of student support. We are here for your success!

Our small student population means you have easy access to assistance for all your first-year needs:

- > transitioning to university life
- > meeting other students
- > financial advice
- > course selection
- > placement services
- > career planning
- > student employment

Here, it's about people

Every program has a dedicated Academic Advisor, Career Services Coordinator and Field Placement Coordinator in place to support all

your program-specific needs. You can also rely on Support Peers: current students who work alongside staff, trained to help you with "how to" questions, academics and campus life.

"The University has given me unique experiences—from placements to leadership opportunities—choosing to come here has been my best decision!"

- > Faiza Ali, START Leader/Learning Support Peer/Early Childhood Studies, 4th year

Every new student can rely on support from the Student Transition and Resource Team (START) Leaders: senior students who are knowledgeable about the resources available to you. They offer you a student perspective on what campus life is really like, because they've been in your shoes!

- ▶ All applicants should take a tour to get a feel for life on campus.

Careers start here

You can launch your career starting in year one with career staff to guide you and provide one-on-one assistance. We are here to help you network, support you with your placement, develop your professional skills and build confidence as you begin your job search—whether it is for part-time work as a student or your future career.

Work on campus

Working on campus is not only convenient, it's also a great way to meet people, gain professional experience and earn money. There are many jobs on campus that we can help you find. Ask about student jobs on campus such as Social Media Assistant, Student Photographer, Tour Guide or roles in departmental offices.

Support for all

Aboriginal Resource Centre

The Centre is open to everyone interested in learning about Indigenous peoples. If you are an Indigenous person, the Centre can offer you support as you transition to university life.

International Centre

As an international student, you can receive assistance with transitioning to life in Canada, housing options, health insurance, study and work permits, and more. Meet new friends through events, trips and workshops.

LGBTQ+ Resource Centre

Connect with other LGBTQ+ students and allies. The Centre offers drop-in programming, organizes events, and offers support and resources. Everyone is welcome to visit and get involved with their programs and events that celebrate diversity within LGBTQ+ communities.

Multi-Faith Centre

The Centre is available for quiet prayer and reflection, and small gatherings where faith and interfaith dialogue is encouraged. Student groups are encouraged to use the space.

Public Safety

Your safety is paramount. Campus Security patrols the campus 24 hours a day, 7 days a week. The Campus Walk Program provides a walking partner for anyone who wishes to be accompanied to their vehicle, residence or elsewhere on campus. The Humber Guardian app for Smartphones provides quick access to campus safety and security resources and emergency contacts.

Student Wellness and Accessibility Centre

You can find Health and Counselling Services as well as Accessible Learning Services for students with disabilities all in one location for seamless, holistic support.

Other support services and facilities include:

- > Accounting Centre
- > Bookstore
- > Child Care
- > Learning Commons
(individual and group study areas)
- > Library
- > Math Centre
- > Media Equipment Centre
- > Peer Tutoring
- > Practice Presentation Rooms
- > Student Financial Services
- > Writing Centre

Services are provided by the University of Guelph-Humber or Humber. More information about services can be found at guelphhumber.ca/futurestudents.

COMMUNITY

Build your skills and socialize by participating in activities on campus.

Events and programs

We want you to make the most of your university experience by participating in events designed for you as a first-year student to meet people and get acquainted with the University:

First Year Experience (FYE) Program: Connect online with your FYE Leader throughout the summer to ease your transition to university. You meet other first-year students in your program, online and at Orientation. Mentoring and support from your FYE Leader continues through your first year.

Kick Start: Use this summer event to help prepare yourself and your family for your transition from high school to university life.

Orientation: Connect with other incoming students at this fun, students-only, official welcome to life at the University. We'll get you set for classes and show you how to get involved.

"My involvement with IGNITE (student government) really allowed me to explore my full potential and work with excellent people who are experts in their field."

> Maja Jocson, IGNITE President/Kinesiology graduate

Student government

Interested in the political life and advocating for your fellow students? Consider becoming active in student government.

► *Build a Co-Curricular Record (CCR) to demonstrate to employers that you have hands-on experience and skills learned outside the classroom. Your CCR lists your participation in University clubs, societies, student government and other extracurricular activities.*

Clubs and societies

Explore your interests, make friends, network and have fun with a club or society.

Like the City of Toronto, our student population is a cultural community; many of our clubs reflect this. Clubs target the things you like to do for fun. If you can't find what you're looking for you can start your own! Societies are related to our seven academic programs and offer a new realm of activities outside of class with a focus on your field of interest. There are more than 50 clubs and societies to get involved with!

► First-year students at Orientation learn the University of Guelph-Humber Cheer!

ACTIVE LIVING

Balance your academic life with a healthy and active lifestyle. Whether you prefer individual workouts, recreational play, competitive sports or watching from the sidelines, there's something for everyone's definition of active.

Athletic Centre

As a University of Guelph-Humber student, you have access to the Athletic Centre on campus, including gymnasiums, weight room, cardio centre, aerobic studios and multi-purpose sports fields.

Just for fun

You can take a break from class with a range of recreational sports on campus, including intramural or extramural leagues. Check out what the Fitness Centre has to offer, such as bootcamp, yoga or Zumba. And for those thinking outside of the norm, the Athletics department organizes off-campus activities that have included treetop trekking and indoor rock climbing.

Varsity athletics

Compete against other universities and colleges in the province and throughout the country. You can try out for either the University of Guelph Gryphons or Humber Hawks. For more information, visit University of Guelph Athletics at gryphons.ca or Humber Athletics at humberathletics.ca.

Guelph Gryphons

"I counted on weekly intramural volleyball games to help break up my classes and appreciated weekly residence nights in the gym where sports like cricket and ball hockey allowed me to connect with other students in res."

> Brandon Ferguson, Media Studies, 3rd year

HOME

Living away from home will build your independence and you'll meet many new people whether you live on or off campus.

Residence

Live and learn among students from both the University of Guelph-Humber and Humber. Residence facilities are located just a two-minute walk from the University. As a first-time resident your room will be single style. You can choose from themed floors, such as co-ed, health and wellness or quiet study—whichever is right for you!

Community kitchens that can be used for group cooking, an exercise room, recreational space, a dining hall and laundry facilities are all available to you. Dining plans are required if you live in residence and you can use your plan at food service outlets across campus. You will select from three dining plan sizes to accommodate your appetite.

You should account for approximately \$8,600 to \$11,250 per academic year for your dining plan and accommodations.

"During my time living in residence, I was able to learn how to be independent, while having the support of my Resident Assistant available if needed. I also worked in residence as part of the Work-Study Program."

> Connor Dougherty,
Business graduate

Applying to residence

Details about the online application will be included with an offer of admission. Residence operates on a first come, first served basis; therefore, you are encouraged to apply as soon as you receive an offer of admission.

Spring entry: For transfer students starting in May 2018, residence applications can be submitted online beginning February 1, 2018.

Fall entry: For all students starting in September 2018, residence applications can be submitted online beginning February 1, 2018. The deadline for applications for September is June 1, 2018.

For more residence information, visit humber.ca/residence.

Off campus

If you're planning to live off campus, Humber offers you support via humber.ca/student-life/offcampuslife to help you find accommodations, advice for living away from home and information on community events.

COMMUTING

Our campus location makes commuting a great option.

By public transit

Arrive metres from our front door via Brampton/Züm, Mississauga, Toronto or York Region/VIVA transit buses. Ten routes that cross the GTA stop in the newly built transit terminal on campus. For your return trip, digital signs indicate when your next bus will arrive on campus. Discounted TTC student passes can be purchased at the Humber Bookstore, too. We have included a few transit route examples for locations in the Greater Toronto Area.

Region	Transit system	From	How to get to campus
Toronto	TTC	Finch Station (Yonge-University subway line)	36A or 336 Finch West bus
Toronto	TTC	Kipling Station (Bloor-Danforth subway line)	191 Hwy 27 Express bus
Toronto	TTC	Wilson Station (Yonge-University subway line)	96A/B/D Wilson bus
Toronto	TTC	York Mills Station (Yonge-University subway line)	186 Wilson Express bus
Mississauga	MiWay	City Centre Bus Terminal/Square One	107 Express bus north (Sept to April)
Mississauga	MiWay	Clarkson GO Station	110 bus north to City Centre Bus Terminal, transfer to 107 Express bus north (Sept to April)
Mississauga	MiWay	Meadowvale Town Centre	42 bus east, transfer to 22 bus east
Brampton	Brampton Transit/Züm	Bramalea City Centre	501 bus east, transfer to 50 bus south
Brampton	Brampton Transit/Züm	Downtown Transit Terminal	501 bus east, transfer to 50 bus south
Brampton	Züm	Shoppers World	511/511A bus east
Vaughan	YRT/VIVA	Promenade Terminal	77 bus west, transfer to 7 bus south
Vaughan	YRT/VIVA	Vaughan Mills Mall	85 bus west, transfer to 7 bus south
Halton/Peel	GO	Milton (Milton line)	Runs from Milton Station to Union Station, Mon-Fri, and stops at Kipling Station with connections to TTC (above)
Waterloo/ Wellington/ Peel	GO	Etobicoke North GO Station (Kitchener line)	Walk south, catch 45 Kipling bus north, transfer to 96 Wilson west

Please note: Transit routes are subject to change and you are encouraged to independently research getting to the University of Guelph-Humber. Many routes have a variety of transit options. For more detailed information please contact the specific transit system.

For transit information visit:

Brampton: brampton.ca

GO Transit: gotransit.com

Mississauga: miway.ca

Toronto: ttc.ca

York Region: yrt.ca

By car

If you drive to campus, you can purchase a parking permit for the fall/winter (\$290-\$578*) or summer (\$293.25*) semesters.

Take Highway 427 to the Finch Avenue exit. Travel east on Finch Avenue West and turn right onto Humber College Blvd. Proceed to Entrance A.

*Estimates based on 2017-18 rates.

Location

Scholarships and Tuition

More than 87% of first-year students received entrance scholarships in 2017-18.

REWARDS

Scholarships, bursaries and awards are a great way to support your educational expenses.

Renewable Entrance Scholarship

\$2,000-\$5,000

As a high school applicant (Canadian citizen or permanent resident), you will automatically be considered for a Renewable Entrance Scholarship.*

Entrance (first year) award levels

Scholarship	Final Admission Average
\$5,000	90% or above
\$4,000	85-89.9%
\$3,000	80-84.9%
\$2,000	75-79.9%

Renewal - We continue to reward your academic achievement!

Your scholarship is renewable for three years.

Scholarship Renewal Amount	Average
\$3,000	90% or above
\$2,000	85-89.9%
\$1,000	80-84.9%

If you are awarded a Renewable Entrance Scholarship, you will automatically be considered for each renewal year. To renew your scholarship, you must maintain a 100% course load in the fall and winter semesters. We will base your renewal amount on your cumulative average (minimum 80%) of the fall and winter semesters before the year of renewal.

► **You can be a recipient of both the Founders' Academic Merit Scholarship and the Renewable Entrance Scholarship, for a possible total of \$34,000 over four years of full-time study!**

International Student Entrance Scholarship

\$2,000-\$5,000

As an international student (i.e., not a Canadian citizen, permanent resident or protected person), you will automatically be considered for this scholarship. Please refer to the chart (below) for award levels.*

For scholarship consideration, we convert your grades to the Canadian equivalent to determine your final admission average.

Scholarship	Final/Cumulative Average
\$5,000	90% or above
\$4,000	85-89.9%
\$3,000	80-84.9%
\$2,000	75-79.9%

Transfer Student Entrance Scholarship

\$2,000-\$5,000

When you apply as a transfer applicant for full-time study from college or university, you will automatically be considered for this scholarship. Please refer to the chart (above) for award levels.*

Online & Hybrid Program Entrance Scholarships

\$1,000-\$2,000

If admitted into the online or hybrid formats for Early Childhood Studies, you will automatically be considered for this scholarship.*

Scholarship	Final Cumulative Average
\$2,000	90% or above
\$1,500	80 - 89.9%
\$1000	75 - 79.9%

Official scholarship name: Bachelor of Applied Science, Early Childhood and Family & Community Social Services Entrance Scholarship.

Founders' Academic Merit Scholarship

\$20,000

We are proud to recognize ten outstanding students each year who have demonstrated high academic achievement and superior leadership ability and potential. Each recipient is eligible to receive \$5,000 per academic year over four years of full-time study, for a total of \$20,000.

To be considered for this scholarship you must be entering postsecondary studies for the first time and have a minimum 90% admission average. To retain the scholarship in your second, third and fourth years you must be a full-time student and maintain an 80% average in each of the fall and winter semesters prior to renewal. Apply online by February 28, 2018 at guelphhumber.ca/futurestudents.

Specialist High Skills Major Entrance Award

\$500

The University will award a \$500 scholarship to qualifying applicants who have completed one of the Specialist High Skills Majors (SHSMs) listed below and have a red seal on their high school diploma.

- > Arts and Culture
- > Business
- > Health and Wellness
- > Information and Communications Technology
- > Justice, Community Safety & Emergency Services
- > Non-profit
- > Sports

You must have a minimum final admission average of 80%. No additional application is needed, but to be considered for the SHSM Entrance Award your guidance counsellor must confirm your SHSM has been completed when uploading your admission grade data. Available to high school applicants only.

Registrar's Need-Based Entrance Bursary

\$2,000

Based on financial need. Apply online at guelphhumber.ca/futurestudents by April 15, 2018.

Available to applicants who have never attended postsecondary.

In-course awards

To recognize achievements and financial need, we offer a variety of awards to students in each year of study. Check online at guelphhumber.ca/futurestudents to see our full range of academic merit scholarships, need-based bursaries, and community involvement, volunteerism and leadership scholarships.

For full details on all of our scholarships, bursaries and awards, please visit guelphhumber.ca/futurestudents.

Study Abroad Grants

\$1,500-\$2,500

The University now offers more than 50 grants for eligible students involved in study abroad courses, ranging from \$1,500 to \$2,500.

How to find additional funding

- Research government programs, such as the Ontario Student Assistance Program (ontario.ca/osap).
- Look into scholarships offered by employers of your family and friends.
- Search online for websites that promote scholarships for postsecondary education based on a range of factors (not just academics).

**Successful applicants will receive an estimate of their entrance scholarship included in their offer of admission. Your official scholarship will be based on your final admission average/cumulative admission average.*

TUITION & FEES

University is an investment in your future. Knowing the costs can help you plan ahead and meet your goals.

Domestic (Canadian) tuition and fees

Item	Fall & Winter Semesters
Tuition (based on program)	\$6,570-\$9,006
Student Fees*	\$901

*Mandatory student fees include athletics, technology, health care and dental.

Other expenses

Everyone's needs vary. Below is a list of estimated costs for education-related expenses. Use those that apply to you to help estimate your financial needs.

Item	Fall & Winter Semesters
Books	\$1,320
Parking Permits	\$290-\$578
Public Transit	\$940-\$1,200

Residence

Item	Fall & Winter Semesters
Accommodation	\$6,253-\$7,852
Food (on-campus meal plan)	\$2,350 (Small) \$2,850 (Medium) \$3,400 (Large)

International student tuition and fees

Item	Fall & Winter Semesters
Tuition (based on program)	\$20,841-\$22,908
Student Fees*	\$901
Health Insurance	\$420

*For a complete list of fees visit guelphhumber.ca/futurestudents.

Please note: All values listed are estimates only based on 2017-18 rates and therefore subject to change.

Payment timeline

The University of Guelph-Humber operates on a semester billing system to help you spread out the cost of tuition over two semesters.

IMPROVE LIFE.

University of Guelph

U of G offers more than an education;
we share a purpose.

The University of Guelph exists to Improve Life. Our faculty, staff and students alike are committed to it. So, the question to ask as you consider a postsecondary education at one of Canada's leading comprehensive universities is a simple one: How do you hope to improve life after you graduate?

At U of G, you create the path to that purpose. Choose from 12 degree programs to start your journey. Your campus experience, ranked among the best in Canada, will shape the life you want. Our focus on educating 'the whole person' will help you achieve your full potential. Applicants are encouraged to tour the U of G campus, meet your peers and experience our facilities. Everything is connected to improving the lives and careers of our students, and in turn, improving life on this planet as a community of graduates that is well over 100,000 strong worldwide.

Degree programs

- > Bachelor of Applied Science
- > Bachelor of Arts
- > Bachelor of Arts and Sciences
- > Bachelor of Bio-Resource Management
- > Bachelor of Commerce
- > Bachelor of Computing
- > Bachelor of Engineering
- > Bachelor of Landscape Architecture
- > Bachelor of Science
- > Bachelor of Science in Agriculture
- > Bachelor of Science in Environmental Sciences
- > Doctor of Veterinary Medicine

Careers

University of Guelph graduates are doctors, engineers, researchers, marine biologists, technology developers, marketers, agri-producers, food technologists, restaurant owners, not-for-profit world changers, CPAs, MBAs, football players, registered nurses, dietitians, teachers, artists and writers, Olympians, entrepreneurs, scientists, and good people living good lives in Canada and around the world.

Campus Experience

Over 20,000 full time students choose U of G every year. Over 3,000 of them choose co-op programs, 16,000 plus participate in intramural sports and lifestyle programs at our outstanding facilities, and every first-year student is guaranteed residence* with a variety of options. The U of G campus experience always ranks among Canada's best - and even our food service is ranked #1 (again).

Location

Located less than 40 minutes west of the GTA just off the 401: The City of Guelph, population 133,000+, is ranked among the best places to live and work in Canada, boasts a beautiful downtown and supports an outstanding, active lifestyle. Express GO Bus access into and out of the GTA is available on campus.

How to Apply

All applicants can begin their applications in early October, 2017. The online form is available at ouac.on.ca.

Canadian high school students are encouraged to apply by January 17, 2018 to be considered for all rounds of admission. Transfer and international students should visit admission.uoguelph.ca for specific application deadlines.

**Residence is guaranteed for all first-year students provided they apply and submit their \$750 deposit by June 1, 2018.*

Admission Requirements

I am currently enrolled in an Ontario high school

How to Apply

Apply online: Go to the Ontario Universities' Application Centre website, ouac.on.ca, to complete the 101 application.

Deadline: January 17, 2018 to be considered for early offers of admission.

Choose your program: University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application.

Application fees: You will pay an OUAC application fee of \$150 for your first three program choices. Each additional program choice is \$50. If you remove a program choice and add a new one at the same university, there is no additional fee.

Rank: If you apply to more than one program at the University of Guelph-Humber, you can expect to receive only one offer of admission from the University. The highest ranked choice will be considered first. Only in the event that you are not admissible to your highest choice will your next choice be considered. If you want to reorder your UofGH program rankings, please amend your application on the OUAC website by April 15, 2018.

Requirements: Ontario Secondary School Diploma (OSSD) and an admission average calculated using your top six 4U/M courses, including the subject requirements noted in the chart below.

Program and OUAC Code	Subject Requirements	Estimated Cut-off Range
Business (GDB)	> ENG4U > any 4U math > four additional 4U/M courses	75-80%
Early Childhood Studies (GHE)	> ENG4U > five additional 4U/M courses	75-80%
Family and Community Social Services (GHF)	> ENG4U > five additional 4U/M courses	75-80%
Justice Studies (GMP)	> ENG4U > five additional 4U/M courses	75-80%
Kinesiology (GHK)	> ENG4U > any 4U math > any two from SBI4U, SCH4U, SPH4U or PSK4U > two additional 4U/M courses	75-80%
Media Studies (GMT)	> ENG4U > five additional 4U/M courses	75-80%
Psychology (GMA)	> ENG4U > five additional 4U/M courses	75-80%

Estimated cut-off range: Estimated cut-off ranges are based on the admission averages from previous years and are provided solely as a point of reference. Exact cut-offs for the current cycle will be determined by the quantity and quality of applications received and the number of places available in the respective program. Admission to the University of Guelph-Humber can be competitive. Possession of an admission average within the estimated cut-off range does not guarantee an offer of admission.

Please note: (a) The non-academic component of 4U/M co-op courses is not considered for admission requirements. (b) Courses valued at 1.5 credits or greater will be considered equivalent to one credit. (c) The University will only accept courses approved by the Ontario Ministry of Education.

Repeated courses: The University will use the highest grade reported from a Ministry-approved institution for any repeated courses.

Transcripts: Currently enrolled full-time in an Ontario high school? Your grades will automatically be submitted by your high school.

Student Profile: The Student Profile (SP) is your opportunity to tell us about factors that may have impacted your grades. If your admission average does not meet the cut-off for the program to which you have applied, your SP will be considered if your average is within a discretionary range of the determined cut-off range (up to 5%). If you have an admission average of 70-74.9%, it is strongly recommended that you submit a SP to be considered for admission. Profiles must be completed online at guelphhumber.ca/futurestudents and are due May 1, 2018.

Student Profile for Students with Disabilities: The University of Guelph-Humber strives to provide equal opportunity for academically qualified students with disabilities. If you believe that your admission average does not reflect your true academic ability as a result of a disability, you are encouraged to complete the Student Profile Form for Students with Disabilities. The form is available online at guelphhumber.ca/futurestudents and considered along with your marks in determining admission. The deadline is May 1, 2018.

Advanced Placement and International Baccalaureate: Please see respective sections on page 43.

English language requirements: Please refer to details found on page 42.

Not currently enrolled full-time in an Ontario high school?

Please apply using the 105D form on the Ontario Universities' Application Centre website, ouac.on.ca, by January 17, 2018 to be considered for early offers of admission. You must meet high school student admission requirements and will be required to submit your official high school transcripts, interim grades and/or progress reports to Admission Services by April 15, 2018.

Mature applicants, out of high school for at least two years, please refer to page 41.

Timing of offers

Date	Basis of Calculation
Late January to February	Top six completed 4U/M (or equivalent) courses, including subject requirements. Where six 4U/M courses are not available, completed 3U/M courses, including subject requirements, will be used.
Early March to Mid-April	Top six completed 4U/M (or equivalent) courses, including subject requirements. Where not available, a combination of the top six completed or in-progress 4U/M and completed 3U/M courses, including subject requirements, will be used.
Late April to Mid-May	Top six completed or in-progress 4U/M courses, including subject requirements, will be used.

Please note: If you do not receive an offer of admission in the first round of offers sent, there remains the opportunity for you to receive an offer in subsequent rounds.

Some applicants may receive an offer in December.

Accepting your offer

If you receive an offer of admission, you will receive an email and offer package in the mail. To accept your offer, do so online at ouac.on.ca by June 1, 2018.

Please see page 48 for a complete list of important dates.

I am applying from another province within Canada

How to Apply

Apply online: Go to the Ontario Universities' Application Centre website, ouac.on.ca, to complete the 105D application.

Deadline: January 17, 2018 to be considered for early offers of admission.

Choose your program: University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application.

Application fees: You will pay an OUAC application fee of \$156 for your first three program choices. Each additional program choice is \$50. If you remove a program choice and add a new one at the same university, there is no additional fee.

Rank: Please refer to details on page 38.

Estimated cut-off range: Please refer to details on page 38.

Repeated courses: The University will use the highest grade reported from a Ministry-approved institution for any repeated courses.

Transcripts: You must arrange to have your most current transcript, inclusive of completed and in-progress grade results sent to Admission Services as soon as possible, but no later than April 15, 2018. While British Columbia has automatic electronic submission of grades, they will not arrive in time for our admission decision, so BC applicants should have their school mail official transcripts in a sealed envelope.

Student Profile: Please refer to page 39.

Student Profile for Students with Disabilities: Please refer to page 39.

Advanced Placement and International Baccalaureate: Please see respective sections on page 43.

English language requirements: Please refer to details found on page 42.

Tracking your application

Once we've received your application, we will email and mail you your login and password to WebAdvisor, our online student system. This account allows you to track your application status and lists all the documents required.

Requirements: You must have a high school diploma with the respective provincial requirements (see below).

British Columbia - Four acceptable academic grade 12 courses, inclusive of subject requirements.

Alberta - Five courses numbered 30 or 31 with weight of 5, inclusive of subject requirements.

Manitoba - Five full credits at senior level 4, with a minimum of three 40S courses, inclusive of subject requirements.

Program and OUAC Code	British Columbia	Alberta	Manitoba
Business (GDB)	> English 12 > one of Pre-Calculus 12, Calculus 12 or Foundations of Math 12	> English 30-1 > one of Math 30-1, Math 30-2 or Math 31	> English Language Arts 40S > one of Pre-Calculus 40S, Calculus 45A or 45S, or Applied Math 40S
Early Childhood Studies (GHE)	> English 12	> English 30-1	> English Language Arts 40S
Family and Community Social Services (GHF)	> English 12	> English 30-1	> English Language Arts 40S
Justice Studies (GMP)	> English 12	> English 30-1	> English Language Arts 40S
Kinesiology (GHK)	> English 12 > one of Pre-Calculus 12, Calculus 12 or Foundations of Math 12 > any two from Biology 12, Chemistry 12 or Physics 12	> English 30-1 > one of Math 30-1, Math 30-2 or Math 31 > any two from Biology 30, Chemistry 30 or Physics 30	> English Language Arts 40S > one of Pre-Calculus 40S, Calculus 45A or 45S, or Applied Math 40S > any two from Biology 40S, Chemistry 40S or Physics 40S
Media Studies (GMT)	> English 12	> English 30-1	> English Language Arts 40S
Psychology (GMA)	> English 12	> English 30-1	> English Language Arts 40S

Please visit guelphhumber.ca/futurestudents for a complete listing of provincial admission requirements.

I am a high school graduate and attending postsecondary for the first time

How to Apply

Apply online: Go to the Ontario Universities' Application Centre website, ouac.on.ca, to complete the 105D application.

Deadline: January 17, 2018 to be considered for early offers of admission.

Choose your program: University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application.

Application fees: You will pay an OUAC application fee of \$156 for your first three program choices and an assessment fee of \$80. Each additional program choice is \$50. If you remove a program choice and add a new one at the same university, there is no additional fee.

Rank: If you apply to more than one program at the University of Guelph-Humber, you can expect to receive only one offer of admission from the University. The highest ranked choice will be considered first. Only in the event that you are not admissible to your highest choice will your next choice be considered. If you want to reorder your UofGH program rankings, please amend your application on the OUAC website by April 15, 2018.

Requirements: If you have an Ontario Secondary School Diploma (or equivalent) and have completed six or more 4U/M courses (or equivalent), then your admission average will be calculated using your top six 4U/M courses, including subject requirements noted in the chart on page 38, similar to a high school applicant.

If you have an Ontario Secondary School Diploma (or equivalent) and cannot present six completed 4U/M courses (or equivalent) and have been out of high school for more than two years, then you are considered a **Mature Applicant** and your admission average will be calculated using a minimum of three 4U/M courses (or equivalent), including program-specific requirements noted in the chart (right).

Estimated cut-off range: Please refer to details on page 38.

Program and OUAC Code	Subject Requirements	Estimated Cut-off Range
Business (GDB)	> ENG4U > any 4U math > one additional 4U/M course	75-80%
Early Childhood Studies (GHE)	> ENG4U > two additional 4U/M courses	75-80%
Family and Community Social Services (GHF)	> ENG4U > two additional 4U/M courses	75-80%
Justice Studies (GMP)	> ENG4U > two additional 4U/M courses	75-80%
Kinesiology (GHK)	> ENG4U > any 4U math > any two from SBI4U, SCH4U, SPH4U or PSE4U/PSK4U	75-80%
Media Studies (GMT)	> ENG4U > two additional 4U/M courses	75-80%
Psychology (GMA)	> ENG4U > two additional 4U/M courses	75-80%

Please note: (a) The non-academic component of 4U/M co-op courses is not considered for admission requirements. (b) Courses valued at 1.5 credits or greater will be considered equivalent to one credit. (c) The University will only accept Ontario Ministry of Education approved courses.

Repeated courses: The University will use the highest grade reported from a Ministry-approved institution for any repeated courses.

Required documents: Submit all official high school transcripts by April 15, 2018 in addition to any other documents that may be requested. Documents must be submitted in a sealed envelope from the originating institution or requested from the OUAC.

English language requirements: Please refer to details found on page 42.

Tracking your application

Once we've received your application, we will email and mail you your login and password to WebAdvisor, our online student system. This account allows you to track your application status and lists all the documents required. For timing of offers, please refer to details found on page 39.

Accepting your offer

If you receive an offer of admission, you will receive an email and an offer package in the mail. To accept your offer, do so online at ouac.on.ca by the deadline indicated in your offer letter.

Please see page 48 for a complete list of important dates.

I am applying from a country other than Canada

How to Apply

You are considered an international applicant if you currently reside outside of Canada and you are not a Canadian citizen or permanent resident and you are not currently attending an Ontario high school day program (in Ontario or abroad).

Apply online: Go to the Ontario Universities' Application Centre website, ouac.on.ca, to complete the 105F application.

Deadline: March 1, 2018.

Choose your program: University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application.

Application fees: You will pay an OUAC application fee of \$156 for your first three program choices and an assessment fee of \$80. Each additional program choice is \$50. If you remove a program choice and add a new one at the same university, there is no additional fee.

Rank: If you apply to more than one program at the University of Guelph-Humber, you can expect to receive only one offer of admission from the University. The highest ranked choice will be considered first. Only in the event that you are not admissible to your highest choice will your next choice be considered.

Requirements: International applications are individually assessed on country-specific data. Country-specific admission requirements can be found at guelphhumber.ca/futurestudents.

You should include among your senior level courses specific subject requirements that are required for admission to the degree program of your choice. Fulfilling minimum requirements does not guarantee entry.

Transcripts and required documents: Official high school and college/university transcripts should be sent directly to the University of Guelph-Humber from the originating institution in a sealed envelope. Other required documents will be listed on your WebAdvisor account, our online student administration system.

International high school applicants are encouraged to submit a Student Profile on our website, guelphhumber.ca/futurestudents.

Students meeting the minimum requirements will be considered for admission on an ongoing basis as soon as all required documentation has been received. The document deadline is March 1, 2018.

English language requirements: You will be required to provide proof of English proficiency if English is not your first language and you have studied less than four years in an English language school (minimum high school level). You must submit the required scores in one of the tests in the chart below. Test results dated more than two years prior to your application will not be considered.

Test	Competence Level
CAEL	Minimum overall band score of 70.
IELTS	Minimum overall score of 6.5 with no band less than 6.
MELAB	Minimum overall score of 85 including composition score of 83 and oral score of 3.
PTE	Minimum overall score of 60 with no score less than 60 in the individual components.
TOEFL	Internet-based: minimum total score of 89 with no individual scaled score less than 21. Institutional code is 0892.

Tracking your application

Once we've received your application, we will email and mail you your login and password to WebAdvisor, our online student system. This account allows you to track your application status and lists all the documents required. You can expect to receive a decision as early as three weeks following the submission of all required documents.

Accepting your offer

If you receive an offer of admission, you will receive an email and an offer package in the mail. To accept your offer, do so online at ouac.on.ca by the deadline indicated in your offer letter.

A visa information sheet will be included in your offer package. For information on how to apply for study permits and visas, please visit the Citizenship and Immigration Canada website at cic.gc.ca.

Please see page 48 for a complete list of important dates.

Other Curriculum

Advanced Placement (AP)

Advanced Placement exam results of four or more may qualify for university credit to a maximum of 2.0 credits (four courses). Official transcripts are required.

International Baccalaureate (IB)

Ontario high school applicants: Ontario high school students registered in an IB program will automatically have their IB courses converted into Ontario U- and M-level equivalents. IB scores will be converted into grades on a percentage scale out of 100 by your high school. Admission and scholarships will be determined using the conversions as submitted.

International high school applicants: If you are applying with an IB diploma, you should present a minimum academic score of 24. Reported bonus points will be taken into consideration. You should complete the diploma with six subjects: three higher level and three standard level. You should also include the specific subject requirements for the program to which you are applying among your higher and standard levels. Please note that Math Studies is an acceptable prerequisite for programs that require math. You should ensure that your predicted scores are submitted using the seven-point scale.

All IB applicants: Once we have received your official final IB transcript we will assign transfer credit. You are eligible to receive a maximum of 2.0 credits for grades of 5 or better on higher level courses where you have been awarded the IB Diploma or Certificate. For more IB information, visit guelphhumber.ca/futurestudents.

Document Submission

Admission Services

Documents must be submitted in a sealed envelope from the originating institution or requested from the OUAC when applicable.

Please note that documents submitted in support of an application become the property of the University and will not be returned. Documents are protected under provincial privacy legislation.

For assistance, please contact us at:

416.798.1331 ext. 6056
info@guelphhumber.ca

Our address is:

University of Guelph-Humber
Admission Services
207 Humber College Blvd
Toronto, ON M9W 5L7

I am applying from or have attended another college or university

Determine which transfer applicant type you are:

- In-progress or have a completed diploma from an Ontario diploma program that is considered a college block credit transfer pathway. See content on this page.
- Transferring with a diploma or coursework from a recognized college or transferring with a degree or coursework from a recognized university. See page 45.

International students with postsecondary experience, please refer to guelphhumber.ca/futurestudents.

College Block Credit Transfer Pathway

If you are in-progress or have a completed diploma from an Ontario college, and your diploma is listed in the chart below, then you are eligible to receive a block of pre-determined transfer credit. The diplomas listed in the chart have been determined to have academic alignment with a University of Guelph-Humber program and have met specific high school subject admission requirements. Diplomas must be granted by a recognized institution.

Transfer credit: Please refer to the chart (below) to review the block of transfer credit granted for diploma programs in Ontario. Diplomas must be granted by a recognized institution.

5.0 transfer credits are equivalent to approximately 1 year or 10 courses

10.0 transfer credits are equivalent to approximately 2 years or 20 courses

An official Transfer Credit Assessment will be included with your offer of admission.

Program	Eligible Diploma/Pathway	Block Credit Transfer	Format
Business (GDB)	Diploma in Accounting; Business Administration; Finance; Management; or Marketing	Up to 5.0 credits granted for 2-year diploma Up to 10.0 credits granted for 3-year diploma	Full-time, on campus
Early Childhood Studies (GHE)	Diploma in Early Childhood Education	10.0 credits granted for 2-year diploma	Full-time, on campus
Early Childhood Studies (GHA)	Diploma in Early Childhood Education	10.0 credits granted for 2-year diploma	Part-time, fully online
Early Childhood Studies (GHH)	Diploma in Early Childhood Education	10.0 credits granted for 2-year diploma	Part-time, hybrid (online and on campus)
Family and Community Social Services (GHF)	Child and Youth Care; Child and Youth Worker; Developmental Services Worker; or Social Service Worker diplomas	Up to 5.0 credits granted for 2-year diploma Up to 10.0 credits granted for 3-year diploma	Full-time, on campus
Justice Studies (GMP)	Diploma in Community and Justice Services; Law and Security Administration; Police Foundations; or Protection, Security and Investigation	Up to 5.0 credits granted for 2-year diploma	Full-time, on campus
Kinesiology (GHK)	Diploma in Fitness and Health Promotion; Fitness and Lifestyle Management; or Health, Wellness and Fitness	Up to 5.0 credits granted for 2-year diploma	Full-time, on campus
Media Studies (GMT)	Diploma in Digital Communications; Image Arts/Photography; Journalism; Media Communications; or Public Relations	Up to 5.0 credits granted for 2-year diploma Up to 10.0 credits granted for 3-year diploma	Full-time, on campus
Psychology (GMA)	Diploma in General Arts and Science	Up to 5.0 credits granted for 2-year diploma	Full-time, on campus

Specific details regarding all block credit transfer pathways can be found at guelphhumber.ca/futurestudents.

Admission average: If you are transferring from a block credit transfer pathway, you must have a minimum cumulative average of 75% for admission consideration.

Estimated cut-off range: All programs have an estimated cut-off cumulative average of 75%. Exact cut-offs for programs for the current cycle will be determined by the quantity and quality of applications received and the number of places available in the respective program. Admission to the University of Guelph-Humber can be competitive. Possession of a cumulative average at or above the estimated cut-off does not guarantee an offer of admission.

University and/or General College Transfer Applicants

We welcome transfer applicants from a variety of recognized college programs and universities into the five programs listed in the chart (right).

Admission average: University applicants must have a minimum cumulative average of 70% for consideration.

General college transfer applicants must have a minimum cumulative average of 75% to be considered for admission.

Subject requirements: Please refer to the chart (right) for high school subject requirements per program. You may have completed the equivalent of these subject requirements through college or university coursework, which will be determined through course syllabi evaluations once you apply. Specific college course equivalents for the courses in the chart can be found on our website.

Program and OUAC Code	Subject Requirements	Format
Business (GDB)	> ENG4U > any 4U math	Full-time, on campus
Family and Community Social Services (GHF)	> ENG4U	Full-time, on campus
Justice Studies (GMP)	> ENG4U	Full-time, on campus
Media Studies (GMT)	> ENG4U	Full-time, on campus
Psychology (GMA)	> ENG4U	Full-time, on campus

Transfer credit assessment: Your completed postsecondary coursework will be assessed for relevance and credit awarded where applicable. Transcripts, in addition to course syllabi and other supporting documents, will be evaluated at the time of admission to determine potential transfer credit. An official Transfer Credit Assessment will be included with your offer of admission.

Have you attended college and university?

If you have both college and university coursework, then you should speak with Admission Services regarding admission requirements and transfer credit assessment.

How to Apply

Apply online: Go to the Ontario Universities' Application Centre website, ouac.on.ca, to complete the 105D application.

Deadline: Deadlines are dependent on your entry date. Please refer to the "Important deadlines" section, page 47.

Application fees: You will pay an OUAC application fee of \$156 for your first three program choices and an assessment fee of \$80. Each additional program choice is \$50. If you remove a program choice and add a new one at the same university, there is no additional fee.

Choose your program and entry point: University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application. You will only be admitted to the entry point for which you have applied.

If you are applying for a program that is offered in more than one format (e.g., full-time on campus or part-time online), please ensure that you select the correct OUAC code for your chosen format. Please refer to the charts on pages 44 and 45.

Spring (May) bridge entry

- > Kinesiology
Only transfer students applying via a block credit transfer pathway are eligible for spring (May) entry to our Kinesiology program. From May to August is considered a "bridge" to gain entry into semester five in September. Please note fall entry is no longer available for Kinesiology transfer applicants.

Fall (September) entry

September entry for transfer students is available for:

- > Business
- > Early Childhood Studies*
- > Family and Community Social Services
- > Justice Studies
- > Media Studies
- > Psychology

**Fall entry into Early Childhood Studies is only available to applicants via the college block credit transfer pathway.*

Rank: If you apply to more than one program at the University of Guelph-Humber, you can expect to receive only one offer of admission from the University. The highest ranked choice will be considered first. Only in the event that you are not admissible to your highest choice will your next choice be considered. If you want to reorder your UofGH program rankings, please amend your application on the OUAC website.

Required documents: Submit any and all official transcripts from high school and postsecondary institution(s) attended by the respective deadline under "Important deadlines" on page 47, in addition to any other documentation that may be requested.

Once all documents have been received your application will be reviewed for admission. You are encouraged to apply and submit all documentation as soon as possible. Postsecondary students currently enrolled in studies are encouraged to send interim grades. Due to space limitations within programs, admission consideration cannot be guaranteed for applications and documents that are received after the deadline dates.

Official Ontario high school and postsecondary transcripts can be requested online through the OUAC. A service fee does apply. Visit ouac.on.ca for details. You may also be required to request the originating institution(s) send your official transcripts in a sealed envelope directly to the University at the address provided.

Send documents to:

University of Guelph-Humber
Admission Services
207 Humber College Blvd
Toronto, ON M9W 5L7

Please note: Documents submitted in support of an application become the property of the University and will not be returned. Documents are protected under provincial privacy legislation.

English language requirements: You will be required to provide proof of English proficiency if English is not your first language and you have studied less than four years in an English language school (minimum high school level). Please refer to page 42 for more information.

Track your application

Once we've received your application, we will email and mail you your login and password to WebAdvisor, our online student system. This account allows you to track your application status and lists all the documents required. You can expect to receive a decision as early as three to six weeks following the submission of all required official documents. Please note that our competitive programs may take additional time to process applications and submitted documents.

Important deadlines

Spring (May) bridge entry

February 1, 2018: Application deadline. Apply online at ouac.on.ca. May entry is only applicable to Kinesiology transfer applicants.

March 1, 2018: Document deadline. Send in all official transcripts (high school and postsecondary) and any other documents requested.

Fall (September) entry

May 1, 2018: Application deadline. Apply online at ouac.on.ca.

June 1, 2018: Document deadline. Send in all official transcripts (high school and postsecondary) and any other documents requested.

Please see page 48 of the Viewbook for a complete list of important dates.

Accept your offer

If you receive an offer of admission, you will receive an email and an offer package in the mail. To accept your offer, do so online at ouac.on.ca by the deadline indicated in your offer letter.

Vulnerable Sector Screening

Depending on your Transfer Credit Assessment, the placement/internship component of your program (if applicable) can begin as early as your first semester at the University. You may be required to complete a Vulnerable Sector Screening before your placement/internship begins. Please visit guelphhumber.ca/placements for additional details.

DOCUMENT CHECKLIST

- Official high school transcripts
- Official transcripts from all postsecondary institutions attended
- Education Declaration
A form provided by the University to document your academic history.
- English proficiency results
If applicable, please see page 42 for more information.
- Detailed course syllabi
May be required for university and general college transfer applicants.
- Supplemental information
Optional. Any additional documents you wish to submit to support your application outlining circumstances that may have impacted your academic performance.

Please allow ample time for collection of documents prior to document deadlines. You can refer to your WebAdvisor account to check for required documents and deadlines.

Residence applications start to be accepted for Kinesiology transfer students applying for spring (May) entry.

March 1, 2018

Document deadline for Kinesiology transfer students applying for spring (May) 2018 entry.

International student application and document deadline for fall (September) 2018 entry.

May 1, 2018

Application deadline for transfer students applying for fall (September) 2018 entry.

June 1, 2018

Document deadline for transfer students applying for fall (September) 2018 entry.

Deadline for residence applications for fall (September) entry.

VISIT US

Get a feel for what life will be like as a University of Guelph-Humber student!

Future Student Centre

Start your visit to the University of Guelph-Humber at our Future Student Centre, located directly across from the art gallery in the atrium. We'll be your one-stop shop for questions about the University of Guelph-Humber. Talk to us about programs, admission requirements, scholarships and campus life, and take a campus tour!

For full details on all of our events and to register, visit guelphhumber.ca/futurestudents.

Campus tours

Tours of campus, led by current students, are available throughout the year. Book a tour online at guelphhumber.ca/futurestudents.

On-campus events

Fall Information Day - November 12, 2017

Learn about the University, your program of interest, speak with program heads and campus services representatives, tour campus and more.

Admit Me -

February 28, 2018 (3 p.m. - 8 p.m.)

March 22, 2018 (10 a.m. - 4 p.m.)

For transfer applicants. Drop in to meet with an Admission Coordinator to discuss your application, including admission requirements and potential transfer credit.

Program Preview Day: Business and Media Studies - March 4, 2018

Discover our Business and Media Studies programs by joining us on campus for information sessions hosted by our faculty, current students and alumni.

March Break Tours - March 12-17, 2018

Led by current University of Guelph-Humber students, tours are a great opportunity to see our dynamic learning environment in Toronto and get a feel for the small-campus community.

Program Preview Day: Applied Sciences - March 25, 2018

Discover our Early Childhood Studies, Family and Community Social Services, Justice Studies, Kinesiology and Psychology programs by joining us on campus for information sessions hosted by our faculty, current students and alumni.

Next Steps - May 17 & 24, 2018

To help you with any remaining questions, this event offers another opportunity to speak with key support services staff and current students, and take part in an interactive session on your next steps.

Webinars

OSAP for Applicants -

November 29, 2017 (7 p.m.)

For all applicants. Learn what OSAP has to offer you, how to complete the application and more.

Transfer Applicant Webinar -

November 1, 2017 (7 p.m.)

February 7, 2018 (7 p.m.)

April 25, 2018 (7 p.m.)

For transfer applicants. Learn more about our programs, admission requirements, potential transfer credit and scholarships.
