## Land Acknowledgement

The University of Guelph-Humber and Humber College are located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the “Place of the Black Alders” in the Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario lakeshore and the Lake Simcoe/ Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

- 30** Scholarships & Tuition
- 36** Admission Requirements
- 47** Tours & Events

**In 2022, we celebrate 20 years of pioneering education.**

**The University of Guelph-Humber was the first in Ontario to offer an opportunity for students to earn both a university honours degree and diploma in four years of full-time study in one location. As a partnership between the University of Guelph and Humber College ITAL, the constant throughout has been the pairing of academic theory and practice, with workplace experience built into every program. Our history and our future is about preparing students for success.**

**We welcome you as you explore our community, and hope you will soon be a part of it as a student and soon enough a part of a proud, growing alumni family.”**

## Workplace experience

You will graduate with workplace experience that will guide your career decisions. Every honours degree program has required work placement hours that are built into your regular course of study. You'll be supported by your Field Placement Coordinator to help with your success.

▶ **100 to  
850 hours**  
of placement

## Current expert knowledge

Our professors/instructors keep one foot in the classroom and one in their field to offer you current perspectives and knowledge, and connect you to professionals.

## Research as an undergraduate

If research interests you, get to know the many research opportunities inside and outside of class. Get paid and conduct research as a Research Assistant with instructors funded by the University's Research Grant Fund.

- Apply classroom knowledge
- Develop skills in conducting experiments, research and data collection
- Contribute to research publications

“

**My Justice Studies placements were a valuable opportunity to network and reinforce where my career interests lie. I built on the skills I learned in class, and I now have a ton of experience on my resumé.”**

## Study abroad

Through instructor-guided study tours, you experience concepts discussed in class. Because all study abroad courses are partially subsidized by the University, the opportunities are within reach.

**You may also be eligible for a study abroad travel grant, ranging from \$1,500 to \$2,500.**

Past highlights include:

- Going to outdoor classrooms in Odense where children interact with nature: an example of Denmark’s unique contribution to child development
- Exploring the interplay between sport, health and culture in New Zealand’s Australasian society

- Understanding freedom of speech through the examples set in the Netherlands and Denmark
- Heading to the Galápagos Islands and inland Ecuador to study “eco-psychology” —the attitudes, perceptions and behaviour of people toward the environment

## A future in law

After graduation, take advantage of our partnerships to study law in England. Earn a senior status law degree (LLB) with The City Law School in just two years, or a Master of Law (LLM) through distance learning with the University of London in one to five years (full- or part-time).

## HONOURS BACHELOR OF APPLIED SCIENCE IN COMMUNITY SOCIAL SERVICES

from the University of Guelph

## SOCIAL SERVICE WORKER DIPLOMA

from Humber

### Focused academic program

Explore current social issues and understand the challenges faced by vulnerable populations so you can learn how to deliver impactful services.

Courses in your first year focus on understanding human behaviour and issues related to individuals, families and groups. In your second year, you will engage in theoretical and practical studies in counselling, ethical and professional issues, and working with various client populations. You may choose to focus on one of two areas of emphasis: Mental Health & Addictions or Youth & Families\*.

In your upper years, you will work with diverse groups and learn theory and techniques in areas such as family therapy, case management and crisis intervention.

Graduate with important skills in social services — how to listen, how to support someone, understanding boundaries, professionalism, cultural awareness, compassion, global citizenship and self-care.

### First-year courses

# Support

Life as a University of Guelph-Humber student means being part of a close-knit community.

## Your support team

You have a team to rely on. Every program has an:

- Academic Advisor
- Liaison Librarian
- Field Placement Coordinator
- Career Services Coordinator
- Program Head and Assistant Program Head

Our small student population means we'll know you in our student services offices and you'll have easy access to assistance for all your first-year needs. We're here to help with:

- Transitioning to university life
- Meeting other students
- Financial advice
- Course selection
- Career planning
- Volunteer opportunities
- Student employment
- Referrals to other support services

You can also rely on current students who work alongside staff and are trained to help you. These students are knowledgeable about the resources available to you. They offer you a student perspective and understand your needs. Seek out:

## ▶ Be 1 of 900 first-year students

With numbers like these, you have quick and easy access to support staff, resources, professors and classmates!

# Campus Life

Build your skills and social circle by participating in activities on campus.

## First-year students' programs and events

We want you to make the most of your university experience by participating in programs designed for you as a first-year student to meet people and get acquainted with the University.

### ► First Year Experience (FYE) Program

Mentoring and support from current students; meet other first-year students in your program

### ► Easy Start Transition Program

Explore accessibility support services; learn about accessing academic accommodations and meet other students

### ► Kick Start

Sessions to help you and your supporters prepare for university; topics include course selection, financial services and wellness supports

### ► Orientation

Connect with other students; get set for classes and campus life

### ► Swoop into Success Month

Activities/events to connect you to the campus community and prepare you for your first year

## Clubs

Run through IGNITE (our student government), clubs are social, cultural or interest-based and can change year to year. They are the best way to meet people who share your passions. If you don't find what you're looking for, you can start your own! We've had clubs for games, pies, dancing, grilled cheese, music, sustainability, various cultures and more.

## Societies

Societies are related to our seven academic programs and offer a realm of activities outside of class. They can help you develop leadership skills, gain professional experience and network.

# Applicant Types & Definitions

Select your applicant type (page 36).

For each applicant type, admission requirements may vary.

**Admission average:** For high school applicants, your admission average is calculated using your top six 4U/M courses (or equivalent), including your subject requirements. This average is calculated using the most current grade data available to us through the admission process.

**Admission average estimated cut-off range:** Estimated cut-off ranges are based on the admission averages from previous years and are provided as a point of reference. Exact cut-offs for the current admission cycle will be determined by the quantity and quality of applications received and the number of places available in the respective program. Possession of an admission average within the estimated cut-off range does not guarantee an offer of admission. If you have been educated outside of Canada, your eligibility will be assessed on an individual basis.

**Admission average calculation:** Offers are sent on an ongoing basis from December until the end of May, and applicants are assessed throughout those months (see table below). We recognize that curriculum delivery varies among school boards and some grade 12 mid-term and/or final grades may not be available before our final round of offers. We will continue to use grade 11 courses to supplement your required courses as needed. Your final grades, once received, must fulfill the conditions of your offer. All applicants will receive an admission decision by May 27, 2022.

Ontario and BC high school applicants can check the grade data sent through their OUAC account.

**Student Profile (optional):** The Student Profile (SP) is your opportunity to tell us about factors that may have impacted your grades. If your admission average does not meet the cut-off for the program to which you have applied, your SP may be considered in May if your average is within a discretionary range of the determined cut-off (up to 5%). If you have an admission average of 70–74.9%, it is strongly recommended that you submit a SP to be considered for admission. Profiles must be completed online at [guelphhumber.ca/futurestudents](http://guelphhumber.ca/futurestudents) and are due **May 1, 2022**.

**Supplementary Information Form for Students with Disabilities (optional):** You are encouraged to complete the Supplementary Information Form for Students with Disabilities (SIF-D) if you believe that your admission average does not reflect your true academic ability as a result of a disability.

If you have an admission average of 70–74.9%, or if your admission average does not meet the cut-off for the program to which you have applied, it is strongly recommended that you submit a SIF-D. Your SIF-D may be considered in May if your admission average is within a discretionary range of the determined cut-off (up to 5%).

Available online at [guelphhumber.ca/futurestudents](http://guelphhumber.ca/futurestudents). Deadline is **May 1, 2022**.

**Repeated courses, summer school, night school and correspondence:** The University will use the highest grade reported for grade 12 courses taken at a Ministry-approved school prior to June 2022, regardless of format.

**Deferrals:** Considered on a case-by-case basis for high school applicants. Application available in June; please visit [guelphhumber.ca/futurestudents/how-apply](http://guelphhumber.ca/futurestudents/how-apply) for detailed deferral information.

**English language requirements:** If your first language is not English, or if you have completed less than four years of study in English at the secondary (or postsecondary) level, then you are required to submit proof of English proficiency. Please refer to the chart (below) for acceptable tests and scores. Test results must be less than two years old prior to your application.

You will receive an email with detailed instructions (after you apply) if you are required to demonstrate English proficiency as part of your application.

Successful completion of the University of Guelph, Open Learning Advanced Level of the English Language Certificate Program (levels 9 and 10) is considered an acceptable form of proving your English proficiency. Visit [guelphhumber.ca/futurestudents/english-language-requirements](http://guelphhumber.ca/futurestudents/english-language-requirements) for details.

## Advanced Placement (AP)

Advanced Placement exam results of four or more may qualify for university credit to a maximum of 2.0 credits (four courses). Official transcripts are required.

## International Baccalaureate (IB)

If you are applying with an IB diploma, you should present a minimum academic score of 24. Reported bonus points will be taken into consideration. You should complete the diploma with six subjects: three Higher Level and three Standard Level. You should also include the specific subject requirements for the program to which you are applying among your Higher and Standard Levels. Please note that any Higher Level or Standard Level mathematics course is an acceptable prerequisite for programs that require math.

You should ensure that your predicted scores are submitted using the seven-point scale. You are eligible to receive a maximum of 2.0 credits for grades of 5 or better on Higher Level courses.

**Ontario high school applicants:** Ontario high school students registered in an IB program will automatically have their IB courses converted into Ontario U- and M-level equivalents. IB scores will be converted into percentage grades by your high school. Admission and scholarships will be determined using the conversions as submitted. You are eligible to receive a maximum of 2.0 credits for grades of 5 or better on Higher Level courses.

# Transfer Applicant Pathways

Are you considering college? Not sure if university is right for you? Keep in mind that transferring to the University of Guelph-Humber is an option. Read on for our transfer offerings.

For a complete breakdown of current program information and deadlines, please visit [guelphhumber.ca/futurestudents](http://guelphhumber.ca/futurestudents) or request a copy of our 2022 Transfer Applicant Guide.

## College Block Credit Transfer Pathways

Our college block credit transfer pathways allow you to move seamlessly with your college diploma into our honours degree programs. Please view the chart below to determine which diplomas will reduce your time towards your degree!

This is a great option if:

- ▶ You will have a completed diploma from an Ontario college, and
- ▶ Your diploma is granted by a recognized institution, and
- ▶ You meet the admission requirements (minimum 75% cumulative admission average) for the year you wish to start your studies

### Transfer credit

- Approximately 1 year of full-time study or 10 courses are equivalent to 5.0 credits
- Approximately 2 years of full-time study or 20 courses are equivalent to 10.0 credits

# Admission Requirements

## High School Graduate Applicant

To be considered for admission, you must:

- ▶ Have graduated from a Canadian high school, and
- ▶ Have not attended any postsecondary institution, and
- ▶ Have completed six or more 4U/M courses (or equivalent)

**Admission requirements:** Ontario applicants please refer to the chart on page 42.

Out of province applicants please refer to the admission requirements on page 44 or at [guelphhumber.ca/futurestudents](http://guelphhumber.ca/futurestudents).

**Admission average estimated cut-off range:**

The estimated cut-off range for all programs is 75–80%. For more information, refer to page 38.

**Student Profile and/or Supplementary Information Form for Students with Disabilities:**

To provide supplementary information to support your application, please see page 38 for details.

**Transcripts and documents:** You must arrange to have your high school transcript, any in-progress course transcripts and any other required documents sent to Admission Services by **April 15, 2022**.

Certain high schools in Ontario allow you to request your official high school transcript electronically from the Transcript Request section in the 105 online application. If your high school is not included in this service, you need to contact your school board to arrange for your official transcript to be sent directly to us. Please include your OUAC Reference Number on your transcript.

## Mature Applicant

To be considered for admission, you must:

- ▶ Have completed an Ontario Secondary School Diploma (or equivalent), and
- ▶ Be out of high school for more than two years, and
- ▶ Be unable to present six completed 4U/M courses (or equivalent), and
- ▶ Not have attended any postsecondary institution

**Admission requirements:** Your admission average will be calculated using a minimum of three 4U/M courses (or equivalent), including program-specific requirements which can be found at [guelphhumber.ca/futurestudents/mature-appl](http://guelphhumber.ca/futurestudents/mature-appl).

**Student Profile and/or Supplementary Information Form for Students with Disabilities:**

To provide supplementary information to support your application, please see page 38 for details.

**Other documents:** You are encouraged to write a letter explaining your activities since your last academic semester to be considered by the Admission Committee with your application.

**Transcripts:** You must arrange to have your high school transcript and any other required documents sent to Admission Services by **April 15, 2022**.

Certain high schools in Ontario allow you to request your official high school transcript electronically from the Transcript Request section in the 105 online application. If your high school is not included in this service, you need to contact your school board to arrange for your official transcript to be sent directly to us. Please ask to include your OUAC Reference Number on your transcript.

**Application timeline:** Refer to graphic on pages 40-41.

Note: Documents submitted in support of an application become the property of the University and will not be returned. Documents are protected under Ontario provincial privacy legislation.

# International High School Applicant Admission Requirements

To be considered an international applicant:

- ▶ You currently reside outside of Canada, and
- ▶ You are not a Canadian citizen or permanent resident, and
- ▶ You are not currently attending an Ontario high school day program (in Ontario or abroad)

Canadians studying outside of Canada will be evaluated based on the curriculum/credential they are completing.

**Admission requirements:** You are individually assessed based on the country where you completed your high school studies. Please check your country-specific requirements at [guelphhumber.ca/futurestudents](http://guelphhumber.ca/futurestudents). Your grades will be converted to the Canadian equivalent for admission consideration.

**Subject requirements:** You should include among your senior level courses, the following subject-specific requirements at the senior level.
