UNIVERSITY OF  
**GUELPH**  
HUMBER

TORONTO, CANADA

more

in 4

years

## We Acknowledge

The University of Guelph-Humber and Humber College are located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the “Place of the Black Alders” in the Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario lakeshore and the Lake Simcoe/ Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

The University is a 40-minute drive from downtown Toronto.

3 million people in the City of Toronto

One of the most multicultural cities in the world

More than 200 languages are spoken by residents

3<sup>rd</sup> largest tech hub in North America

Largest city in Canada and 4<sup>th</sup> largest city in North America

## The University of Guelph-Humber is in northwest Toronto adjacent to the Humber River and 100 hectares of parkland.

Toronto is a dynamic place to live and learn. The Greater Toronto Area is home to seven million people, one-sixth of Canada's population; nearly half of that population is made up of residents from around the world.

Attending university in Canada's cultural, economic and business centre will play an important role in your program opportunities.

Our campus is close to urban and rural destinations.

Explore Toronto and get to know its neighbourhoods! Visit local tourist attractions, including the CN Tower, Royal Ontario Museum, Ripley's Aquarium of Canada, Kensington Market, Scotiabank Arena, Black Creek Pioneer Village, Art Gallery of Ontario, Toronto Zoo, St. Lawrence Market, Distillery District and Niagara Falls (two hours away).

Where else can you experience festivals celebrating food, music and people from other countries within a few city blocks? Your choices for recreation off campus are unlimited, with large- and small-scale facilities and venues for sports, music, theatre and art.

# Choose the University of Guelph-Humber

## Honours degree + diploma

We offer seven university honours degree programs. You will earn an honours degree from the University of Guelph and a diploma from Humber College Institute of Technology & Advanced Learning; all in four years.

## Workplace experience

Every program at the University of Guelph-Humber focuses on academic theory and practical skills, including workplace experience built into your program.

## Expert faculty

Our professors teach and continue to be involved in their field to offer you current perspectives and knowledge, and connect you to professionals. Our small classes allow you to interact with your professors in or outside of class time to get your questions answered and help when needed.

## Community

With only 4,900 students at the University, you'll be a part of a close-knit group of students, staff and professors. Our average class size is 49 students. You'll be recognized on campus and welcomed!

## Support

As an international student, far from home, there are many adjustments for you in addition to starting university studies. You have a team of people here for you, and our small size makes it easy for you to get the support you need, when you need it.

# Who We Are

The University of Guelph-Humber is one institution that combines all the best things about a university and a college in Canada.

## University of Guelph-Humber

Founded in 2002, the University of Guelph-Humber is a collaboration between the University of Guelph and Humber College Institute of Technology & Advanced Learning (Humber). You study in one location, the University of Guelph-Humber campus, and are taught by professors from both renowned institutions. In your four years of study, you will earn an honours degree from the University of Guelph and a diploma from Humber because the curriculum employs the learning that leads to each of these postsecondary accomplishments, concurrently.

## University of Guelph

The University of Guelph is ranked as one of Canada's top comprehensive universities, with top marks in student experience.

Their 14 degree programs focus on areas of business, arts, sciences, and engineering and technology. The University attracts over \$163 million in annual research funding. Everyone who studies, explores, plays, teaches and works at the University of Guelph is committed to one simple purpose: to improve life—in all its aspects.

First-rate, intriguing academics and connected, thought-provoking professors. More than 90% of students are employed within six months of graduation. Located in Guelph, Ontario, Canada, more than 26,900 students call U of G home.

## Humber College Institute of Technology & Advanced Learning

For over 50 years, Humber has been a global leader in polytechnic education, emphasizing career-focused learning.

With 33,000 full-time students, including over 6,500 international students, Humber is the largest college in Canada, with three state-of-the-art locations.

Humber has more than 200 full-time programs and a wide range of credentials across a variety of areas of interest with a focus on incorporating current industry trends and teaching practical problem-solving skills. They offer 20 varsity teams and 50+ student clubs.

Humber takes pride in their alumni success and are with you all the way.

UNIVERSITY  
of GUELPH

 HUMBER

# Graduate with Experience

Being an expert in your field means not only understanding the academics but also the hands-on application of your knowledge.

## Workplace experience

Every honours degree program has required work placement hours that are built into your regular course of study. You'll be supported by your Field Placement Coordinator to help with your success. This ensures you will graduate with workplace experience that will guide your career decisions.

## Undergraduate research opportunities

If research interests you, get to know the many research opportunities inside and outside of class. Get paid and conduct research as a Research Assistant with faculty funded by the University's Research Grant Fund.

- Apply classroom knowledge
- Develop skills in conducting lab research and data collection
- Contribute to research publications

## Hands-on learning

Each program has unique courses and labs that allow you to engage in practical study, in class, to apply your knowledge and gain professional skills in your field.

## Study abroad

Through instructor-guided study tours, you experience concepts discussed in class. Because all study abroad courses are partially funded by the University, the opportunities are within reach.

## A step ahead

After graduation, take advantage of our partnerships for further education:

- LLB with The City Law School (London, England)
- LLM with University of London (distance learning)
- MSc in Management with the University of Guelph (Guelph, Ontario)

# Business

Acquire your biggest asset: a firm foundation in global business practices that gives you a competitive advantage.

more  
in

## HONOURS BACHELOR OF BUSINESS ADMINISTRATION

from the University of Guelph

## DIPLOMA IN BUSINESS ADMINISTRATION

from Humber

### Focused academic program

Learn how to market goods, fund a business, lead others, work ethically, think big and collaborate, but above all, focus on your career objectives. Get introduced to a range of different business areas and discover where your interests lie. Our program combines an in-depth knowledge of the business world with the hands-on skills necessary to lead and succeed.

Choose to focus your studies in one of six areas of emphasis (listed below) or select a variety of courses.

- Accounting
- Finance
- International Business
- Management
- Marketing
- Small Business Management and Entrepreneurship

### Start dates

January 2023 or September 2023

### First-year courses include:

- Business Communications
- Business Law
- Business Statistics
- Introduction to Financial Accounting
- Macroeconomics
- Marketing

### Workplace experience

Up to **520 hours** (minimum 100 hours) of workplace experience is required of every student.

### Sample careers and further education

- Accountant (CPA)
- Chartered Financial Analyst (CFA)
- Data Analyst
- Management Consultant
- Marketing Coordinator
- Operations Analyst
- Tax Specialist
- Wealth Management Associate
- Master of Business Administration
- Master of Science in Management
- Master of Marketing
- Master of Finance
- Law School

Note: Some careers and entry into further education may require additional study.

# Community Social Services

Contribute in a meaningful way to improving lives and changing society.

more  
in

## HONOURS BACHELOR OF APPLIED SCIENCE IN COMMUNITY SOCIAL SERVICES

from the University of Guelph

## SOCIAL SERVICE WORKER DIPLOMA

from Humber

### Focused academic program

Explore current social issues and understand the challenges faced by vulnerable populations so you can deliver impactful services. You may choose to focus on one of two areas of emphasis: Mental Health & Addictions or Youth & Families.

You will:

- Understand human behaviour and issues related to individuals, families and groups
- Learn theory and techniques in counselling, case management, crisis intervention, professional issues and work with various client populations
- Graduate with important skills—how to listen, professionalism, cultural awareness, compassion, and self-care

### First-year courses include:

- Couple & Family Dynamics
- Interpersonal Communication Skills
- Principles of Sociology
- Issues in Advocacy & Social Justice
- Social Work in Canada

### Workplace experience

You are required to complete up to **800 hours** of supervised workplace experience.

Note: You will be required to complete a Vulnerable Sector Screening prior to each placement.

### Sample careers and further education

- Addictions Coordinator
- Community Support Worker
- Crisis Counsellor
- Family Support Coordinator
- Hospice Support Worker
- Intensive Behaviour Therapist
- Mental Health Worker
- Residential Youth Worker
- Social Worker
- Bachelor of Social Work
- Master of Social Work
- Bachelor of Education
- Master of Arts in Public Policy & Administration
- Master of Arts in Critical Disability Studies
- Law School
- Master of Education in Counselling Psychotherapy

Note: Some careers and entry into further education may require additional study.

# Early Childhood Studies

Learn how to support children individually, as well as work with their families, schools and the community.

more  
in

## HONOURS BACHELOR OF APPLIED SCIENCE IN EARLY CHILDHOOD STUDIES

from the University of Guelph

## DIPLOMA IN EARLY CHILDHOOD EDUCATION

from Humber

### Focused academic program

Our program focuses on the physical, social, emotional and cognitive development of young children and their interaction with the world around them.

The curriculum includes children with exceptionality, infant and children's mental health, therapeutic play, leadership and interprofessional collaboration. You will learn to assess children's learning; support and educate children in a meaningful way; understand how to create interventions; and know how to work with children in a variety of settings.

### First-year courses include:

- Children & Play
- Early & Middle Childhood Development
- Health & Safety in Early Childhood Settings
- Infant & Toddler Development
- Principles of Sociology
- University Writing Skills for Early Childhood Studies

### Workplace experience

You are required to complete more than **800 hours** of workplace experience. Placement starts in your first year!

Note: You will be required to complete a Vulnerable Sector Screening, documentation of immunization and a First Aid/CPR certificate prior to placement.

### Sample careers and further education

- Play Therapist
- Speech & Language Pathologist
- Autism Therapist (IBI/ABA)
- Child & Family Therapist
- Children's Rights Advocate
- Family Support Supervisor
- Research & Policy Analyst
- Master of Education
- Master of Science in Child Life & Pediatric Psychosocial Care
- Master of Social Work
- Master of Arts in Child Study & Education

Note: Some careers and entry into further education may require additional study.

# Justice Studies

Prepare for a future in the justice field in private, institutional or community settings.

more  
in

## HONOURS BACHELOR OF APPLIED SCIENCE IN JUSTICE STUDIES

from the University of Guelph

## DIPLOMA IN COMMUNITY AND JUSTICE SERVICES OR POLICE FOUNDATIONS

from Humber

### Focused academic program

Throughout your four years, you will be exposed to the Canadian justice system. Build key skills required in any area of justice such as critical thinking, research and how to write effectively.

In your first two years, you build a foundation in justice and related fields and learn about various services and how they are delivered, such as counselling, conflict resolution, forensics and policing.

In your second year, you decide which diploma to pursue, either Community and Justice Services or Police Foundations.

Years three and four move on to advanced courses that immerse you in issues such as ethics; equality; rights and freedoms; youth and the law; and criminology.

### First-year courses include:

- Crime & Criminal Justice
- Introduction to Law
- Introduction to Police Powers
- Provincial Legislation
- Public Sector Management

### Workplace experience

Unique to our justice program, you are required to complete at least **200 hours** of community service placements in your second and third years, experiencing two justice agencies/organizations.

Note: You may be required to complete a Vulnerable Sector Screening and/or Criminal Reference Check prior to placement.

### Sample careers and further education

- Anti-terrorism Analyst
- Corporate Investigator
- Victim Services Worker
- Crime Analyst
- Police Officer
- Anti-money Laundering Investigator
- Research Analyst
- Master of Arts in Criminology
- Law School
- Master of Public Administration
- Master of Arts in Political Science

Note: Some careers and entry into further education may require additional study.

# Kinesiology

Turn your passion for health and wellness into a career in kinesiology and influence the future of sport and healthcare.

more  
in

## HONOURS BACHELOR OF APPLIED SCIENCE IN KINESIOLOGY

from the University of Guelph

## DIPLOMA IN FITNESS AND HEALTH PROMOTION

from Humber

### Focused academic program

Learn how the body works, how to make it work better, what causes health issues and how to prevent illness. Develop a strong scientific and theoretical background and apply this knowledge to healthy populations, elite athletes, individuals with chronic diseases and people with physical challenges.

Confidently apply yourself in any environment, such as health promotion, fitness, rehabilitation, coaching and research. In the first two years of the program, you learn the fundamentals of the human body. In the third and fourth years, your courses focus on performance and clinical applications of exercise and nutrition theory, and health and fitness assessment.

### First-year courses include:

- Biochemistry & Metabolism I
- Cell Biology
- Health Counselling & Behaviour Change
- Human Anatomy I & II
- Human Physiology I
- Introductory Mathematics for Kinesiology

### Workplace experience

You are required to complete **87 to 241 placement hours** during your final two years. All students have an on- and off-campus placement in third year.

In your fourth year, choose either (a) an off-campus placement and an independent research study or (b) complete a research thesis project in a lab setting.

Note: You will be required to complete a First Aid/CPR certificate and may be required to complete a Vulnerable Sector Screening and documentation of immunization prior to placement.

### Sample careers and further education

- Registered Kinesiologist
- Certified/Clinical Exercise Physiologist
- Certified Pedorthist
- Rehabilitation Therapist
- Master of Science in Physical Therapy
- Master of Science in Occupational Therapy
- Master of Arts in Health Promotion
- Bachelor of Nursing
- Master of Science
- Master of Public Health
- Chiropractic College
- Medical School

Note: Some careers and entry into further education may require additional study.

# Media and Communication Studies

Learn how to communicate and use a range of media platforms to meet tomorrow's needs.

more  
in

## HONOURS BACHELOR OF APPLIED ARTS IN MEDIA AND COMMUNICATION STUDIES

from the University of Guelph

## DIPLOMA IN MEDIA COMMUNICATIONS

from Humber

### Focused academic program

Prepare to plunge into a rapidly changing industry and develop essential media skills. Learn the historical, social, cultural and ethical contexts of media and explore emerging trends. Get introduced to key media disciplines and study the communication theories and perspectives that form the foundation of effective media practice. Study governance, policy and legal issues. Build a range of hands-on skills and learn to think critically and to work in a team environment.

### Specializations

Following your second year, you will choose one of five specializations to direct your studies.

- Digital Marketing & Social Media
- Media Management & Analytics
- Multimedia Journalism
- Public Relations
- Visual Communication

### First-year courses include:

- Journalism & Digital Storytelling
- Marketing & Public Relations
- Writing & Research
- Freedom, Rights & Media

### Workplace experience

After third year, you are required to complete **240 hours** of workplace experience.

### Sample careers and further education

- Brand Manager
- Communications Coordinator
- Content Creator
- Experiential Marketer
- Media Buyer/Analyst
- Publicist
- Radio/TV Broadcaster
- Social Media Strategist
- VR/AR Creator
- Master of Arts in Communications
- Master of Arts in Media Production

Note: Some careers and entry into further education may require additional study.

# Psychology

Examine theories and research exploring human thought, feeling and behaviour.

more  
in

## HONOURS BACHELOR OF APPLIED SCIENCE IN PSYCHOLOGY

from the University of Guelph

## DIPLOMA IN GENERAL ARTS AND SCIENCE

from Humber

### Focused academic program

Discover how psychology influences our daily life and society, then find your niche. Study behaviour, cognition, emotion and mental health. Explore the processes and factors that shape who we become by studying topics such as development and aging, culture and diversity, psychotherapy and neuroscience.

A minimum of 70 percent of your core courses will be psychology courses. Your first two years introduce you to key concepts. In years three and four, your courses will become more focused and offer experiential learning opportunities. Your final year offers the option to complete an honours seminar or thesis.

You have the option to pursue one of three certificates (as part of your regular study) in years three and four:

- Intercultural Relations
- Organizational Behaviour
- Research Skills and Analysis

### First-year courses include:

- Developmental Psychology I
- Modern & Contemporary Philosophy
- Principles of Anthropology
- Principles of Sociology
- Writing for Psychology

### Workplace experience

In your third year you are required to complete at least **100 hours** of workplace experience.

Note: You may be required to complete a Vulnerable Sector Screening prior to placement.

### Sample careers and further education

- Addiction Counsellor
- Behaviour Therapist
- Group Facilitator
- Psychologist
- Psychotherapist
- Masters/PhD in Psychology
- Medical School
- Master of Arts in Counselling Psychology
- Master of Science in Neuroscience

Note: Some careers and entry into further education may require additional study.

**NAVEEN V.**  
BUSINESS, 4<sup>th</sup> YEAR

Completed high school in Canada and grew up in Dubai, UAE.

“

**Find your passions and pursue them.**

**@GH**

- International Business Association (Society), President
- Student Services Support Peer
- Placement hours completed at iA Financial Group

**Take advantage of the close-knit GH community to connect with other students and professors who have the professional experience and knowledge that you can learn from. At the risk of sounding cliché, get involved on campus. Join a society or work for one of the many university departments, you never know what doors may open in the future.**

**Stay open minded and ever ready to learn. When things get overwhelming, it can help to reflect on your journey so far.**

”

# Study in Toronto

## Diverse and inclusive

You may be new to Toronto, but we know you will find friendly faces, familiar food and culture, and new friends to make your move welcoming and easier to transition. Our campus in northwest Toronto is surrounded by residential areas with cultural communities.

Toronto's ethnic neighbourhoods include:

- Chinatown
- Little Italy
- Little Portugal
- Greektown
- Koreatown
- Little India

## Climate: The essentials

Get ready to enjoy four seasons. With Lake Ontario close by, much of our Toronto weather is milder than other areas of Ontario.

### 4 distinct seasons

 **Spring:** mid-March to May  
10°C to 20°C (some rain)

 **Summer:** June to August  
20°C to 30°C (humid)

 **Fall:** September to November  
7°C to 20°C

 **Winter:** December to mid-March  
-15°C to 2°C (snow, sunny)

## Transportation

The University of Guelph-Humber is on Humber's North Campus in northwest Toronto.

Arrive steps from our front door. Ten bus routes from four different transit systems that cross the Greater Toronto Area stop in the transit terminal loop on campus and connect to major transit centres.

## Study & Co-op Permits

A Study Permit is required for anyone studying in Canada for longer than six months. You also need a Co-op Work Permit in order to complete the required workplace experience hours for your degree. Processing times vary per country. Please allow enough time to obtain both permits.

Please visit the Government of Canada, Immigration and Citizenship website, [cic.gc.ca](https://cic.gc.ca), to learn how to obtain a Study Permit and a Co-op Work Permit for your university education. Please become aware of global travel advisories and country entry requirements.

## Post-Graduation Work Permit

After graduating from a program that meets the requirements, you can apply for a Post-Graduation Work Permit (PGWP), which may be issued for a duration equivalent to the length of your program or up to a maximum of three years.

For more information, visit:

[canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/after-graduation/eligibility.html](https://canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/after-graduation/eligibility.html)

# Admission Requirements

## Secondary School Applicants

### To be considered an international applicant:

- ▶ You currently live outside of Canada, and
- ▶ You are not a Canadian citizen or permanent resident, and
- ▶ You are not currently attending a Canadian secondary school day program (in Canada or abroad)

### To be considered for admission you must fulfill the three following criteria:

1. Subject requirements
2. Country-specific admission requirements or international certification requirements
3. English proficiency requirements

The secondary school graduation certificate which would admit you to an internationally recognized university in your home country is normally acceptable for admission to the University of Guelph-Humber.

Possession of the minimum admission requirements does not guarantee admission.

For all international admission details, visit [guelphhumber.ca/futurestudents/international-apply](https://guelphhumber.ca/futurestudents/international-apply).

## Subject requirements

You should include among your senior level courses, the following subject-specific requirements at the advanced level.

Program	Subject Requirements
Business	<ul style="list-style-type: none"><li>• Senior level English</li><li>• Senior level math</li></ul>
Community Social Services	<ul style="list-style-type: none"><li>• Senior level English</li></ul>
Early Childhood Studies	<ul style="list-style-type: none"><li>• Senior level English</li></ul>
Justice Studies	<ul style="list-style-type: none"><li>• Senior level English</li></ul>
Kinesiology	<ul style="list-style-type: none"><li>• Senior level English</li><li>• Senior level math</li><li>• Two senior level sciences: biology, chemistry or physics</li></ul>
Media and Communication Studies	<ul style="list-style-type: none"><li>• Senior level English</li></ul>
Psychology	<ul style="list-style-type: none"><li>• Senior level English</li></ul>

## English proficiency requirements

If your first language is not English, or if you have completed less than four years of study in English at the secondary (or postsecondary) level, then you are required to submit proof of English proficiency.

Please refer to the chart (below) for acceptable tests and scores.

You will receive an email with detailed instructions (after you apply) if you are required to demonstrate English proficiency as part of your application.

Accepted Test	Competence Level
CAEL	70 on Language Assessment
Cambridge English	C1 Advanced and C2 Proficiency. Minimum overall score of 176 with no band less than 169.
Duolingo English Test	110 (subscores may be considered)
IELTS	6.5 with no band less than 6
PTE	Minimum overall score of 60 with no score less than 60 in the individual components.
TOEFL	Internet-based: minimum total score of 89 with no individual scaled score less than 21. Institution code is 0892.

Successful completion of the University of Guelph, Open Learning Advanced Level of the English Language Certificate Program (Levels 9 and 10) is considered an acceptable form of proving your English proficiency. Visit [guelphhumber.ca/futurestudents/english-language-requirements](https://guelphhumber.ca/futurestudents/english-language-requirements) for details.

## Country-specific admission requirements

You are individually assessed based on the country where you completed your secondary school studies. Find a complete list of country-specific requirements at [guelphhumber.ca/futurestudents/international-credentials](http://guelphhumber.ca/futurestudents/international-credentials).

### REQUIREMENTS FOR COMMON INTERNATIONAL CURRICULUM

#### American

You will be considered based on an unweighted cumulative GPA from a regionally accredited secondary school. Key admission requirements include:

- Minimum 2.7 GPA and individual subject requirements of your program of interest
- Advanced Placement (AP) courses will be considered, and successful completion of AP courses with exam results of 4 or more may qualify applicants for university transfer credit
- SAT/ACT scores optional

#### General Certificate of Education (GCE)

- Minimum of two Advanced Level passes and three GCSE or IGCSE (Ordinary Level) passes
- Two Advanced Subsidiary (AS) Level courses may be substituted for one Advanced Level Course
- A minimum grade of 'B' or 6 grade on GCSE/IGCSE, AS and predicted Advanced Level examinations with a minimum of five unique subject areas

#### International Baccalaureate (IB)

- You should present a minimum score of 24
- Reported bonus points will be taken into consideration
- You should complete the IB Diploma with six subjects: three Higher Level and three Standard Level inclusive of specific subject requirements. Any Higher or Standard Level mathematics course is an acceptable prerequisite for programs that require math.
- IB applicants are considered for transfer credit, where applicable, to a maximum of 2.0 credits for grades of 5 or better on Higher Level courses where you have been awarded the IB Diploma or DP Course

#### India

- Class 12 Boards Exam Certificate is required and predicted scores will be used as available with a minimum average of 75%
- Early admission decisions can be made based on verified 10th Standard Board results accompanied by predicted Class 12 grades listed by subject from the school
- If applying to Business or Kinesiology and you do not have 12th Standard Math, conditional offers can be made based on completion of one of the following math courses: MDM4U, MHF4U or MCB4U at [www.ilc.org](http://www.ilc.org) with a minimum 70%

## Transfer Applicants

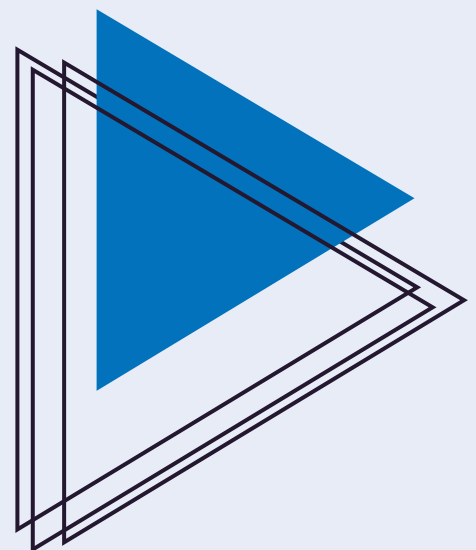

Please contact Admission Services to discuss your academic history and transfer options.

- Email: [international@guelphhumber.ca](mailto:international@guelphhumber.ca)
- Book an appointment to speak with us online: [guelphhumber.ca/visitus](http://guelphhumber.ca/visitus)

As an applicant with previous postsecondary education, you will be evaluated based on completion of your secondary school credential and all completed postsecondary studies once your application and documents are received. We highly recommend that you have your international credentials evaluated prior to applying to determine how your credentials will be recognized in Canada. Credentials can be evaluated through World Education Services at [wes.org](http://wes.org). Fees may apply.

For all international admission details, visit [guelphhumber.ca/futurestudents/international-apply](http://guelphhumber.ca/futurestudents/international-apply).

# How to Apply

## 1. Submit an application

Review the admission requirements for the degree program you are interested in. Admission requirements are based on the country where you completed your high school studies.

[guelphhumber.ca/futurestudents/international-apply](https://guelphhumber.ca/futurestudents/international-apply)

Submit your application through **one** of three online options:

- ▶ Ontario Universities' Application Centre (OUAC)  
[ouac.on.ca](https://ouac.on.ca)
- ▶ Our website  
[guelphhumber.ca/futurestudents/international-apply](https://guelphhumber.ca/futurestudents/international-apply)
- ▶ The Common Application  
[commonapp.org](https://commonapp.org)

Application and document evaluation fees apply.

## 2. Submit required documents

After we receive your application, Admission Services will email you a login and password for your UofGH online student account. This account allows you to check the status of your application and monitor required documents. Please check this account regularly.

Documents to submit for admission consideration:

### a) Official transcripts (required)

Please have your School Counsellor or Administrator send your official secondary school transcript and any other required documents to [international@guelphhumber.ca](mailto:international@guelphhumber.ca) by the document deadline.

Your transcript must include all completed and in-progress or predicted grades at the senior level. You will need to arrange to have your final official transcript sent by email from your school or through a credential verification organization.

### b) Proof of English proficiency (may be required)

Please see details on page 14.

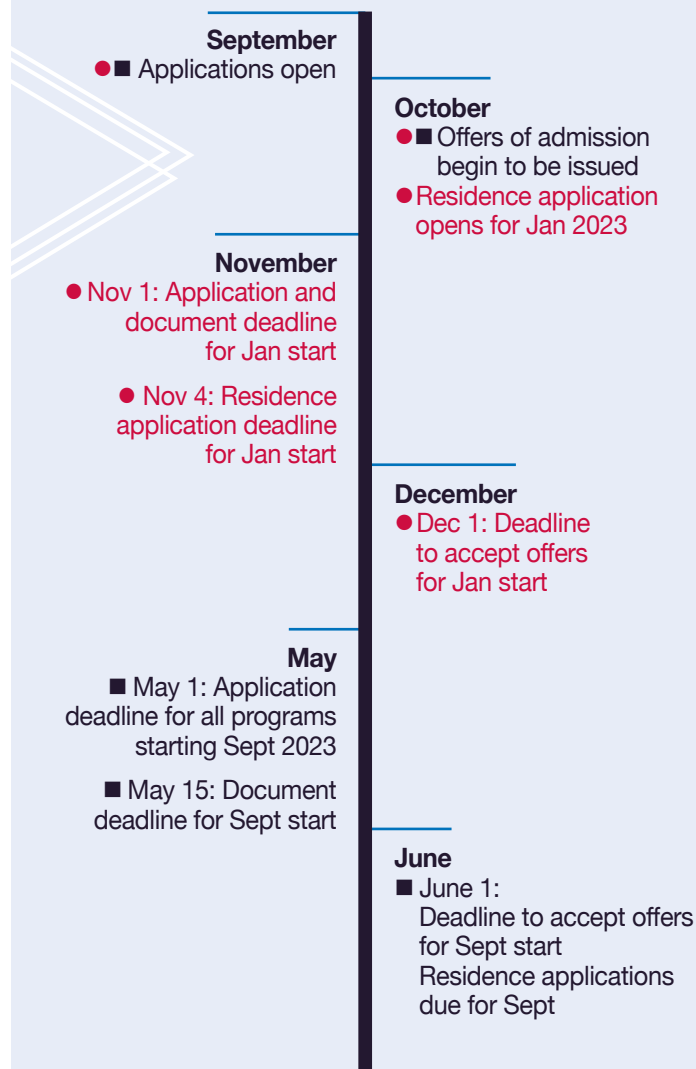

Note: Documents submitted in support of an application become the property of the University and will not be returned. Documents are protected under Ontario provincial privacy legislation.

## 3. Track your application

Check your UofGH online account often for document requirements, application status, and other updates.

### Application Timeline

- **Business only, Jan 2023 applicants**
- **All programs, Sept 2023 applicants**

### Offers of Admission

Offers of admission are made on a rolling basis throughout the admission cycle. Your offer will include a scholarship estimate, visa information documents, and the conditions of your admission where applicable. You can proceed with your study and co-op permit applications using a conditional offer.

# Financial Information

## Scholarships

### International Student Entrance Scholarship

Up to CAD 20,500 (over 4 years)

- First-year award ranges from **CAD 2,000 to 8,500** based on final admission average
- Available to applicants who are entering postsecondary studies for the first time and who are paying international student tuition and fees
- Automatically considered
- Grades converted to the Canadian equivalent to determine your final admission average, including subject requirements

Successful applicants will receive an estimate of their entrance scholarship included in their offer of admission. Your official scholarship will be based on your final admission average.

#### Renewal (Years 2, 3 & 4)

- Receive an award of **CAD 4,000** when your previous year's average (before year of renewal) is 80% or above and you have a full-time course load
- Eligible for renewal for three years after admission
- Automatically considered for each renewal year
- If you do not qualify in one year, you will not be considered for future years

### Transfer Student Entrance Scholarship

CAD 2,000–5,000

As a transfer applicant for a full-time program, you are automatically considered for the Transfer Student Entrance Scholarship.

### In-class scholarships and bursaries

The University of Guelph-Humber offers in-class scholarships, awards and bursaries that international students are eligible for.

Check our website for full details on scholarships and awards.

## Tuition and other costs

Item	Cost (Academic Year)
Tuition (full-time study)	
Business	\$34,839
Other programs	\$30,318
Student fees	\$1,057
International student health insurance	\$420
Residence (single-style room)	\$7,396
Meal plan (required for residence)	\$2,350 (regular) \$2,850 (medium) \$3,400 (large)
Books	\$1,300

All monetary values are in Canadian dollars. All values listed are estimates only based on 2022-23 rates and therefore subject to change. Other fees/costs may apply.

Visit our website for more information on tuition and fees.

## Funding your education

### Work while you study

Interested in working while you are a student in Toronto?

The University of Guelph-Humber hires students for many roles. Campus jobs are flexible around your class schedule.

You may qualify to work off campus with another company or organization. If you qualify, your study permit will allow you to:

- Work up to 20 hours per week during regular school semesters, and
- Work full-time during scheduled breaks, such as the winter and summer holidays.

### External funding

You are encouraged to explore additional funding opportunities available through your home country or high school. Look for merit-based scholarships, bursaries and educational loans.

# Housing

## On campus

### Why you want to live here:

- As a student living for the first time in on-campus housing, you will have a single room
- Your room is a two-minute walk from the University
- Choose from themed floors, such as co-ed and extended study
- Choose your dining plan (three sizes available)
- Dining plans accepted at the residence dining hall and food service outlets across campus
- Two shared kitchens can be used for cooking at home
- Spend your spare time in the recreational space, exercise room or at Residence Gym Nights in the Athletic Centre on campus
- Make friends with students from both the University of Guelph-Humber and Humber
- Laundry in the building
- Many social events
- Wi-Fi included in rooms

### Apply

You can apply for an on-campus residence room once you have an offer of admission. International applicants are issued a “preferred status” for securing their room booking (for your first year in residence), however residence cannot be guaranteed.

### Deadline to apply

Residence for January 2023: **Nov 4, 2022**

Residence for September 2023: **June 1, 2023**

For more information, visit [guelphhumber.ca/futurestudents/living-commuting](https://guelphhumber.ca/futurestudents/living-commuting).

“ Living in residence helped me foster a sense of independence and a strong connection to GH. I made so many friends (including my future roommates!) and had the chance to get involved on campus right from first year.

Casiah C., Psychology graduate 2022

Sample of what a single room looks like.

# Life on Campus

## Societies

Societies are related to our seven academic programs and offer a range of activities outside of class with a focus on your field of interest. They can help you develop leadership skills, gain professional experience and network.

**I was fortunate to become the President of the Women in Business society in my second year. My favourite part was meeting so many people—building relationships with other society executives, staff advisors and business professionals.**

Brooklyn W., Business graduate

## Student government

Interested in the political life and advocating for your fellow students? Consider becoming active in student government, such as IGNITE or the University of Guelph Senate.

## Clubs

Clubs are social, cultural or interest-based and can change from year to year. Clubs are the best way to meet people who share your passions. If you don't find what you're looking for you can start your own! We've had clubs for games, pies, dancing, grilled cheese, music, sustainability, various cultures and more.

## Events and social activities

The International Centre hosts events and trips specifically for international students to help meet people and get to know Toronto and local culture. You can also participate in the many UofGH student events planned by Student Life, societies, clubs and programs.

## Athletic Centre

As a University of Guelph-Humber student, you have access to the Athletic Centre on campus, which offers:

- Aerobic and group fitness studios
- Community pool
- Gymnasiums
- Multi-purpose sports fields
- Weight and cardio room
- Recreational sports leagues
- Other off-campus activities

## Varsity athletics

Compete against other universities and colleges in the province and throughout the country. You can try out for either the University of Guelph Gryphons ([gryphons.ca](http://gryphons.ca)) or the Humber Hawks ([humberhawks.ca](http://humberhawks.ca)).

# Student Support

## Your UofGH support team

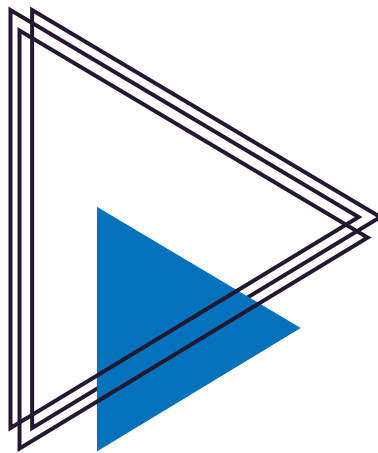

Throughout your four years, you have a team to rely on.

- Academic Advisors
- Field Placement Coordinators
- Career Services Coordinators
- Program Heads and Assistant Program Heads
- Student Life Coordinators
- Student Financial Services
- Liaison Librarians

You can also rely on current students who work alongside staff and are trained to help you. They are knowledgeable and offer you a student perspective.

Seek out:

- Career Support Peers
- Computer Support Assistants
- First Year Experience (FYE) Leaders
- Learning Support Peers
- Student Services Support Peers
- Student Transition and Resource Team (START) Leaders

## International Centre

Turn to dedicated International Student Advisors at the International Centre for assistance on:

- Student life in Canada
- Immigration advising
- Work permit application
- Study permit extensions
- Transitioning to life in Canada
- Local trips and community events

## First-year students' programs and events

We want you to make the most of your university experience by participating in programs designed for you as a first-year student to meet people and get acquainted with the University. Opportunities include:

### ► First Year Experience (FYE) Program

Mentoring and support from current students; meet other first-year students in your program

### ► Easy Start Transition Program

Explore accessibility support services; learn about accessing academic accommodations and meet other students

### ► Orientation

Connect with other students; get set for classes and campus life

## Careers start here

Launch your career in your first year of university with career staff to guide you and provide one-on-one assistance. We are here to help you:

- Build confidence
- Clarify your goals
- Develop professional skills
- Search for jobs and network
- Find your placement
- Apply to graduate school

Rely on us to help you get the most out of your placement. Participate in career exploration and skill-building workshops and events, such as CareerQuest Tours, CliftonStrengths, alumni mentorship, program-specific career fairs and LinkedIn training sessions.

## Your safety

Your safety is paramount. Canada is the sixth safest country in the world and Toronto is ranked sixth for safety as well.

On campus, our dedicated 24-hour security team is one part of our safety resources, which include a Campus Walk program. Enjoy peace of mind as you study, hang out with friends and live in residence.

## Services for you

As a University of Guelph-Humber student, you are part of our close-knit university community, but also part of Humber's 20,000-student population on campus. Take advantage of both worlds! The support services and resources made available by Humber are yours, too.

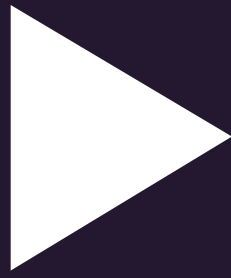

For health issues, personal matters, academic assistance and other support, reach out to our campus services, including:

- Accessible Learning Services
- Accounting Centre
- Black Student Support and Engagement
- Campus Store
- Centre for Urban Ecology
- Dental services
- Indigenous Education & Engagement
- International Centre
- LGBTQ+ Resource Centre
- Library
- Math & Writing Centre
- Mental health resources
- Nurses and medical assistance
- Peer tutoring

“**Career and Placement Services help students prepare for the professional world with resumé and cover letter support, mock interviews and suggestions to help set you apart from other competitive candidates. It makes a big difference when applying and/or interviewing for your next endeavour, whether it be academic or professional.**”

Anthony M., Kinesiology graduate
