in 4 years

## We Acknowledge

The University of Guelph-Humber and Humber College are located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the “Place of the Black Alders” in the Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario lakeshore and the Lake Simcoe/ Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

**HONOURS BACHELOR OF APPLIED SCIENCE  
IN COMMUNITY SOCIAL SERVICES**

from the University of Guelph

**SOCIAL SERVICE WORKER DIPLOMA**

from Humber

## Focused academic program

Explore current social issues and understand the challenges faced by vulnerable populations so you can learn how to deliver impactful services.

Courses in your first year focus on understanding human behaviour and issues related to individuals, families and groups. In your second year, you will engage in theoretical and practical studies in counselling, ethical and professional issues, and working with various client populations. You may choose to focus on one of two areas of emphasis: **Mental Health & Addictions** or **Youth & Families**.

In your upper years, you will work with diverse groups and learn theory and techniques in areas such as family therapy, case management and crisis intervention.

Graduate with important skills in social services — how to listen, how to support someone, understanding boundaries, professionalism, cultural awareness, compassion, global citizenship and self-care.

## First-year courses

- Couple & Family Dynamics

# Your Support

A close-knit community.

## Here for you.

University has always been about personal growth. It's not just about academic studies. You are expanding your knowledge of the world at large, learning skills and evolving your identity.

## Program-specific

A team of experts is here to help with every aspect of your program.

Get help from your:

- Academic Advisor
- Field Placement Coordinator
- Career Services Coordinator
- Program Head and Assistant Program Head

## University life

Our small student population means you have easy access to services. We're here to help with:

- Transitioning to university life
- Meeting other students
- Financial advice
- Course selection
- Career planning
- Volunteer opportunities
- Student employment
- Referrals to other support services

Take advantage of student services to support your growth and enjoyment of your time with UofGH, be it related to physical, medical or mental health, personal matters, academic assistance or finding a supportive community.

## Careers start here

Start building your career in year one with staff to guide you and provide one-on-one assistance.

We are here to help you:

- Build confidence
- Clarify your goals
- Develop professional skills
- Search for jobs and network
- Find placement
- Apply to graduate school

Did we mention you get free Career Services support for life?

## Learn from alumni

As part of the Student-Alumni Mentorship Program you can partner with a graduate to receive advice and guidance from someone in your field who's been in your shoes.

# Campus Life

Get involved! Be informed!

## First year

Make the most of your university experience by participating in programs and events designed for you to meet people and get acquainted with the University. Don't miss:

- First Year Experience (FYE) Program
- Kick Start
- Orientation

## Societies, clubs, student government and more

Go beyond your classes. You have a tremendous opportunity to be a part of activities that motivate you—in societies, clubs, student government and other campus groups or event settings such as the Agora Fellowship, Soka Education Research Centre on Global Citizenship, Virtual Hedgefund and Bloom Gala.

A great way to meet people who share your passions. Whether your intention is to kick back and have fun or focus on worldly issues, doing things outside of class is a win-win.

## Athletics and recreation

Find your preferred sport or fitness activity at UofGH—recreational, intramurals or extramurals.

### Varsity athletics

Compete against other universities and colleges in the province and throughout the country. You can try out for either the University of Guelph Gryphons or Humber Hawks. For more information, visit University of Guelph Athletics at [gryphons.ca](http://gryphons.ca) or Humber Athletics at [humberhawks.ca](http://humberhawks.ca).

## Residence

Interested in living on campus? You can apply for residence once you receive an offer of admission. Residence applications for fall open online on **February 1, 2023**. First-time residents receive single-style rooms.

You'll be:

- Two-minutes from class
- Living among fellow UofGH and Humber students

Deadline to apply is **June 1, 2023**.

## Commuting

Need options for travelling to campus? Ten routes—TTC, MiWay, Brampton Transit, York Region—that cross the GTA stop in the transit terminal loop on campus. Check our web page for info.

# ADMISSION REQUIREMENTS

more  
for you

## Choose your applicant type

Applicant Type	Details	Application Deadline
Ontario High School	Refer to page 34	January 12, 2023
Out of Province High School	Refer to page 36	January 12, 2023
International	Refer to page 38	Dates vary
High School Graduate	Refer to page 37	January 12, 2023
Mature	Refer to page 37	January 12, 2023
Home-schooled	Refer to our website	January 12, 2023
Transfer	Refer to page 35	Dates vary

# Admission Terminology

Select your applicant type (page 28).

For each applicant type, admission requirements may vary.

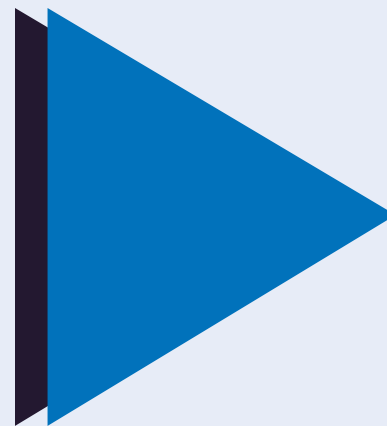

**Admission average:** For high school applicants, your admission average is calculated using your top six 4U/M courses (or equivalent), including your subject requirements. This average is calculated using the most current grade data available to us through the admission process.

**Estimated cut-off admission range:** Estimated cut-off ranges are based on the admission averages from previous years and are provided as a point of reference. Exact cut-offs for the current admission cycle will be determined by the quantity and quality of applications received and the number of spaces available in the respective program. Possession of an admission average within the estimated cut-off range does not guarantee an offer of admission. If you have been educated outside of Canada, your eligibility will be assessed on an individual basis.

**Offers of admission:** Offers are sent on an ongoing basis from December until the end of May (see table below). All applicants will receive an admission decision by **May 27, 2023**. Your final grades, once received, must fulfill the conditions of your offer. Ontario and BC high school applicants can check the grade data sent through their OUAC account.

**Student Profile (SP) & Supplementary Information Form for Students with Disabilities (SIF-D) (optional):** The SP and SIF-D offer you an opportunity to tell us about factors that may have impacted your grades. If your admission average does not meet the cut-off for the program to which you have applied, your SP and/or SIF-D may be considered in May if your average is within a discretionary range of the determined cut-off (up to 5%). If you have an admission average of 70–74.9%, it is strongly recommended that you submit a profile to be considered for admission.

For full details and to complete your profile, visit [guelphhumber.ca/futurestudents](https://guelphhumber.ca/futurestudents). Deadline is **May 1, 2023**.

Admission Average Calculation & Timing of Offers	Who Receives an Offer
<p><b>December to Late February</b></p> <p>We use your top six completed 4U/M (or equivalent) courses, including required subjects. Where not available, we use a combination of the top six completed or in-progress 4U/M and completed 3U/M courses, including required subjects.</p> <p>Should no 4U/M courses be completed or in-progress, the top five 3U/M completed courses (including required subjects) will be used.</p>	<p>Offers in this round are typically made to applicants whose admission average exceeds the estimated cut-off.</p>
<p><b>Early March to Mid-May</b></p> <p>We use your top six completed 4U/M (or equivalent) courses, including required subjects. Where not available, we use a combination of the top six completed or in-progress 4U/M and completed 3U/M courses, including required subjects.</p>	<p>Early March-Late April: Offers in this round are typically made to applicants whose admission average is near the top of the estimated cut-off.</p> <p>Mid-May: Offers in this round are made to applicants whose admission average is within the estimated cut-off range.</p>

**Repeated courses, summer school, night school and correspondence:** The University will use the highest grade reported for grade 12 courses taken at a Ministry-approved school prior to June 2023, regardless of format.

**Deferrals:** Application available in June; please visit [guelphhumber.ca/futurestudents/how-apply](https://guelphhumber.ca/futurestudents/how-apply) for detailed deferral information.

**English language requirements:** If your first language is not English, or if you have completed less than four years of study in English at the secondary (or postsecondary) level, then you are required to submit proof of English proficiency. For full details, please visit [guelphhumber.ca/futurestudents/english-language-requirements](https://guelphhumber.ca/futurestudents/english-language-requirements).

You will receive an email with detailed instructions (after you apply) if you are required to demonstrate English proficiency as part of your application.

## International Baccalaureate (IB)

- Minimum academic score of 24
- Reported bonus points will be taken into consideration
- Three Higher Level and three Standard Level courses, including specific subject requirements for the program to which you are applying
- Any Higher Level or Standard Level mathematics course is acceptable for programs that require math

You are eligible to receive a maximum of 2.0 credits for grades of 5 or better on Higher Level courses.

For full details, please visit [guelphhumber.ca/futurestudents/ib-and-ap-requirements](https://guelphhumber.ca/futurestudents/ib-and-ap-requirements).
