WE HAVE WHAT YOU WANT

DEGREE + DIPLOMA

> Earn a university honours degree and a college diploma, concurrently, in four years of full-time study.

FOCUSED PROGRAMS

> Integrated academic and hands-on experience prepares you for anything.

CLOSE-KNIT COMMUNITY

> Our average class size is only 49 students!

INDUSTRY CONNECTIONS

> Workplace experience is part of every program to build expertise and skills in your field.

ONE LOCATION

> Study on Humber's North Campus in Toronto.

"We have hired Guelph-Humber graduates because of the level of preparation for working in the field that they gained through their placements."

> Andrea Zirgen,
Centre of Opportunities,
Respect and
Empowerment (CORE)

Experiential Learning

The University of Guelph-Humber was founded on the principle of integrating experiential learning opportunities into the traditional academic curriculum.

Workplace experience

Every honours degree program has required field placement/ internship hours that are a part of your regular course of study. You will graduate with workplace experience that will guide your career decisions.

Taught by experts

Our professors/instructors keep one foot in the classroom and one in their field to offer you current perspectives and knowledge and connect you to professionals.

- > David Bruser is an award-winning, 15-year veteran of the *Toronto Star's* Investigations Team and teaches in our Media Studies program.
- > Tom McKaig teaches in our Business program with 35 years of experience including executive international marketing and business development positions with the Royal Canadian Mint and the World Gold Council.
- > Rubina Leahy has worked in children's mental health and social services for more than 20 years and shares case studies and experiences from diverse populations with her students in the Family and Community Social Services program.

Research as an undergraduate

If research interests you, you could be hired as a research assistant to work with instructors funded by the University's Research Grant Fund.

- > Apply classroom knowledge
- > Develop skills in conducting experiments, research and data collection
- > Contribute to research publications

Research projects that students have worked on include:

- > Canadian Media Ethics in a Global Context
- > Crisis in a Tweet: Case Studies in Canadian Crisis Communication
- > Examining Underlying Mechanisms that Support Recognition of Faces
- > Existential Distress in Supportive Care Populations
- > Mental Health Perceptions and Practices of a Cree Community in Northern Ontario: A Qualitative Study
- > Post-Secondary Student Wellness Strategies
- > Role of Central Sensitization in Neuromuscular Control

Work on campus

Gain professional experience and earn money, with a flexible schedule to accommodate your classes. Opportunities include:

- > Career Support Peer
- > Computer Support Assistant
- > CSI Room Forensic Assistant
- > First Year Experience (FYE) Leader
- > Learning Support Peer
- > Social Media Assistant
- > Student Life Assistant
- > Student Services Support Peer

As you take the next step forward and begin your new journey, know that you are not alone. We are committed to helping you achieve your goals and making your years at the University of Guelph-Humber full of memories that will last a lifetime.

Dr. John Walsh
Vice-Provost,
University of Guelph-Humber

We are

The University of Guelph-Humber was the first in Ontario to offer an opportunity to earn both a university honours degree and diploma in four years of full-time study in one location. Now, 16 years later, we continue to stand out from the crowd.

What makes us unique, and what you will value most, is the integration of theory and workplace experience in all of our programs.

The University of Guelph-Humber is a collaboration between the University of Guelph and Humber College Institute of Technology & Advanced Learning (Humber). Our programs draw from the expertise and knowledge of both renowned institutions.

Focused Programs

We prepare you for personal and professional success.

Business

HONOURS BACHELOR OF BUSINESS ADMINISTRATION + DIPLOMA IN BUSINESS ADMINISTRATION

Earn 2 credentials in 4 years. Acquire your biggest asset: a firm foundation in global business practices that gives you a competitive advantage.

IN 2017-18, OUR BUSINESS STUDENTS
EARNED 54 TOP-THREE FINISHES
AT COMPETITIONS ABROAD!

Focused academic program

Learn how to market goods, fund a business, lead others, work ethically, think big and work within a team, but above all focus on your career objectives. Get introduced to a range of different business areas and discover where your interests lie. Our program combines an in-depth knowledge of the business world with the hands-on skills necessary to lead and succeed.

Choose to focus your studies in one of six areas of emphasis or select a variety of courses reflecting a range of interests.

Areas of emphasis

Accounting: Complete the courses you need to pursue your CPA when you graduate.

Finance: Learn about banking, insurance, capital projects, investing and portfolio management.

International Business: Explore global currencies, trade and industry practices of Asia Pacific, Europe and Latin America.

Management: Learn the challenges of running various types of enterprises including for-profit, not-for-profit, small and large businesses.

Marketing: Explore how product, price, place and promotion meet consumer needs and achieve company objectives.

Small Business Management and Entrepreneurship: Study key strategies for starting and maintaining a successful new venture.

First-year courses

- > Accounting I
- > Accounting II
- > Business Communications
- > Business Information Systems
- > Business Law
- > Business Statistics
- > Introduction to Organizational Behaviour
- > Macroeconomics
- > Marketing
- > Microeconomics

Experiential learning

Up to **300 hours** (minimum 100 hours) of workplace experience tailored to your goals.

Past placements include:

- > Amazon
- > Arrive Alive Drive Sober
- > BMO Financial Group
- > IBM
- > Metrolinx
- > Rogers Communications
- > St. John Ambulance
- > Sun Life Financial
- > Toronto Transit Commission

Opportunities

Practise your business savvy

In our Business Management Simulation course, you run a virtual business over one semester—making business decisions and managing the results.

In Business Analytics, learn the core techniques of data analysis, including data mining, pattern detection, graphic visualization and modelling.

Work as a team in the Event Management courses to develop, implement and manage a special event in our art gallery.

Put your skills to the test

Solve complex problems, earn valuable experience and network with top national and international companies. You can represent the University at business conferences and competitions against other postsecondary institutions, such as:

- > Dalhousie University's Ethics in Action
- > Harvard International Consulting Competition
- > NIBS Worldwide Case Competition
- > Royal Roads Design Thinking Competition

- > Vice-President, Accounting Association
- > Member, DECA
- > Merit Scholarships

Aditaya S.

- > Graduated 2011
- > Currently employed as: Manager, Finance, Toronto FC
- > CPA, CA

"You really get to know your professors, and that truly makes a difference in how you learn from them."

Sample careers and further education

- | | |
|----------------------------------|-------------------------------------|
| > Account Executive | > Marketing Specialist |
| > Accountant (CPA) | > Project Manager |

Note: Some careers and entry into further education may require additional study.

Early Childhood Studies

HONOURS BACHELOR OF APPLIED SCIENCE
+
DIPLOMA IN EARLY CHILDHOOD EDUCATION

Earn 2 credentials in 4 years. Learn how to support children individually, as well as work with their families, schools and the community.

PLAN AND IMPLEMENT
STIMULATING ACTIVITIES FOR CHILDREN
UP TO 12 YEARS OLD THROUGH
CURRICULUM DEVELOPMENT.

Focused academic program

Our program focuses on the physical, social, emotional and cognitive development of young children from birth to eight years and their interaction with the world around them.

Your first year introduces you to the domains of childhood development and theories and foundations of early childhood. In your second year, you learn the basics of human anatomy and physiology; how to create curriculum; observation and research skills; and dynamics of relationships.

In your third and fourth years, you learn how to work educationally and therapeutically with children and families. Curriculum includes children with special needs, program administration and leadership. You will develop a comprehensive set of abilities to assess children's development; support and educate children in a meaningful way; understand how to create interventions; and know how to work with children in a variety of settings.

First-year courses

- > Child & Family Nutrition
- > Early & Middle Childhood Development
- > English 1: Reading & Writing Effectively
- > Field Placement 1
- > Foundations in Early Childhood
- > Infant Development
- > Introductory Psychology: Dynamics
- > Introductory Psychology: Principles
- > Principles of Sociology
- > Public Sector Management

Experiential learning

Up to **800 hours** of workplace experience.

- > Job shadowing will help introduce you to early learning and care settings (Year 1, Winter)
- > Experience an early learning and care setting (Year 2, Winter)

- > Participate in a placement related to inclusion and special needs (Year 3, Fall)
- > Gain knowledge in community-based organizations (Year 3, Winter)
- > Select a year-long setting tailored to your career aspirations and knowledge base (Year 4, Fall/Winter)

Past placements include:

- > Children's mental health centres
- > Community-based/advocacy organizations
- > EarlyON centres
- > Hospital child life units
- > Inclusive learning centres
- > Primary school classrooms
- > Therapeutic environments

Note: You will be required to complete a Vulnerable Sector Screening, documentation of immunization and a First Aid/CPR certificate prior to placement.

Opportunities

Learn through play

Borrow from our extensive collection of educational and therapeutic materials and toys in the Early Childhood Studies Resource Room to enhance your placements.

Engage in your learning environment

See first-hand how learning environments can support diversity and inclusion for children with a range of abilities when you use our interactive classroom. It facilitates and enriches learning with Smart Boards, whiteboard walls, specialized seating (pods) and desks, wobble seats and integrated technology.

Community outreach and leadership

Take the opportunity to volunteer to support important social causes or community projects with your peers. Students have served meals to families at Ronald McDonald House, raised funds for Holland Bloorview Kids Rehabilitation Hospital and participated in awareness campaigns for initiatives such as World Down Syndrome Day.

- > Senior START Leader
- > Senior Learning Support Peer
- > Entrance Scholarship
- > Merit Scholarship
- > Michael Nightingale Community Enrichment Award

Faiza A.

- > Graduated 2018
- > Pursuing a Master of Science in Child Life and Pediatric Psychosocial Care

Sample careers and further education

- > Registered Early Childhood Educator
- > Play Therapist
- > Early Intervention Consultant
- > Speech Pathologist
- > Special Needs Resource Consultant
- > Child Care Supervisor/Director/Owner
- > Intensive Behaviour Therapist
- > Children's Rights Advocate
- > Special Needs Worker
- > Family Support Supervisor
- > Research & Policy Analyst
- > Speech Pathologist
- > Bachelor of Education
- > Master of Education
- > Master of Science in Occupational Therapy
- > Master of Arts in Child Study & Education

Note: Some careers and entry into further education may require additional study.

"Through my placements, I worked with children in vulnerable capacities, which inspired me to become a Child Life Specialist. I brought my passion for supporting children's development and I left with the tools that are essential in the field."

Family and Community Social Services

HONOURS BACHELOR OF APPLIED SCIENCE
+
SOCIAL SERVICE WORKER DIPLOMA

Earn 2 credentials in 4 years.
Effect change and make a
difference in society in a
very meaningful way.

BRIDGING KNOWLEDGE WITH EXPERIENCE.
STUDENTS RAVE ABOUT **OUR INSTRUCTORS**
WHO WORK AS EXECUTIVE DIRECTORS,
CLINICAL SUPERVISORS AND MORE.

Focused academic program

Explore current social issues and understand the challenges faced by vulnerable populations so you can learn how to deliver impactful services, such as counselling, mediation and crisis intervention.

Courses in your first year focus on understanding human behaviour and issues related to individuals, families and groups. In your second year, you will engage in theoretical and practical studies in counselling, ethical and professional issues, and working with various vulnerable populations.

In your upper years, you will work with diverse groups and learn theory and techniques in family therapy, case management and social work practice. Graduate with important skills in social work—how to listen, how to support someone, understanding boundaries, professionalism, cultural awareness, compassion, global citizenship and self-care.

First-year courses

- > Child & Adolescent Development
- > Couple & Family Dynamics
- > English I: Reading & Writing Effectively
- > General Elective
- > Interpersonal Communication Skills
- > Introductory Psychology: Dynamics or Principles of Sociology
- > Issues in Advocacy & Social Justice
- > Social Issues & Social Environments
- > Social Work in Canada
- > The Political Process & Social Work

Experiential learning

Starting in your second year, you will earn more than **850 hours** of supervised workplace experience.

- > Initial exposure to a variety of social issues and the day-to-day operations within a community organization (Year 2, Winter)

- > Continue to learn about agency functions and begin to interact with agency staff, volunteers, clients and the community (Year 3, Fall/Winter)
- > Provide direct client services through individual, family, group and/or community interventions (Year 4, Fall/Winter)

Past placements include:

- > Addiction centres
- > Children's mental health centres
- > Crisis counselling lines
- > Correctional institutions
- > Detention centres
- > Employment centres
- > School settings
- > Seniors' residences
- > Settlement agencies
- > Youth drop-in centres

Note: You will be required to complete a Vulnerable Sector Screening prior to each placement.

Opportunities

Develop clinical skills

Build strong clinical skills that exceed the industry standard for undergraduate education. Learn basic communication competencies to more in-depth therapeutic interventions for individual, group and family counselling. You will practise interviewing, counselling, crisis intervention, mediation and conflict resolution. By videotaping the sessions you can analyze your techniques to help you learn to communicate and support people more effectively.

Participate in professional development

The See Change Symposium is an annual student-run event that gives you the opportunity to learn from invited practitioners and researchers in your field.

Get registered

Apply to be registered with the Ontario College of Social Workers and Social Service Workers in your final semester.

- > START Leader
- > Study Abroad, Ireland and Italy
- > Entrance Scholarship
- > Merit Scholarships
- > Travel Grant
- > Vice-Provost Award for Academic Achievement

Lindsay V.

- > Graduated 2016
- > Recently completed a Master of Social Work
- > Currently a Community Engagement Worker, YWCA

"I love Guelph-Humber for experiential learning. I was able to apply the concepts, theories and techniques I learned in class through field placements, lab sessions and assignments."

Sample careers and further education

Justice Studies

HONOURS BACHELOR OF APPLIED SCIENCE
+
DIPLOMA IN COMMUNITY AND JUSTICE SERVICES
OR POLICE FOUNDATIONS

Earn 2 credentials in 4 years. Prepare for a future in a public service role in public, private, community and/or institutional settings.

IN 2018, OUR CSI STUDENTS
SWEPT THE TOP FOUR SPOTS AT
THE CSI CHALLENGE AT
MOUNT ST. MARY'S UNIVERSITY, MARYLAND.

Focused academic program

Throughout your four years, you will be exposed to the justice system: from the rules we follow, to dealing with people and communities, to the hands-on processing of crime scenes and making arrests. Build key skills required in any area of justice such as critical thinking, research methods and how to write effectively.

In your first year, you will build a foundation in justice and related fields. In year two, you begin to take courses that touch on various services and how they are delivered, such as counselling, conflict resolution, forensics and policing.

In your second year, you decide which diploma to pursue, focusing in on one of these two areas:

› **Community and Justice Services**

Focuses on social issues and explores the development of community programs, ways to work with both victims and offenders, and methods of crime prevention.

Or

› **Police Foundations**

Prepares you for a career in the various levels of law enforcement in the Canadian justice system.

Years three and four move on to advanced courses that immerse you in issues such as ethics; equality; rights and freedoms; youth and the law; and criminology.

First-year courses

- › Crime & Criminal Justice
- › Criminal Offences
- › English I: Reading & Writing Effectively
- › Health & Wellness
- › Introduction to Law
- › Introduction to Police Powers
- › Introductory Psychology: Dynamics
- › Principles of Sociology
- › Provincial Legislation
- › Public Sector Management

Experiential learning

Unique to our justice program, you will take part in at least **200 hours** of community service placements in your second and third years, experiencing two justice agencies/organizations.

Past placements include:

- › Alcohol and Gaming Commission of Ontario
- › Elizabeth Fry Society
- › Law offices
- › Ministry of the Attorney General
- › Peel Regional Police
- › Special Investigations Unit
- › Toronto Court Services
- › Toronto South Detention Centre
- › Yonge Street Mission

Note: You may be required to complete a Vulnerable Sector Screening and/or Criminal Reference Check prior to placement.

Opportunities

Investigate crime

Evaluate staged crime scenes in our very own crime scene investigation (CSI) room. You can use mock court to role-play a case. Learn investigative techniques and how to handle evidence. Join one of our CSI teams and compete in competitions abroad.

Observe social issues

In the Canadian Social Problems course, take part in a street walk with classmates and faculty in downtown Toronto to observe and research social issues, such as poverty and homelessness.

Practise leadership and excellence

Join the Criminal Justice Honour Society, Alpha Phi Sigma, that promotes academic excellence, community service, educational leadership and unity. Become a member of the Pre-Law Society to foster a culture of legal inquiry and critical thought processes in the academic community; members prepare for moot court competitions, LSATs and law school.

- > Competitor, Capital Cup Mooting Tournament
- > Member, Pre-Law Society
- > Senior START Leader
- > FYE Leader
- > Justice Studies Representative, Ignite
- > Entrance Scholarship
- > Equity, Diversity & Inclusion Award

Hira Z.

- > Graduated 2018
- > Interested in pursuing a law degree

"I am graduating with a passion for leadership, justice and human rights. My greatest inspiration will always be my professors at Guelph-Humber. They've taught me the importance of always being humble, curious and passionate."

Sample careers and further education

- | | |
|--------------------------------------|---------------------------------------|
| > Bylaw Enforcement Officer | > Police Officer |
| > Anti-terrorism Analyst | > Policy Analyst |
| > Border Services Officer | > Probation Officer |
| > Corporate Investigator | > Case Worker |
| > Corporate Security Manager | > Victim Services Worker |
| > Court Reporter | > Law School |
| > Crime Analyst | > Master of Arts in Criminology |
| > Lawyer | > Bachelor of Education |
| > Anti-money Laundering Investigator | > Master of Public Administration |
| > Parliamentary Assistant | > Master of Arts in Political Science |
| > Parole Officer | |

Note: Some careers and entry into further education may require additional study.

Kinesiology

HONOURS BACHELOR OF APPLIED SCIENCE

+

DIPLOMA IN FITNESS AND HEALTH PROMOTION

Earn 2 credentials in 4 years. Turn your passion for health and wellness into a career in kinesiology and influence the future of sport and healthcare.

**18 OF YOUR
CORE KINESIOLOGY COURSES
ARE PAIRED WITH LABS.**

Focused academic program

Learn how the body works, how to make it work better, what causes health issues and how to prevent illness. Develop a strong scientific and theoretical background and apply this knowledge to healthy populations, elite athletes, individuals with chronic diseases and people with physical limitations. Be confident to apply yourself in any environment, such as health promotion, fitness, rehabilitation, coaching and research.

In the first two years of the program, you learn the fundamentals of the human body. Learn anatomy in a human cadaver lab in your first year: a rare undergraduate experience. In the third and fourth years, your courses focus on performance and clinical applications of exercise and nutrition theory.

First-year courses

- > Biochemistry & Metabolism I
- > Cell Biology
- > Health Counselling & Behaviour Change
- > Human Anatomy I
- > Human Anatomy II
- > Human Physiology I
- > Introduction to Health & Wellness
- > Introductory Mathematics for Kinesiology
- > Practicum

Experiential learning

You can complete **240 placement hours** during your final two years. All students have an on- and off-campus placement in third year. On campus, you will work one-on-one with a client to help reach their fitness goals through a personal training placement. Off campus, you will be placed with organizations offering applied experience. In your fourth year, choose an off-campus placement with an independent research study or complete a thesis project in a lab setting.

Past placements include:

- > Aim2Walk's NeuroChangers Neurological Rehabilitation Centre
- > Athletic and varsity programs
- > Cardiac rehabilitation facilities
- > Centre for Addiction and Mental Health
- > Princess Margaret Cancer Centre
- > Toronto and York Region district school boards
- > YMCA

Opportunities

Learn through labs

Labs extend your classroom content through applied techniques and hands-on lessons. They are integrated into every year of study and enhance your learning experience of anatomy, exercise prescription, biomechanics, fitness assessment and more.

Choose career-relevant practicums

You will take at least four practicum courses, focusing on complementary and advanced exercise training and testing, to gain hands-on experience in an area of interest. Courses include Functional Ability Evaluation; Athletic Bandaging and Taping Techniques; Martial Arts for Group Fitness Training; and Forensic Kinesiology.

Complete research

Our program offers unique, valuable research experience through placement hours for research-based work and literature review or thesis courses.

Get certified

With your degree, you are eligible to pursue the following designations with several professional organizations: Registered Kinesiologist with the College of Kinesiologists of Ontario; Certified Personal Trainer; Certified Exercise Physiologist; Certified Strength and Conditioning Specialist; and Fitness Instructor Specialist.

- > Team Member, Kin Games
- > President, Kinesiology Society
- > Event Staff, Ignite
- > Intramural hockey and volleyball
- > Merit Scholarship
- > Gold Medallion for Leadership Excellence

Malik C.

- > Graduated 2017
- > Currently employed as: Registered Kinesiologist and Strength & Performance Coach, Sportside Medical Services

"Anatomy was one of my favourite labs because we worked with cadavers. It was an experience unparalleled to anything that I could have learned from a textbook or just looking at pictures."

Sample careers and further education

- > Certified Strength and Conditioning Specialist
- > Exercise Physiologist
- > Health Promotions Manager
- > Occupational Health, Wellness and Abilities Advisor
- > Registered Kinesiologist
- > Rehabilitation Therapist
- > Research Assistant
- > Research Associate
- > Researcher
- > Wellness Coordinator
- > Master of Science in Physical Therapy
- > Master of Occupational Therapy
- > Bachelor of Education
- > Master of Science
- > Master of Public Health
- > Master of Arts in Health Promotion
- > Chiropractic College
- > Naturopathic College
- > Medical School

Note: Some careers and entry into further education may require additional study.

Media Studies

HONOURS BACHELOR OF APPLIED ARTS + DIPLOMA IN MEDIA COMMUNICATIONS

Earn 2 credentials in 4 years. Learn how to communicate and develop the skills to use different media platforms to meet tomorrow's needs.

IN 2017-18, OUR MEDIA STUDIES
STUDENTS WON
12 INTERNATIONAL AWARDS.

Focused academic program

Keep pace with a rapidly changing industry. Start by learning how media has developed then look ahead to emerging trends. You will be introduced to various media and study the historical, social, cultural and ethical aspects of the industry. Following your second year, you will choose one of five specializations to direct your studies. However, you are not limited by your specialization. You can take courses from other areas as well.

Third- and fourth-year courses teach you about governance and policy and how to work in a team environment; for example, by producing a digital news site or television broadcast or promoting and managing a large event.

Specializations

Digital Communications: Create multiplatform content; work with web design, audio and videography.

Journalism: Explore print, broadcast and online journalism with a strong focus on writing, editing and pitching stories.

Media Business: Learn the business of managing media sales, marketing and advertising.

Public Relations: Learn corporate communications, media relations and event management using various tools, including traditional and social media.

Visual Communication: Learn the fundamentals of photography combined with elements of production, design and videography. Learn to create, manipulate and edit images, design concepts and video.

First-year courses

- > Communication, Technology & Culture
- > Communications Perspective
- > English I: Reading & Writing Effectively
- > Ethical Issues
- > Film Study
- > General Elective
- > Internet Survey & Research
- > Introduction to Journalism & Public Relations
- > Photography & Digital Imaging
- > Visual Communication & Design

Experiential learning

After third year, you will complete an internship of more than **200 hours**. An international internship in Bremen, Germany, is also an exciting course opportunity.

Internships have included:

- > 680 News
- > *Chatelaine*
- > Corus Entertainment
- > Faulhaber Communications
- > Maple Leaf Sports & Entertainment
- > The Hospital for Sick Children
- > The Sports Network
- > Toronto International Film Festival
- > Universal Music Canada
- > Walt Disney Studios Canada

Opportunities

Tools of the trade

You have access to a variety of the latest industry technology. This includes a multimedia production facility equipped with a soundstage, HD multi-camera setup and switcher, live streaming capabilities and edit workstations. Media production equipment such as 4K digital cinema cameras, full-frame photo cameras and professional studio lighting is available to sign out.

Media research

As part of the Applied Research Project course, you will explore, in depth, a subject of your choice. Past student projects have included "The fan culture of Star Wars" and "Commodification of the engagement ring".

Teamwork

In your fourth year, you work on Emerge, a groundbreaking media project that brings together all five specializations. Emerge comprises multiple projects. In addition to creating a print and online magazine, students administer, promote and stage the final ceremony for a national media awards program, as well as other events, complete with supporting websites and digital marketing campaigns.

- > Videographer, UofGH Student Recruitment
- > Photographer, Humber Sports
- > Digital Content Creator, Humber Student Life
- > Captain, Extramural Dodgeball Team
- > Hawk Yeah Award
- > Renewable Entrance Scholarship
- > Humber Residence Award for Excellence in Leadership

Brandon F.

> Media Studies, 4th year

"I cannot overstate the plethora of opportunities available! I love my two on-campus jobs doing social media and sports photography. To relax, I play competitive dodgeball with teammates that are more family than friends."

Sample careers and further education

- > Account Coordinator
- > Advertising Specialist
- > Assistant Producer
- > Communications Manager
- > Community Engagement Manager
- > Digital Content Producer
- > Editor (web, print, story)
- > Event Coordinator
- > Experiential Marketer
- > Fundraising Strategist
- > Media Buyer
- > Photographer/Videographer
- > Production Assistant
- > Public Affairs Specialist
- > Publicist
- > Radio/TV Host
- > Web Developer
- > Master of Arts in Communications
- > Master of Journalism/Professional Communication
- > Bachelor of Education

Note: Some careers and entry into further education may require additional study.

Psychology

HONOURS BACHELOR OF APPLIED SCIENCE + DIPLOMA IN GENERAL ARTS AND SCIENCE

Optional certificate in: Intercultural Relations, Organizational Behaviour or Research Skills and Analysis

Earn 2 (or 3) credentials in 4 years.
Examine theories and research exploring human thought, feeling and behaviour.

AS A HIGH SCHOOL APPLICANT,
COMPETE IN THE PSYCHATHLON TO
WIN A \$1,000 SCHOLARSHIP!

Focused academic program

Discover how psychology plays a role in every area of society, then find your niche. Study the brain. Learn research skills. Explore the processes and factors that shape who we become by studying topics such as development and aging, learning difficulties, ethics, culture, neuroscience, cognition, psychotherapy, abnormal psychology and persuasion.

Your first two years introduce you to key concepts and provide foundational courses. In years three and four, your courses will become more focused and offer more applied study. In addition to your honours degree and diploma, you have the option to pursue **one of three certificates** in years three and four:

- > **Intercultural Relations**
Increase your cultural literacy and enrich your understanding of diversity in Canada.
- > **Organizational Behaviour**
Develop a greater understanding of leadership, groups and behaviour in organizations.
- > **Research Skills and Analysis**
Expand your knowledge of research methods in psychology and refine your investigative and analytical abilities.

In your final year, you will choose between an honours seminar and thesis.

First-year courses

- > Critical Thinking
- > Developmental Psychology
- > English I: Reading & Writing Effectively
- > General Elective
- > Introductory Psychology: Dynamics
- > Introductory Psychology: Principles
- > Modern & Contemporary Philosophy
- > Principles of Anthropology
- > Principles of Sociology
- > The Wonders of Science

Experiential learning

In the third-year course Applied Study in Psychology, you will integrate psychological theory and research with at least **100 hours** of workplace experience.

Placements have included:

- > Alzheimer Society of Toronto
- > Big Brothers Big Sisters
- > Community Living Mississauga
- > Kids Help Phone
- > March of Dimes Canada
- > Ontario Correctional Institute
- > Peel Psychology and Therapy Centre
- > Sinai Health System
- > The Psychology Foundation of Canada

Note: You may be required to complete a Vulnerable Sector Screening prior to placement.

Opportunities

Learn outside the classroom

As part of the optional field course, learn from Elders, community members and local mental health care service providers working among Indigenous communities in northern Ontario. Examine challenges and treatments and explore the future of mental health in these communities and across Canada.

Networking

Take part in Common Time: weekly workshops, notable guest lecturers and special events that bring together fellow classmates and faculty in an academic and social atmosphere. Many activities are run by our student-led Psych Society.

Psi Chi Honour Society

Expand your professional and academic networks. Discuss news, research, challenges and other current topics in psychology with psychology professionals.

- > Senior Learning Support Peer
- > Executive Leader,
The Embassy Campus Church
- > Member, Psi Chi Society
- > Volunteer, Psych Society
- > Competitor, Western
Student Conference
- > Entrance Scholarship
- > Merit Scholarship
- > Guelph-Humber Student
Association Scholarship

|--|--|

Note: Some careers and entry into further education may require additional study.

"I have been able to learn in and out of the classroom, which has contributed to what I'm doing now. All my professors knew who I was and I still keep in touch with a lot of them, making it a very supportive and encouraging environment to be a part of."

International Perspective

Travelling abroad changes your view about the world and yourself.

Study abroad

Through instructor-guided study tours, you experience concepts discussed in class. Because all study abroad courses are partially subsidized by the University, the opportunities are within reach. You may also be eligible for a study abroad travel grant, ranging from **\$1,500 to \$2,500**.

Past highlights include:

- > Going to outdoor classrooms in Odense where children interact with nature: an example of Denmark's unique contribution to child development
- > Understanding war and peace at the Hiroshima Peace Memorial, Japan
- > Exploring the interplay between sport, health and culture in New Zealand's Australasian society
- > Understanding freedom of speech through the examples set in the Netherlands and Denmark
- > Heading to the Galápagos Islands and inland Ecuador to study the relative impacts of evolution and culture on human behaviour
- > Patrolling the Mediterranean on an Italian police vessel as you study the Italian justice system

Exchanges

Spend a semester overseas at a foreign university such as Hanze University of Applied Sciences, Netherlands; Soka University, Japan; or Ulster University, Northern Ireland. Experience a different culture, see the world and meet new people.

Our professors lecture at universities and conferences around the world. International professors may visit your class to share their academic expertise and culture with you. Guest lecturers have included Dr. Jorge Yamamoto from Pontifical Catholic University of Peru and Dr. Karen Stuart, University of Cumbria, UK.

Competitions and conferences

Extracurricular activities can be out of town! Business students have travelled to Boston, Guatemala, Halifax, Philadelphia, Vermont and Victoria. Justice Studies students visit New Orleans to attend the Alpha Phi Sigma National Convention and Leadership Conference. And the annual Kin Games competition has Kinesiology students travelling across Canada.

"My experience in Northern Ireland really changed how I view the world. I was a homebody, now I'm ready to take on the world! I want to explore every inch of Ontario, Canada, Europe... It instilled a type of confidence that I might not have otherwise."

> Montana M., Justice Studies graduate

Locations Visited

"Study abroad was unforgettable! I was fortunate enough to travel to Thailand and Japan. Each trip had its own uniqueness that built my self-confidence and I learned new things about myself. I am using those experiences to inspire my future and create change."

> Veronica C., Early Childhood Studies, 4th year

Law School: City, University of London partnership

The University of Guelph-Humber and The City Law School, City, University of London have partnered to offer you a prime law school opportunity. Earn a senior status law degree in only two years following completion of your honours degree.

- > Eligible for admission with a competitive average
- > No LSAT
- > Reduced tuition

Study in London, England, where the largest law firms in the world are located. The Graduate Entry LLB (Hons) program attracts students from all over the world—many from Canada. Follow in the footsteps of renowned alumni such as Mohandas Karamchand Gandhi, Margaret Thatcher and Tony Blair.

Student Services

Take advantage of our small size to get all the support you need for success.

Support

Life as a University of Guelph-Humber student means being part of a close-knit community.

Here, it's about people

Our small student population means we'll know you in the Student Services office and you'll have easy access to assistance for all your first-year needs. Every program has an Academic Advisor, Field Placement Coordinator and Career Services Coordinator. We're here to help with:

- > Transitioning to university life
- > Meeting other students
- > Financial advice
- > Course selection
- > Placement services
- > Career planning
- > Student employment

You can also rely on current students who work alongside staff and are trained to help you. These senior students are knowledgeable about the resources available to you. They offer you a student perspective and understand your needs.

Seek out:

- > Career Support Peers
- > Computer Support Assistants
- > First Year Experience (FYE) Leaders
- > Learning Support Peers
- > Research Support Peers
- > Student Transition and Resource Team (START) Leaders

Careers start here

You can launch your career starting in year one with career staff to guide you and provide one-on-one assistance. We are here to help you:

- > Build confidence
- > Clarify your goals
- > Develop professional skills
- > Search for jobs and network
- > Succeed in placement

"Working as a Social Media Assistant on campus provided me with the qualifications for an internship at Viral Nation. Upon graduation, they offered me a full-time position."

> Vanessa S., Media Studies graduate

Well-being

For health issues, personal matters, academic assistance and other support, reach out to our campus services, including:

- > Accessible Learning Services
- > Dental services
- > LGBTQ+ resources
- > Massage and spa relaxation
- > Mental health resources
- > Nurses and medical assistance
- > Peer tutoring
- > Personal counselling

Services at your fingertips

You have a community to rely on, whatever your needs:

- > Aboriginal Resource Centre
- > Accounting Centre
- > Bookstore
- > Child Care Centre
- > Food Emporium
- > Learning Commons (study areas)
- > Library
- > Math Centre
- > Media Equipment Centre
- > Practice Presentation Rooms
- > Writing Centre

Services are provided by the University of Guelph-Humber or Humber. More information can be found at guelphhumber.ca/futurestudents.

Public safety

Your safety is paramount. Campus Security patrols the campus 24 hours a day, 7 days a week.

The Campus Walk program provides a walking partner for anyone who wishes to be accompanied to their vehicle, residence or elsewhere on campus.

The Humber Guardian app provides quick access to campus safety and security resources and emergency contacts.

“Being a work-study student allowed me to create the perfect balance as I was able to study, work and have fun all in one location. The work-study schedule allowed me to come in during my breaks between classes and use my time efficiently.”

> Arshpreet C., Business graduate

Campus Life

Build your skills and socialize by participating in activities on campus.

First-year students' programs and events

We want you to make the most of your university experience by participating in programs designed for you as a first-year student to meet people and get acquainted with the University.

First Year Experience (FYE) Program: Connect online with your FYE Leader throughout the summer to ease your transition to university. You meet other first-year students in your program, online and at Orientation. Mentoring and support from FYE Leaders continues through your first year.

Easy Start Transition Program: Provides new students with disabilities with resources and information to assist in transitioning to postsecondary studies. You can explore services, learn about accessing academic accommodations and meet returning students registered with Accessible Learning Services.

Kick Start: This one-day program-specific event in July helps you and your family prepare for university through information sessions and hands-on activities.

Orientation: Connect with other incoming students at this fun, students-only, official welcome to life at the University. We'll get you set for classes and show you how to get involved and be successful.

Clubs

Clubs are social, cultural or interest-based and can change year to year. If you don't find what you're looking for you can start your own!

Societies

Societies are related to our seven academic programs and offer a realm of activities outside of class with a focus on your field of interest. They can help you develop leadership skills, gain professional experience and network.

- > Accounting Council
- > Advertising & Marketing Association
- > Alpha Phi Sigma
- > Business Council
- > Consulting Association
- > DECA
- > ECS Society
- > Entrepreneurs Society
- > FCSS Society
- > Finance Society
- > GuHu Media
- > International Business Association
- > Kinesiology Society
- > Pre-Law Society
- > Psi Chi
- > Psych Society
- > Women in Business

Student government

Interested in the political life and advocating for your fellow students? Consider becoming active in student government, such as Ignite or the University of Guelph Senate.

Build a Co-Curricular Record (CCR) to demonstrate to employers that you have hands-on experience and skills learned outside the classroom. Your CCR lists your participation in University clubs, societies, student government and other co-curricular activities.

Agora Fellowship

Be a part of The Agora Fellowship: a select group of students who discuss ideas and themes from renowned books in a regular forum led by Assistant Vice-Provost George Bragues. Build your extracurricular experience and embark on a (subsidized) field trip as an Agora Fellow.

Soka Education Research Initiative on Global Citizenship

Join a global research project—the first of its kind in Canada—led by Family and Community Social Services Program Head, Dr. Paul Sherman. Explore how to nurture human potential and happiness for the greater benefit of humankind through the study of Soka (value creating) education and global citizenship.

"My involvement with Ignite really allowed me to explore my full potential and work with excellent people who are experts in their field."

> Maja J., Ignite President 2017-18/Kinesiology graduate

Active Living

Whether you prefer individual workouts, recreational play, competitive sports or watching from the sidelines, there's something for everyone's definition of active.

Athletic Centre

As a University of Guelph-Humber student, you have access to the Athletic Centre on campus, which offers:

- > Aerobic studio
- > Gymnasiums
- > Multi-purpose sports fields
- > Weight and cardio room

Recreational sports

Take a break from class. Enjoy your favourite activities. Try something new.

- > Arboretum trails
- > Boot camp
- > Extramural leagues
- > Intramural leagues
- > Urban pole walking
- > Yoga
- > More!

Varsity athletics

Compete against other universities and colleges in the province and throughout the country. You can try out for either the University of Guelph Gryphons or Humber Hawks. For more information, visit University of Guelph Athletics at gryphons.ca or Humber Athletics at humberhawks.ca.

30 REWARDS

32 TUITION, FEES & OTHER COSTS

Scholarships & Tuition

Let us help you achieve your goals.

Rewards

Scholarships, bursaries and awards are a great way to support your educational expenses. Our Student Financial Services team can help you navigate your financial needs.

Renewable Entrance Scholarship \$2,000-\$5,000

- > High school applicants (Canadian citizen, permanent resident or protected person)
- > Automatically considered

Entrance award levels (Year 1)

Scholarship	Final Admission Average
\$5,000	90% or above
\$4,000	85-89.9%
\$3,000	80-84.9%
\$2,000	75-79.9%

Successful applicants will receive an estimate of their entrance scholarship included in their offer of admission. Your official scholarship will be based on your final admission average.

Renewal (Years 2, 3 & 4)

- > Renewable for three years after admission
- > Automatically considered for each renewal year

Scholarship Renewal Amount	Average in fall and winter semesters before year of renewal
\$3,000	90% or above
\$2,000	85-89.9%
\$1,000	80-84.9%

You can be a recipient of both the Founders' Academic Merit Scholarship and the Renewable Entrance Scholarship, for a possible total of \$34,000 over four years of full-time study!

Founders' Academic Merit Scholarship

\$20,000

- > 10 available each year
- > Minimum 90% admission average
- > Must demonstrate high academic achievement and superior leadership ability and potential
- > Each recipient eligible to receive \$5,000 per academic year over four years of full-time study for a total of \$20,000
- > Must be entering postsecondary studies for the first time
- > Apply online by February 28, 2019 at guelphhumber.ca/futurestudents

Specialist High Skills Major Entrance Award

\$500

- › Must have completed one of the applicable Specialist High Skills Majors (SHSMs)*
- › Minimum final admission average of 80%
- › High school applicants only
- › Automatically considered (but your guidance counsellor must confirm your SHSM has been completed when uploading your admission grade data)

* Applicable SHSMs: Arts and Culture; Business; Health and Wellness; Information and Communications Technology; Justice, Community Safety & Emergency Services; Non-profit; Sports.

Registrar's Need-Based Entrance Bursary

\$2,000

- › Based on financial need
- › Available to applicants who have never attended postsecondary and are Canadian citizens, permanent residents or protected persons
- › Apply at guelphhumber.ca/futurestudents by April 15, 2019

For a student population of 4,900 we allocate up to \$5.8 million annually for scholarships, awards and bursaries!

International Student Entrance Scholarship

\$2,000-\$5,000

- › Available to high school or transfer applicants who are not a Canadian citizen, permanent resident or protected person
- › Automatically considered
- › Grades converted to the Canadian equivalent to determine your final admission average, if applicable

Scholarship	Final Admission Average
\$5,000	90% or above
\$4,000	85-89.9%
\$3,000	80-84.9%
\$2,000	75-79.9%

For full details and conditions for all of our entrance scholarships, bursaries and awards, please visit guelphhumber.ca/futurestudents.

How to find additional funding

- › Research government programs, such as the Ontario Student Assistance Program (ontario.ca/osap)
- › Look into scholarships offered by employers of your family and friends
- › Search online for websites that promote scholarships for postsecondary education based on a range of factors (not only academics)

In-course awards

Check online at guelphhumber.ca/futurestudents to see our full range of awards:

- › Academic merit scholarships
- › Need-based bursaries
- › Community involvement
- › Volunteerism
- › Leadership scholarships

Tuition, Fees & Other Costs

University is an investment in your future. Knowing the costs can help you plan ahead and meet your goals.

Domestic (Canadian) tuition and fees

Item	Each Semester	Total Academic Year
Tuition (based on program)	\$4,728 (Business) \$3,384 (All other programs)	\$10,376 (Business) \$7,688 (All other programs)
Student Fees	\$460	

Residence

Item	Total Academic Year
Single-style Room	\$6,380
On-campus Meal Plan	\$2,350 (Small) \$2,850 (Medium) \$3,400 (Large)

International tuition and fees

Item	Each Semester	Total Academic Year
Tuition (based on program)	\$12,141 (Business) \$11,045 (All other programs)	\$25,202 (Business) \$23,101 (All other programs)
Student Fees	\$460	

Payment timeline

The University of Guelph-Humber operates on a semester billing system to help you spread out the cost of tuition over two semesters.

All values are estimates only based on 2018-19 rates and therefore subject to change. Other fees/costs may apply. For a complete list of fees, visit guelphhumber.ca/futurestudents.

Other expenses

Everyone's needs vary. Below is a list of estimated costs for education-related expenses. Use those that apply to you to help estimate your financial needs.

Item	Total Academic Year
Books	\$1,000
Parking Permits	\$418-\$578
Public Transit	\$940-\$1,200

IMPROVE LIFE.

University of Guelph

You're not a number.
You're a Gryphon.

The University of Guelph exists to Improve Life. Our faculty, staff and students alike are committed to it. So, the question to ask as you consider a postsecondary education at one of Canada's leading comprehensive universities is a simple one: How do you hope to improve life after you graduate?

Going to university isn't just about getting a degree or a job. It's also about coming into your own as a person. That's what it means to join us as a Gryphon. The academics? First-rate and intriguing. The professors? Powerful and thought-provoking. Your fellow students? The most wonderful, good-natured people you'll ever share a wood-oven pizza with. And the atmosphere? Like being part of a community that you make complete. Everything is connected to improving the lives and careers of our students and 155,000+ alumni worldwide and, in turn, improving life on this planet.

Degree Programs

- > Bachelor of Applied Science
- > Bachelor of Arts
- > Bachelor of Arts and Sciences
- > Bachelor of Bio-Resource Management
- > Bachelor of Commerce
- > Bachelor of Computing
- > Bachelor of Engineering
- > Bachelor of Landscape Architecture
- > Bachelor of Science
- > Bachelor of Science in Agriculture
- > Bachelor of Science in Environmental Sciences
- > Doctor of Veterinary Medicine

Careers

University of Guelph graduates are doctors, engineers, researchers, marine biologists, technology developers, marketers, agri-producers, food technologists, restaurant owners, not-for-profit world changers, CPAs, MBAs, football players, registered nurses, dietitians, teachers, artists and writers, Olympians, entrepreneurs, scientists, and good people living good lives in Canada and around the world.

Campus Experience

Over 20,000 full-time students choose U of G every year. Over 3,000 of them choose co-op programs, 16,000 plus participate in intramural sports and lifestyle programs at our outstanding facilities, and every first-year student is guaranteed residence* with a variety of options. The U of G campus experience always ranks among Canada's best - and even our food service is ranked #1 (again).

* Residence is guaranteed for all semester one students provided they apply and submit their \$750 deposit by June 3, 2019.

Location

Located less than 40 minutes west of the GTA just off the 401: The City of Guelph, population 133,000+, is ranked among the best places to live and work in Canada, boasts a beautiful downtown and supports an outstanding, active lifestyle. Express GO Bus access into and out of the GTA is available on campus.

How to Apply

All applicants can begin their applications in early October 2018. The online form is available at ouac.on.ca.

Canadian high school students are encouraged to apply by **January 16, 2019** to be considered for all rounds of admission. Transfer and international students should visit admission.uoguelph.ca for specific application deadlines.

36 APPLICANT TYPES & DEFINITIONS
37 HOW TO APPLY
38 HIGH SCHOOL APPLICANT
ADMISSION REQUIREMENTS
38B TRANSFER PATHWAYS

Application & Admission Requirements

Choose one of our seven focused academic programs.

Applicant Types & Definitions

Select your applicant type based on your education.

For each applicant type, admission requirements may vary.

Applicant Type	Description	Details	Application Deadline
Ontario High School (101 application)	You attended high school full-time in Ontario in 2018-19 and have not completed any postsecondary studies.	Refer to pages 36-38	January 16, 2019
Out of Province High School (105 application)	You are currently attending a high school in Canada, outside of Ontario, on a full-time basis and have not completed any postsecondary studies.	Refer to pages 36-38A	January 16, 2019
International (105 application)	You have studied at a high school and/or postsecondary institution outside of Canada.	Please visit guelphhumber.ca/futurestudents	March 1, 2019
High School Graduate, Home-schooled or Mature (105 application)	Applicant types not identified above.	Please visit guelphhumber.ca/futurestudents	January 16, 2019
Transfer (105 application)	You have attended a recognized university or college.	Refer to page 38B	Dates vary. See guelphhumber.ca/futurestudents

Admission average: For high school applicants, your admission average is calculated using your top six 4U/M courses (or equivalent), including your subject requirements. This average is calculated using the most current grade data at the time we send you an offer of admission.

Repeated courses, summer school, night school and correspondence: The University will use the highest grade reported for grade 12 courses taken at a Ministry-approved school prior to June 2019, regardless of format.

Deferrals: Considered on a case-by-case basis for high school applicants. Please contact Admission Services.

English language requirements: You will be required to provide proof of English proficiency if English is not your first language and you have studied less than four years in an English language school (minimum high school level). Please refer to the chart below for acceptable tests and scores. Test results must be less than two years prior to your application.

Test	Minimum Required Score
CAEL	Minimum overall band score of 70.
IELTS	Minimum overall score of 6.5 with no band less than 6.
MELAB	Minimum overall score of 85 including composition score of 83 and oral score of 3.
PTE	Minimum overall score of 60 with no score less than 60 in the individual components.
TOEFL	Internet-based: minimum total score of 89 with no individual scaled score less than 21. Institutional code is 0892.

Advanced Placement (AP)

Advanced Placement exam results of four or more may qualify for university credit to a maximum of 2.0 credits (four courses). Official transcripts are required.

International Baccalaureate (IB)

If you are applying with an IB diploma, you should present a minimum academic score of 24. Reported bonus points will be taken into consideration. You should complete the diploma with six subjects: three higher level and three standard level. You should also include the specific subject requirements for the program to which you are applying among your higher and standard levels. Please note that Math Studies is an acceptable prerequisite for programs that require math. You should ensure that your predicted scores are submitted using the seven-point scale. Once we have received your official final IB transcript, we will assign transfer credit.

Ontario high school applicants: Ontario high school students registered in an IB program will automatically have their IB courses converted into Ontario U- and M-level equivalents. IB scores will be converted into percentage grades by your high school. You are eligible to receive a maximum of 2.0 credits for grades of 5 or better on higher level courses. Admission and scholarships will be determined using the conversions as submitted.

How to Apply

Applicants using the 101 application

1. Check admission requirements

Verify your admission requirements for your program of interest on page 38.

2. Apply online by the deadline

Go to the Ontario Universities' Application Centre (OUAC) website, ouac.on.ca, to complete your application by **January 16, 2019**. The OUAC website provides you with video tutorials about how to apply, FAQs and other resources.

Getting started

You will be given an OUAC PIN from your guidance counsellor to use when applying online.

Choose your program(s)

University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application.

If you select more than one program at UofGH

If you apply to more than one program at the University of Guelph-Humber, you will be considered for all programs to which you apply. You are encouraged to list your program choices in order of preference. If you wish to change the order of your UofGH application choices after submitting your application, you must do so through the OUAC before April 15, 2019.

After You Apply

Check your email!

Shortly after you apply, you will receive a confirmation email from the University acknowledging your application and linking you to more information about what comes next.

Offers of admission

If you receive an offer of admission, the offer will appear on your OUAC account and you will receive an email and offer package in the mail from the University. To accept your offer, do so online at ouac.on.ca by **June 3, 2019**.

Offers of admission are sent out between January and the end of May. All high school applicants will receive a decision on their application by May 29, 2019.

Applicants using the 105 application

1. Check admission requirements

Verify your admission requirements for your program of interest based on your applicant type.

2. Apply online by the deadline

Go to the Ontario Universities' Application Centre (OUAC) website, ouac.on.ca, to complete your application by the respective deadline. The OUAC website provides you with video tutorials about how to apply, FAQs and other resources.

Getting started

You will create a user profile on ouac.on.ca to start the application process.

Choose your program(s)

University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application.

If you select more than one program at UofGH

If you apply to more than one program at the University of Guelph-Humber and you have never attended postsecondary studies, you will be considered for all programs to which you apply. You are encouraged to list your program choices in order of preference. If you wish to change the order of your UofGH program choices after submitting your application, you must do so through the OUAC before April 15, 2019.

Transfer applicants please visit guelphhumber.ca/futurestudents for details.

3. Additional document submission

Transcripts and other documents

You will be required to submit transcripts. Other documents may also be required. Details will be sent to you via email after applying.

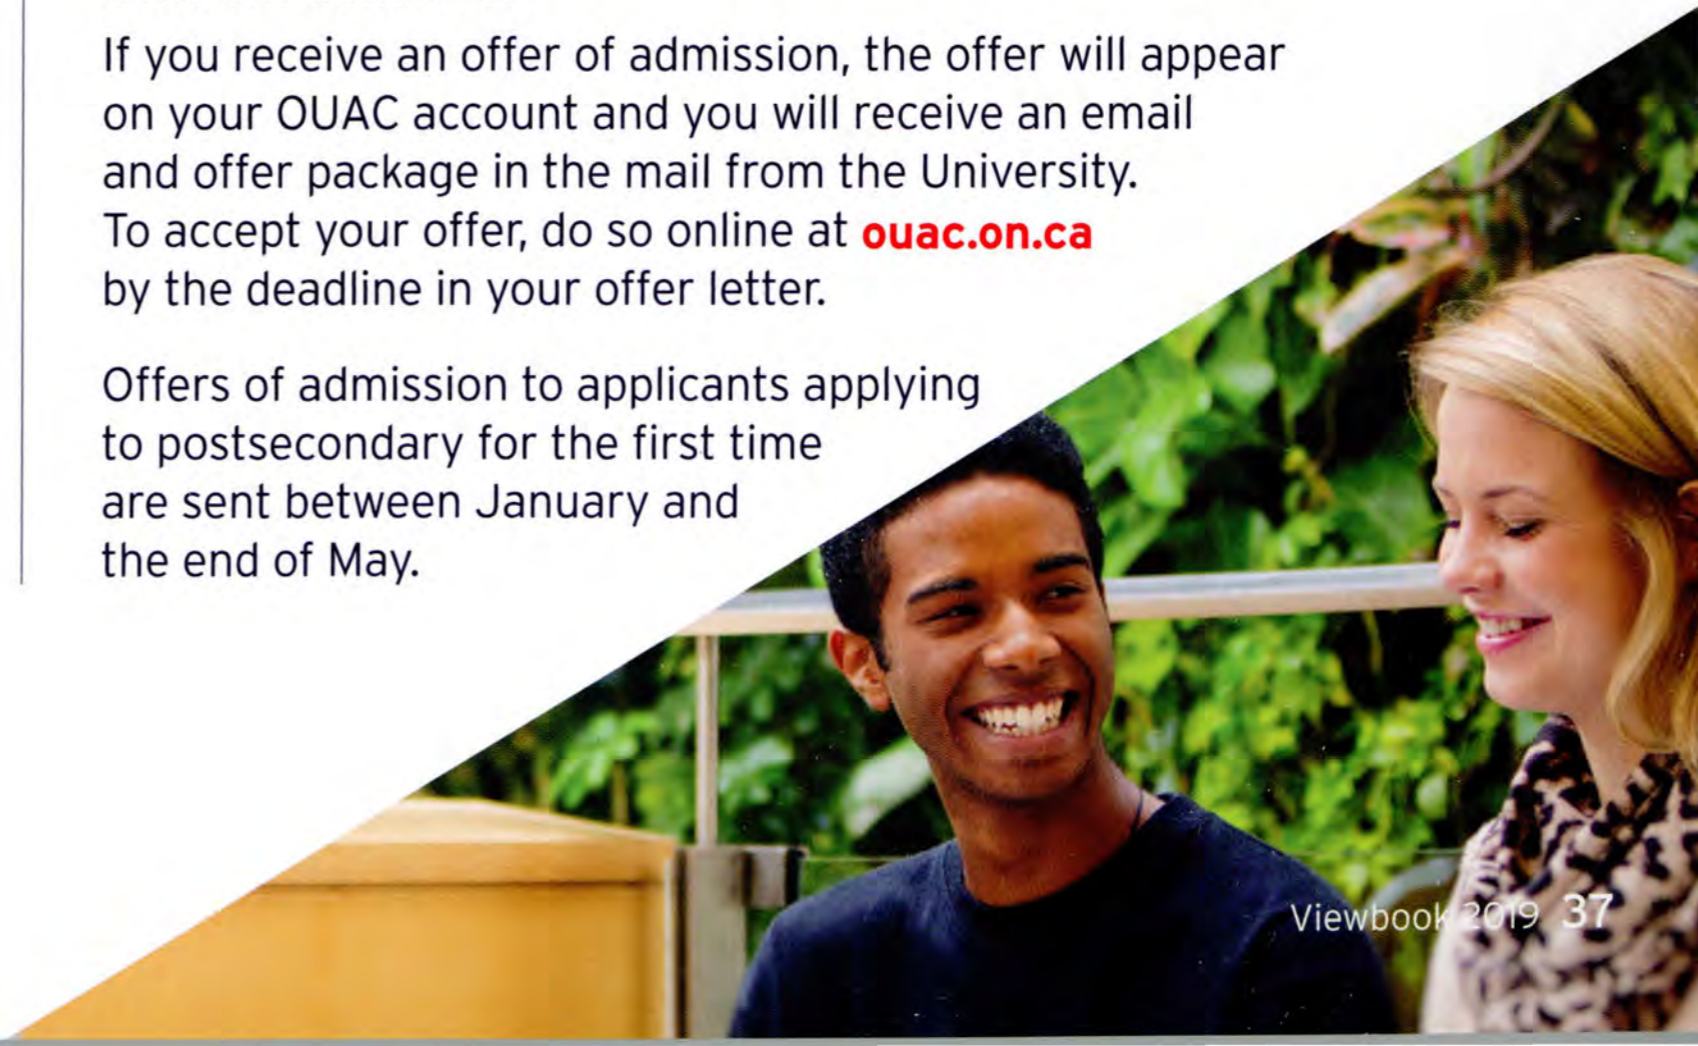

Check your email!

You will receive a confirmation email and a login and password to WebAdvisor, our online student system. Your WebAdvisor account lists any documents we require for an admission decision.

Offers of admission

If you receive an offer of admission, the offer will appear on your OUAC account and you will receive an email and offer package in the mail from the University. To accept your offer, do so online at ouac.on.ca by the deadline in your offer letter.

Offers of admission to applicants applying to postsecondary for the first time are sent between January and the end of May.

High School Applicant Admission Requirements

Admission average estimated cut-off range

Estimated cut-off ranges are based on the admission averages from previous years and are provided solely as a point of reference. Exact cut-offs for the current cycle will be determined by the quantity and quality of applications received and the number of places available in the respective program. Admission to the University of Guelph-Humber can be competitive. Possession of an admission average within the estimated cut-off range does not guarantee an offer of admission.

Student Profile (optional supplemental information)

The Student Profile (SP) is your opportunity to tell us about factors that may have impacted your grades. If your admission average does not meet the cut-off for the program to which you have applied, your SP may be considered if your average is within a discretionary range of the determined cut-off range (up to 5%). If you have an admission average of 70-74.9%, it is strongly recommended that you submit a SP to be considered for admission. Profiles must be completed online at guelphhumber.ca/futurestudents and are due **May 1, 2019**.

Supplementary Information Form for Students with Disabilities (optional supplemental information)

The University of Guelph-Humber strives to provide equal opportunity for academically qualified students with disabilities. If you believe that your admission average does not reflect your true academic ability as a result of a disability, you are encouraged to complete the Supplementary Information Form for Students with Disabilities (SIF-D) available online at guelphhumber.ca/futurestudents. It will be considered along with your marks in determining admission. If you have an admission average of 70-74.9%, it is strongly recommended that you submit a SIF-D to be considered for admission. The deadline is **May 1, 2019**.

Ontario Applicants

To be considered for admission, you must:

- > Be completing your Ontario Secondary School Diploma (OSSD), and
- > Be completing six 4U/M courses, including the subject requirements noted in the chart below. This will be used to calculate your admission average.

Program	OUAC Code	Subject Requirements	Estimated Cut-off Range
Business	GDB	> ENG4U > any 4U math > four additional 4U/M courses	75-80%
Early Childhood Studies	GHE	> ENG4U > five additional 4U/M courses	75-80%
Family and Community Social Services	GHF	> ENG4U > five additional 4U/M courses	75-80%
Justice Studies	GMP	> ENG4U > five additional 4U/M courses	75-80%
Kinesiology	GHK	> ENG4U > any 4U math > any two from SBI4U, SCH4U, SPH4U or PSK4U > two additional 4U/M courses	75-80%
Media Studies	GMT	> ENG4U > five additional 4U/M courses	75-80%
Psychology	GMA	> ENG4U > five additional 4U/M courses	75-80%

Please note: (a) The non-academic component of 4U/M co-op courses is not considered for admission requirements. (b) Courses valued at 1.5 credits or greater will be considered equivalent to one credit. (c) The University will only accept courses approved by the Ministry of Education.

Grades: Your grades will automatically be sent to the University as data is received by the OUAC.

Advanced Placement and International Baccalaureate: Page 36.

English language requirements: Page 36.

Out of Province Applicants

To be considered for admission, you must:

- > Be completing your secondary school diploma and
- > Meet the respective admission requirements for your province, including subject requirements (BC, AB and MB see chart below, other provinces please visit guelphhumber.ca/futurestudents)

	British Columbia	Alberta	Manitoba
Admission Requirements	> four acceptable academic grade 12 courses, inclusive of subject requirements.	> five courses numbered 30 or 31 with weight of 5, inclusive of subject requirements.	> five full credits at senior level 4, with a minimum of three 40S courses, inclusive of subject requirements.
Program and OUAC Code	Subject Requirements	Subject Requirements	Subject Requirements
Business (GDB)	> English 12 > one of Pre-Calculus 12, Calculus 12 or Foundations of Math 12	> English 30-1 > one of Math 30-1, Math 30-2 or Math 31	> English Language Arts 40S > one of Pre-Calculus 40S, Calculus 45A or 45S, or Applied Math 40S
Early Childhood Studies (GHE)	> English 12	> English 30-1	> English Language Arts 40S
Family and Community Social Services (GHF)	> English 12	> English 30-1	> English Language Arts 40S
Justice Studies (GMP)	> English 12	> English 30-1	> English Language Arts 40S
Kinesiology (GHK)	> English 12 > one of Pre-Calculus 12, Calculus 12 or Foundations of Math 12 > any two from Biology 12, Chemistry 12 or Physics 12	> English 30-1 > one of Math 30-1, Math 30-2 or Math 31 > any two from Biology 30, Chemistry 30 or Physics 30	> English Language Arts 40S > one of Pre-Calculus 40S, Calculus 45A or 45S, or Applied Math 40S > any two from Biology 40S, Chemistry 40S or Physics 40S
Media Studies (GMT)	> English 12	> English 30-1	> English Language Arts 40S
Psychology (GMA)	> English 12	> English 30-1	> English Language Arts 40S

Transcripts: You must arrange to have your most current transcript, inclusive of completed and in-progress grade results sent to Admission Services by **April 15, 2019**. While British Columbia has automatic electronic submission of grades, they will not arrive in time for our admission decision, so BC applicants should have their school mail official transcripts.

Transcripts must be submitted in a sealed envelope from the originating institution.

Our address is: Admission Services
University of Guelph-Humber
207 Humber College Blvd
Toronto, ON M9W 5L7

Please note: Documents submitted in support of an application become the property of the University and will not be returned. Documents are protected under provincial privacy legislation.

Advanced Placement and International Baccalaureate: Page 36.

English language requirements: Page 36.

International Applicants

International applicants are individually assessed on country-specific requirements.

Please check your requirements at guelphhumber.ca/futurestudents.

Your application and documents are due **March 1, 2019**.

Transfer Pathways

Explore our transfer pathways for applicants with previous college or university education. All of our offers of admission include a Transfer Credit Assessment so you know at the time of acceptance how much transfer credit you will receive.

For a complete breakdown of program information and deadlines, please visit guelphhumber.ca/futurestudents or request a copy of our printed 2019 Transfer Applicant Guide.

College Block Credit Transfer Pathways

Our college block credit transfer pathways allow you to move seamlessly with your college diploma into our honours degree programs. Please view the chart below to determine which diplomas will reduce your time towards your degree!

This is a great option if:

- > You are in your final year of diploma completion or have a completed diploma from an Ontario college, and
- > Your diploma is granted by a recognized institution, and
- > You have a minimum cumulative average of 75%

Program	Eligible Diploma/Pathway	Format	Entry
Business	Accounting; Business Administration; Finance; Management; Management and Entrepreneurship; or Marketing	Full-time, on campus	Fall
Early Childhood Studies	Early Childhood Education	Full-time, on campus Part-time, fully online Part-time, hybrid	Fall
Family and Community Social Services	Child and Youth Care; Child and Youth Worker; Developmental Services Worker; or Social Service Worker	Full-time, on campus Part-time, fully online Part-time, hybrid	Fall
Justice Studies	Community and Justice Services; Law and Security Administration; Paralegal; Police Foundations; or Protection, Security and Investigation	Full-time, on campus	Fall
Kinesiology	Fitness and Health Promotion; Fitness and Lifestyle Management*; or Health, Wellness and Fitness	Full-time, on campus	Spring
Media Studies	Advertising and Marketing Communications/Management; Broadcasting; Digital Communications; Image Arts/Photography; Journalism; Media Communications; or Public Relations	Full-time, on campus	Fall
Psychology	General Arts and Science	Full-time, on campus	Fall

*Certificate of the same name is not accepted.

General Transfer Pathway

If you have a degree, diploma or coursework from a college or university not referenced in the chart above, you may be eligible for admission and transfer credit into one of these four programs:

- > Business
- > Justice Studies
- > Media Studies
- > Psychology

Your completed postsecondary coursework will be assessed for relevance and credit awarded where applicable.

Note: If you have both college and university coursework, then you should speak with Admission Services regarding admission requirements and transfer credit assessment.
