VICE-PROVOST'S **Welcome**

Thank you for your interest in the University of Guelph-Humber and congratulations on taking the first step towards a university education!

Choosing a university can seem like a daunting decision, and I encourage you to use all the resources available to you.

At the University of Guelph-Humber we are here to help you make the right choice and to provide you with the necessary tools to make that decision.

I would encourage you to visit our state-of-the-art facility and take the opportunity to tour our campus, meet our faculty, students and staff, and experience our university first hand.

I wish you the best of luck in your search and I look forward to seeing you on campus soon.

Innovation

The University of Guelph-Humber provides an exciting and innovative opportunity for students attending university in Canada. From the design of our facilities to the creation of our programs and curriculum – the University reflects changing trends in higher education by integrating the strengths of a traditional university education and the hands-on training offered at a college.

We opened our doors in the fall of 2002 as a collaboration between two institutions – the University of Guelph and Humber College Institute of Technology and Advanced Learning (Humber). The partnership was created to meet the changing demands for higher education in the global market.

Since then, we have grown to offer several undergraduate programs, with a population of over 3,000 students.

Currently we have nearly 2,000 alumni contributing their skills and talents to their professions in Canada and internationally.

► STATE OF THE ART FACILITIES

Our \$30 million facility is custom-made for our unique program offerings. The specialized features include:

- broadcast studio with state-of-the-art sound equipment
- photography studio
- crime scene lab
- early childhood resource room
- art gallery
- wireless capabilities throughout our building
- multiple computer labs
- 40 foot living plant wall, which serves as a biofilter and air purifier

“I am pleased to see these two great institutions working together to provide students with a new option in higher education.”

*Chuck Ealey,
Regional Manager, Investors Group*

Academic Advantage

Our academic programs expose you to theoretical perspectives, practical training and workplace experience.

Upon graduation you will earn a university honours degree and a specialized diploma, allowing you access to graduate schools, professional programs and preparing you for the workforce.

Our location in the Greater Toronto Area provides you with activities and opportunities to achieve these goals.

This combination is the University of Guelph-Humber advantage.

STUDENT SUCCESS

The University of Guelph-Humber ranks among the top universities in Canada in retaining students from first to second year – an important measure of student progress and satisfaction with our programs.

Admission: SECONDARY SCHOOL APPLICANTS

▶ APPLICATION INFORMATION

You must apply to the University of Guelph-Humber through the Ontario Universities' Application Centre (OUAC) by January 13, 2010. University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application. If you are currently enrolled in an Ontario secondary school, you will apply online using the SSOLA (Secondary School Online Application) at ouac.on.ca. Detailed information is available through your high school guidance office. If you are applying to more than one program at the University of Guelph-Humber, rank your preferences on the application. You will be offered admission to the highest ranked program for which you qualify. If you are offered admission to your highest ranked program but would like to be considered for a lower rank program, please contact Admission Services at admissions@guelphhumber.ca.

▶ ADMISSION REQUIREMENTS

Applicants from Ontario Secondary Schools

You must present your Ontario Secondary School Diploma (OSSD), including a minimum of six 4U and/or 4M courses and the subject requirements shown on the Admission Requirements chart on page 11.

Canadian Secondary School Students Outside of Ontario

You must submit official transcripts from your secondary school with the required courses completed at the grade 12 academic level.

International Baccalaureate

Students applying with an International Baccalaureate (IB) diploma should present a minimum score of 24. Currently enrolled IB candidates should submit predicted IB final results. Students should include the specific subject requirements for the program to which they are applying among their higher and standard level subjects. Transfer credit may be given for higher-level courses with grades of five or better.

Advanced Placement

Applicants who have completed Advanced Placement examinations with a minimum grade of four may be eligible to receive university credit to a maximum of two credits, subject to the discretion of the Admission Committee.

English Proficiency

Applicants will be required to present evidence of English proficiency if their primary language is not English and they have completed less than four years of full-time secondary school study in an English-language school system. Please refer to our website for detailed information on testing required to meet proficiency.

Admission Averages

Students with admission averages at or above 75% will be considered for admission. Applicants with admission averages between 70% and 74.9% must submit a Student Profile to be considered for admission.

Student Profile

We encourage all applicants to complete a Student Profile. The Student Profile will provide you with an opportunity to tell the Admission Committee about activities you have been involved in that have contributed to your personal development, such as work experience, volunteer opportunities and community involvement. Factors beyond your control that may have negatively affected your academic performance, such as illness or personal issues, will also be considered. The Student Profile will be considered carefully when making admission decisions and is the basis for consideration for the Student Profile Scholarship (see page 9). The profile should be completed electronically and will be available at guelphhumber.ca in November.

Admission: MATURE AND TRANSFER APPLICANTS

► APPLICATION INFORMATION

You must apply to the University of Guelph-Humber through the Ontario Universities' Application Centre (OUAC). University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application. Mature and transfer applicants should apply online using the 105D form at ouac.on.ca. If you are applying to more than one program at the University of Guelph-Humber, rank your preferences on the application. You will be offered admission to the highest ranked program for which you qualify. If you are offered admission to your highest ranked program but would like to be considered for one of your lower ranked programs, please contact Admission Services at admissions@guelphhumber.ca.

► ADMISSION INFORMATION

University/College Transfer Applicant

If you have attended, or if you are currently enrolled in a post-secondary institution (college or university), you are a transfer applicant. Your post-secondary as well as high school transcripts will be considered for admission.

Mature Applicants

If you are 21 years of age or older and have been away from secondary school study for at least two full years and have NOT attended a post-secondary institution, you may apply as a mature applicant. Subject requirements listed on the facing page and three 4U or 4M courses should normally be completed in order to be considered for admission.

English Proficiency

Applicants will be required to present evidence of English proficiency if their primary language is not English and they have completed less than four years of full-time secondary school study in an English-language school system. Please refer to our website for detailed information on testing required to prove proficiency.

Grade Requirements

College applicants with a minimum 75% cumulative average will be considered for admission. University applicants must have successfully completed their studies or be in good academic standing at the last university attended.

Transfer Credits

Refer to the chart below for details on the number of transfer credits you are eligible to receive.

Credit will **not** be granted for completed college certificates or if less than two years of a college diploma program has been completed.

Up to five transfer credit granted for a completed two-year recognized diploma with a minimum of 75% cumulative average. See Admission Requirements chart on page 13 for recognized diploma programs.

Up to ten transfer credit granted for a completed three year recognized diploma with a 75% cumulative average. See Admission Requirements chart on page 13 for recognized diploma programs.

Up to ten transfer credit for applicants who have completed university-level coursework, a three year diploma or three years of college coursework, completed coursework from an international college or university or any combination of the above. Detailed course outlines are required for completion of transfer credit assessment. Credit is granted for coursework that is similar to the coursework in the University of Guelph-Humber program.

Subject Requirements

Applicants applying from a recognized diploma program will have met the specific subject requirements through their program of study. Applicants who are not applying from a recognized program must meet the specific subject requirements. Applicants who did not complete a required 4U course may have taken an equivalent course through their college or university course work. Applicants should contact the Admission Office, admissions@guelphhumber.ca, to determine if they have the necessary subject requirements.

Recognized Diploma Programs

A recognized college diploma program is one that has been determined to have close affinity to a University of Guelph-Humber program. Students transferring from a recognized diploma program (see chart on page 13) may be eligible for admission with a minimum cumulative average of 75% on completion of the diploma.

MAY START DATES

Business

1. Applicants completing a 2-year Business diploma from a recognized college (particularly those from Sheridan College or Humber who are completing a 2-year diploma in Accounting, Human Resources, Management, Marketing or Finance) may wish to apply for the May entry point of the Business Administration program. Several courses will be offered to allow such students to begin their studies in the summer. Transfer applicants are not required to apply for a May entry point - applications for the September entry point will also be considered.

Kinesiology

2. Applicants completing a Fitness and Health Promotion OR Fitness and Lifestyle Management diploma with the minimum required admission average are required to complete a bridging semester from May to August and will enter directly into semester five of the Kinesiology program. The bridging semester ensures that these applicants have the necessary math and science background to be successful in this program.

Experience & Opportunity

Our students complete industry-linked projects and learn applied skills required for post-graduate studies and employment in their chosen field. All of our programs provide unique learning opportunities that allow you to develop and practice your skills with state-of-the-art equipment.

In addition to in-class learning, every program includes an opportunity for students to learn in the workplace so they can build on the knowledge they acquired in the classroom. The type of workplace experience varies across each program and may be in the form of a practicum or volunteer placement, internship or research project. These opportunities are designed to meet the unique needs of each program's curriculum.

► GRADUATES

Many of our graduates have continued their education, pursuing graduate studies in fields such as law, social work and education.

In addition, our graduates have transitioned into the working world and found successful positions with such organizations as: CTV, Scotia Bank, Peel Regional Police, Fan 590, Halton Children's Aid and Petro Canada. Some of our graduates have taken their careers internationally, and secured employment in Australia, the USA and Dubai.

"The University offered me theoretical and practical courses pertaining to child development, which was essential as I was striving to become an elementary school teacher. These courses, along with my grade three field placement, let me develop life skills in the teaching profession and provided me with the opportunity to be admitted into six Bachelor of Education programs in Ontario."

Natalie Winter

Early Childhood Graduate 2009, currently enrolled in Bachelors of Education

"I made contact with Peel Regional Police at a networking event on campus, and was hired immediately after completing the Justice Studies Program. The university provided me with the knowledge and skills to successfully pursue a career in law enforcement."

Mike Nielsen

*Justice Studies Graduate 2007
Constable, Peel Regional Police*

Experience & Opportunity

Inside and outside the classroom, our students are leading others – making a positive impact on their peers, future students and the community at large. The leadership programs we offer are designed to equip you with the tools needed in the field and to train you to become a leader in your chosen academic discipline.

Mentorship, fundraising and student initiated clubs dedicated to assisting local, national and international charities are some of the activities and organizations on campus, which are growing in popularity and success every year.

You will be positioned for leadership and life-long learning by acquiring the necessary skills for success in your academic and social pursuits.

“Balancing school and work can be a difficult task. Luckily there are various on-campus jobs that work around your academic schedule. Working as a Learning Support Peer has given me the opportunity to help fellow students with program inquiries and academic concerns. It’s rewarding to know I’ve played a part in promoting student success.”

Abigail Preuss

Second Year, Early Childhood Student

“Being a Career Support Peer is a fulfilling campus job that has helped me develop leadership skills, career building tools and most importantly allowed me to assist my peers with career development.”

Randi-Mae Stanford

Third Year, Family and Community Social Services Student

Community

Our students come with a range of backgrounds and experiences. The majority of our students join us directly from high school, but students who transfer from other colleges and universities make up a significant number of our population as well. Mature and international students are also valuable contributors to our community.

At the University, there are many ways for you to get involved and make new friends. Small class sizes and emphasis on group work make it easy for you to meet and interact with classmates. However, life doesn't stop at the classroom door.

Our commitment to students extends beyond labs and classrooms. The second floor of our campus is designed for student interaction and includes a social lounge, group study spaces and an internet café. There are also many clubs and activities that are available to enhance your university experience.

Whether you join a club or work a part-time job on campus, join us from high school or after other ventures, live on-campus or commute from home, you will certainly find a place where you belong at the University of Guelph-Humber.

▶ A COMMUNITY WITHIN A COMMUNITY

16,000 full-time students studying on Humber's North Campus

▶ PARTICIPATE, JOIN, SUPPORT

60 Clubs **45** Varsity Teams

▶ THE GREATER TORONTO AREA

Toronto is a dynamic city and a great place to live and learn. After a long day of study, there are so many things to see and do, from films and festivals to sporting events and nightlife.

"Getting involved on campus allowed me to meet people from different programs at the University and provided me with a vast network for future endeavors. It was also a great way to build my resume by gaining some valuable experiences."

Urmila Puran
2009 Justice Studies Graduate
2008-2009 Guelph-Humber Student Association President
2008-2009 Guelph Student Senator

Community: LIVING OPTIONS

► LIVING AT HOME

The majority of University of Guelph-Humber students commute from home, joining us from locations throughout the Greater Toronto Area. Saving money and limiting debt are among the main reasons students choose this option. If you are planning to live at home, be assured that our small, close knit community provides you with a range of opportunities to get involved and meet new people.

► LIVING OFF-CAMPUS

If you are looking for accommodations near to campus, there are a wide variety of options to choose from. Rooms, houses and apartments are available for rent within a few blocks of campus. The off-campus housing website (residence.humber.ca) can help locate the type of housing best suited to your needs. This resource and our online message board can help you find a roommate and provide you with helpful hints to ease the transition to your new place.

► LIVING IN RESIDENCE

Residence allows for convenient access to campus facilities and provides a unique opportunity to live and learn from people with diverse backgrounds and experiences. Residence Assistants (RAs) live on each floor and provide support and advice as you transition through your first year at the University.

► RESIDENCE INFORMATION

77% of first year students live off-campus or commute from home

“Living in residence really helped me with the transition to university. It’s a great way to meet people and get involved with campus life. Living on campus also makes it easy to meet with my professors and access resources like the library and dining options.”

Daniel Birch

Second Year, Kinesiology Student

Applying to Residence

Residence is available on a priority basis to all first-year students applying directly from secondary school who have received an offer of admission. In order to be considered for residence, the application must be received by **May 28, 2010**. Students who submit their application after the May 28 deadline will be considered if there are still rooms remaining.

Transfer applicants will be assigned a room in residence on a space-available basis; to be considered for residence, transfer students are encouraged to return the residence application as soon as possible.
