UNIVERSITY OF
GUELPH
HUMBER

**A University Honours Degree
and a Diploma in four years!**

TORONTO • ONTARIO
GUELPHHUMBER.CA

UNIVERSITY OF GUELPH HUMBER

VICE-PROVOST'S **Welcome**

Thank you for your interest in the University of Guelph-Humber.

Choosing a university is all about finding the best fit. We are here to help you make the right choice and to provide you with the necessary tools and resources to make that decision.

Our academic programs and welcoming community have helped our students achieve success, both academically and professionally.

Please take the opportunity to visit our campus, meet our faculty, students and staff, and experience our university first hand.

You are bound to have many questions throughout the process and we are here to advise you along the way.

All the best,

Dr. John Walsh
Vice-Provost
University of Guelph-Humber

THE UNIVERSITY OF GUELPH-HUMBER **Advantage**

Our academic programs expose you to theoretical perspectives, practical training and workplace experience.

Upon graduation you will earn a university honours degree and a specialized diploma, allowing you access to graduate schools, professional programs, and preparing you for the workforce.

Our location in the Greater Toronto Area provides you with infinite opportunities to achieve these goals.

This combination is the University of Guelph-Humber advantage.

years of full-time study

highly acclaimed credentials

state-of-the-art facility

multiple opportunities for workplace experience in Canada's most diverse and vibrant city – Toronto!

HOW IT ALL **started...**

The University of Guelph-Humber opened its doors in fall of 2002 as a collaboration between two institutions – the University of Guelph and Humber College Institute of Technology and Advanced Learning (Humber). The partnership was created to meet the changing demands for higher education in the global market.

Since then, we have grown to offer eight undergraduate programs, with a population of 2,600 students.

Currently we have over 1,200 alumni contributing their skills and talents to their professions locally and internationally.

► STATE-OF-THE-ART FACILITIES

The \$30 million academic facility is custom-made for our unique program offerings and interactive learning.

Specialized features include:

- broadcast studio with state-of-the-art sound equipment
- photography studio
- moot courtroom
- crime scene lab
- early childhood resource room
- anechoic chamber to test wireless signals
- art gallery
- 40 foot living plant wall which serves as a bio-filter and air purifier
- wireless capabilities throughout
- multiple computer labs

WHY STUDENTS **choose** THE UNIVERSITY OF GUELPH-HUMBER

Students choose the University of Guelph-Humber for a variety of reasons. Here are just a few:

Academic programs

- The ability to specialize in your chosen discipline from the first day of class.
- Practical experience that helps you gain confidence in your chosen field.
- Relevance to your academic and professional goals.

Two credentials

- Earning a university honours degree and a specialized diploma will open more doors and broaden your future opportunities.

Small University

- Small class sizes, averaging from 30-65 students.
- The ability to make personal connections with staff, faculty and classmates.
- Easy to get involved on campus to enrich your university experience.

Location

- Toronto is Canada's largest and most diverse city and is a dynamic place to live and learn.

"Degree-diploma programs offer a competitive edge... The combination of hands-on training and critical thinking skills is expected to be the way of the future."

The Globe And Mail

In the News

PROGRESS, ACHIEVEMENT, AND INITIATIVE

► NEW DEVELOPMENTS

Teaming up with CGA, CMA, and CA

The Business program continues to expand its network of opportunities for students specializing in accounting. As an example, the Certified General Accountants of Ontario (CGA) Award for Excellence at University of Guelph-Humber is presented to the Accounting student who has obtained the highest examination results.

Student Exchange and Study Abroad

Through an exchange agreement with Management Center Innsbruck (MCI), Austria, students can acquire international experience in one of Europe's oldest cities, while completing the academic requirements for their program of study.

Executive-in-Residence

Senior executives from both the public and private sectors meet with students, faculty and alumni, deliver a series of guest presentations, and hold public lectures open to the university community. Students have the opportunity to interact with these executives and learn about the leadership and management challenges they face, and their strategies for addressing real world issues.

Visiting Professor Program

The Visiting Professor program allows recognized Canadian and international scholars the opportunity to share their knowledge and expertise with students. In 2008, we hosted Dr. Andreas Altmann, Managing Director, Management Center Innsbruck (MCI), Austria, to speak to the university community. In 2009, we will welcome Professor Peter Murphy, Associate Dean (Research) from La Trobe University in Australia.

► CONVOCATION RECOGNIZES MEMBERS OF THE COMMUNITY

The University of Guelph-Humber confers honorary degrees to honour individuals whose accomplishments demonstrate a standard of excellence we hope will inspire our graduates. Candidates are considered from a broad range of categories including achievements in the arts and sciences, business, public service, voluntary service in the community at large, or service of long-standing or exceptional merit to the university.

Honorary Degree Recipients

Professor Michael Nightingale was awarded the honorary degree at the 2006 University of Guelph-Humber Convocation ceremony. His time at the university as the Chief Academic Officer was committed to student involvement and success. The Michael Nightingale Community Enrichment Award was named after the Professor and is awarded annually to a graduating student who demonstrates the same commitment to the university community.

Gemini award winning journalist Wendy Mesley received the 2007 honorary degree for her work as an investigative journalist and her vision of the media as a public service.

In 2008, the university conferred the Honourable David C. Onley, Lieutenant Governor of Ontario with an honorary degree. His Honour's achievements included a successful career as a newscaster, best-selling author, and advocate of disability reform.

Also in 2008, the Honourable Justice Michael H. Tulloch was awarded an honorary degree. Justice Tulloch was appointed to the Superior Court of Justice in September 2003.

► STUDENT SUCCESS

Our students are achieving greatness and being recognized for their perseverance, innovation, and experience through awards and accolades.

University of Guelph-Humber Graduate Making Mark on Senate

The 2008 recipient of the University of Guelph's Walter Vaughan Medal was Revlon Stoddart, a graduate of the University of Guelph-Humber Early Childhood program. The medal recognizes the contributions of a student member of University of Guelph Senate. Revlon was cited for being a strong advocate for students and for serving as Vice-Chair of the Board of Undergraduate Studies.

79%

of graduates from the Early Childhood program who applied to Bachelor of Education programs received an offer of admission.

76%

of Family and Community Social Services graduates are employed in the field, or are pursuing Graduate studies and Faculties of Education.

Faculty

EXPERIENCE, INDUSTRY LINKS, AND AWARD-WINNING

Our faculty have received prestigious accolades, including: doctoral fellowships, the Government of Canada medal, the Gemini award, and the 3M Teaching Award. They are passionate and dedicated to the foundation and philosophy of this innovative and unique learning environment. Our faculty are known for valuing student-centred learning, incorporating both theory and practice in the classroom, and for connecting students with industry partners.

► PROGRAM HEADS:

Your Program Head will:

- Play a leadership role on behalf of your program;
- Interact with, mentor and support you and your fellow classmates;
- Liaise with and be involved in professional associations, organizations and graduate programs.

“The close-knit community and small class sizes at the University of Guelph-Humber have allowed me to personally get to know my professors. I know I can rely on them as friends and mentors to give me everything I need to excel to the best of my ability; not only in my future career, but also in my life.”

*Lindsay Van Wetten,
Fourth Year, Media Studies Student*

FACULTY PROFILE: GREG KELLEY, MEDIA STUDIES

"It is a circuitous path that led me from my original home in Atlanta, Georgia to Ontario. I earned an M.A. in Renaissance Literature from the University of Georgia and my Ph.D. in Folklore at Indiana University. My research interests include popular culture, narrative forms, and media studies. One of my primary goals in teaching has always been to embrace an interdisciplinary perspective, engaging insights from literary study, history, psychology, folklore, material and popular culture. I challenge students to think critically and contextually about fiction, oral narratives, film, advertising, and other popular cultural forms. My students bring a wide range of cultural backgrounds and diverse viewpoints into the classroom. I am often inspired by their lively participation and their dedication to the learning process."

Greg Kelley

FACULTY PROFILE: MIESO DENKO, COMPUTING

Mieso Denko is an Associate Professor in the Department of Computing and Information Science. His current research interests include mobile and pervasive computing, wireless ad hoc networks, and wireless mesh networks, with an emphasis on network protocol design and performance evaluation. Denko has been on the editorial board of several international journals and books in his area of expertise. Most recently, he co-edited a book entitled *Wireless Quality-of-Service: Techniques, Standards and Applications* (Auerbach Publications, 2008).

"The faculty at the University of Guelph-Humber have industry background, and this knowledge allows our professors to bring their personal experiences and professional contacts to the classroom, giving students an insight into the field."

*Brianna Morrison,
Fourth Year, Business Student*

Community

A SMALL UNIVERSITY EXPERIENCE IN A GREAT CITY

► THE CAMPUS

Our community is made up of a diverse and vibrant population of 2,600 students. Small class sizes and an intimate learning environment provide you with a valuable and unique learning experience. While our students have their own distinct and innovative facility, our location on Humber's North Campus provides access to a larger community of nearly 13,000 full-time students as well.

► THE GREATER TORONTO AREA

Toronto is a dynamic place to live and learn. Attending university in Canada's cultural, economic, and business centre will play an important role in your program opportunities.

The Greater Toronto Area provides access to a wide range of corporate, government, and social service agencies for research assignments and workplace experiences. Toronto also offers a huge variety of cultural and social activities to take part in. After a long day of study, there are so many things to do and see, from films and festivals to sporting events and nightlife.

77% of first year students live off-campus or commute from within the GTA

Living On or Off-Campus

A HOME TO CALL YOUR OWN

One of the first decisions you will need to make is where you plan to live while you attend university. Whether you plan to live on campus or somewhere nearby, taking part in orientation and mentoring programs will help you connect to your new home away from home.

► LIVING AT HOME

The majority of our students commute from home, joining us from locations throughout the Greater Toronto Area. Saving money and limiting debt are among the main reasons students choose this option. If you are planning to live at home, be assured that our small, close knit community provides you with a range of opportunities to get involved and meet new people.

► LIVING IN RESIDENCE

Residence allows for convenient access to campus facilities and provides a unique opportunity to live and learn from people with diverse backgrounds and experiences. Residence Assistants (RAs) live on each floor and provide support and advice as you transition through your first year at the university.

► LIVING OFF-CAMPUS

If you are looking for accommodations near campus, there are a wide variety of options to choose from. Rooms, houses, and apartments are available for rent within a few blocks of campus. The off-campus housing website can help you locate the type of housing best suited to your needs. This resource, in addition to our on-line message board can help you find a roommate and provide you with helpful hints to ease the transition to your new place.

► RESIDENCE INFORMATION

Living Options

- Co-ed or Same Sex Floors
- Quiet Floors
- Dorm or Suite Style

Cost Per Year* (not including meal plan)

- Dorm Style: \$5,045
- Suite Style: \$5,975

If you are living in residence, meal plans are mandatory. Students may choose a dining plan that meets their personal needs; prices range from \$1,950 – \$3,200 per year*.

* 2008/2009 figures. All amounts subject to change.

23% of first year students live in residence

“Living on campus has made a positive impact on my experience at university. Being able to walk to class, the gym, the library or any event on campus is definitely an asset while I am busy studying. Being so accessible to everything around campus makes doing it all really easy!”

*Amie Zimon,
Fourth Year, Media Studies Student,
Residence Assistant*

Applying to Residence

Residence is available on a priority basis to all first-year students applying directly from secondary school who have received an offer of admission. In order to be considered for residence, the application must be received by **May 28, 2009**. Students who submit their application after the May 28 deadline may not receive a room.

Transfer applicants will be assigned a room in residence on a space-available basis; to be considered for residence, transfer students are encouraged to return the residence application as soon as possible.

Get Involved

SOME OF LIFE'S MOST VALUABLE LESSONS ARE LEARNED OUTSIDE THE CLASSROOM

► TRANSITION

We are committed to helping you make a successful transition to university. The following programs and activities will connect you to the campus community... and they all take place before your first class!

Pre-Orientation Program (POP)

Current students serve as POP leaders. They are available to answer any questions you may have throughout the application process and provide a great resource of information.

On-line Community

Once you apply, you will be invited to join our on-line community. Chat with current students, staff, and other applicants on our message board and discuss pop culture, current events, and life at the university.

Kick Start

Kick Start is a one-day on-campus summer orientation program for you and your family. You can gather information, form new friendships, and explore your new school.

Student Transition and Mentoring Program (STAMP)

The Student Transition and Mentoring Program is specifically designed to help you through your first year. STAMP Leaders are senior students who mentor first-year students.

Orientation

Orientation occurs right before your first class. You will meet your STAMP Leader and participate in fun and exciting activities that will make you more comfortable with the campus and connect you with your classmates.

► STUDENT GOVERNMENT

Student government leaders represent your needs and interests as a University of Guelph-Humber student, and plan activities to add excitement to campus life. Barbecues, live concerts, celebrity speakers, comedy nights, and off-campus excursions are just some of the events that the student governments have in store for you. Get involved by representing your program or running for a student government position.

"Getting involved on campus allows me to meet people from different programs at the university and provides me with a vast network for future endeavors. It is also a great way to build my resume by gaining some valuable experience."

*Urmila Puran, Fourth Year, Justice Studies Student,
2008-2009 Guelph-Humber Student Association President,
2008-2009 Guelph Student Senator*

At the University of Guelph-Humber there are over **61 clubs** and **44 teams** to join or support.

CLUBS

Explore your passions and join a group that meets your needs and interests. The sixty-one campus clubs cover athletic, social, religious, and political activities. Some campus clubs include:

- The Filmmaking Club
- Equestrian Club
- South Asian Students' Association
- Lifeline Christian Fellowship
- Business Society
- Lesbian Gay Bisexual Transgendered Club (LGBT)
- University of Guelph-Humber Cheerleading Squad
- Goodwill Unit (G-Unit)
- Humber Hype Dance Team
- Eco Humber
- Cooking Club
- Green Party Campus Club

ATHLETICS

A healthy body and a healthy mind go together! Become or stay physically active by getting involved in athletics. As a University of Guelph-Humber student, you have access to the newly renovated Athletics Centre on campus.

Facilities Include:

- Gymnasium
- Squash Court
- Weight and Cardio
- Fitness Centre
- Aerobics Studio
- Swimming Pool
- Multi-Purpose Sports Fields

Intramural Teams and Campus Recreation

If you enjoy sports, there are leagues available at a recreational level in floor hockey, ice hockey, volleyball, basketball, squash, table tennis, and indoor soccer.

Varsity Sports

If you are interested in playing on a varsity team and competing against other colleges or universities in the province and throughout the country, you have the opportunity to try-out for varsity teams at either the University of Guelph or Humber. Varsity try-outs occur throughout the summer and academic year, so it is best to contact the team in which you are interested as soon as possible. For more information, visit University of Guelph Athletics at www.athletics.uoguelph.ca or Humber Athletics at www.athletics.humber.ca.

Support

HELPING YOU ACHIEVE YOUR BEST

You will have access to many resources that will assist you in your academic endeavours.

► LEARNING SPACES AND RESOURCES

Learning Commons

The Learning Commons is an informal student centered learning environment. Here, you will find computer work stations and space for group meetings and individual study. Staff in the Learning Commons are available to help you research materials for assignments and will assist you with software and technology questions.

Library

In addition to the resources available in our five-storey campus library, as a student you will have access to the TriUniversity Group of Libraries. The University of Guelph, University of Waterloo, and Wilfrid Laurier University have more than 4.3 million items, which are available to you for study purposes and research projects.

Math Centre and Writing Centre

The Math Centre offers assistance in calculus and statistics, while the Writing Centre provides support with essay writing and thesis development. Located next to the Learning Commons, these centres are available for personalized instruction on a drop-in basis.

Media Centre

The Media Centre allows you to borrow audio-visual equipment such as data projectors, digital cameras, digital camcorders, and laptops for class projects and presentations.

Services for Students with Disabilities

Services for Students with Disabilities (SSD) is dedicated to meeting the needs of students with learning, physical or medical disabilities. Early self-identification will help SSD provide the best possible service, including note-takers and sign language interpreters, audiotaped text books and special accommodations for tests. We encourage you to contact SSD before you arrive on campus. They can be reached at: 416.798.1331 ext. 5180.

Health Services

As a full-time student, you will be covered for accident, sickness, and dental insurance through the student health plan. Experienced nurses are on duty in the Health Centre and physicians are available by appointment from Monday to Friday.

Interfaith Chaplaincy Services

An interfaith chaplain is available to assist in the spiritual needs of people of all faiths. An interfaith prayer room is also available for individual or group prayer.

International Students

The International Student Services Office helps international students make a smooth transition to Canada and university studies. They assist in matters such as purchasing medical insurance, finding housing, and connecting you with senior students.

Safety and Security

Security staff patrol the campus 24 hours a day, 7 days a week. A campus watch provides a safety escort program; emergency telephones and cameras are located throughout the campus. Security also provides a service to assist students who experience car trouble.

Child Care

A child care centre is designed to accommodate the child care needs of students, staff, and community members on a full-time basis. Applications should be made early. To apply, contact 416.798.1331 ext. 4484.

GUIDANCE AND SUPPORT SERVICES

Admission Advising

Our Admissions Coordinator is available to assist you through the application and admission process, and is a great point of contact for all your admission questions.

Program Advising

You will have a Program Advisor to guide you through your academic endeavours. Your Program Advisor is the first person to contact when you need any type of support. They will assist you with course selection, developing and reviewing your educational and career plan, interpreting degree regulations, and referring you to on-campus resources.

Learning Support Peers

Learning Support Peers (LSPs) are current students trained to assist and support you as you make important decisions that relate to your academic career. LSPs are also responsible for assisting in the delivery of Learning Skills Workshops, Career Service information sessions, and a variety of other learning support workshops.

THE COUNSELLING AND STUDENT DEVELOPMENT CENTRE

The Counselling and Student Development Centre provides you with support services which include:

Personal Counselling

Professional counselling is provided free of charge in a private, confidential setting. Counsellors will assist you in identifying and resolving your personal problems and concerns.

Peer Tutoring

Peer Tutors are available to provide one-on-one academic assistance if you experience any difficulties with a specific course.

For full contact information, turn to page 40.

Career and Alumni Services

PROVIDING SUPPORT AND RESOURCES FOR YOUR DEVELOPMENT

Career Services will assist you in your transition through university and beyond.

Services include:

- Graduate school advising
- Career-related workshops and seminars
- On-line mentoring with University of Guelph alumni
- Career fairs and networking events
- Personality and interest inventories and assessments
- Program related job postings
- Interactive career reference guides

The Career Services website allows you to:

- Search through full-time, professional opportunities, as well as part-time and summer job postings.
- Post your résumé and profile for employers to access.
- Register for workshops and seminars.
- Have your résumé critiqued by a member of the Career Services staff.

"The practicum component of the Early Childhood program connected me with agencies and organizations that would have been very difficult to obtain without my field supervisor's help. I feel the practicum component of the program made me a strong candidate for teachers' college and significantly helped me in being accepted to Bachelors of Education programs in Ontario."

*Lindsay Hamilton,
Early Childhood Graduate 2008, currently enrolled in Bachelors of Education*

► CAREER SERVICES

Our Career Services department has established relationships with key employers and hosts program-specific career fairs and networking events. This provides you industry insight and the opportunity to make personal connections with potential employers.

Sample employers:

- Sun Life Financial
- Ontario Provincial Police
- Macleans
- Ernst & Young
- Canwest
- Canadian Border Services Agency
- Mosaic Experiential Marketing
- Community Living Mississauga
- Mediacom
- Unilever
- Region of Peel (Child Care Resource Specialist)
- Youthdale Treatment Centres
- Ministry of Children and Youth

► OUR GRADUATES

Our graduates have transitioned into the working world and found successful positions with such organizations as: CTV, Scotia Bank, Peel Police, Petro Canada, St. Stephen's House, and the Region of Peel. Some of our graduates have taken their careers internationally, and secured employment in Australia, the U.S.A. and Dubai. In addition, many of our graduates have continued their education, pursuing graduate studies and professional programs in fields such as law, social work, and education.

► ALUMNI SERVICES

After graduation, you will still be an important part of our community. As an alumnus of the University of Guelph and Humber, you will have access to a variety of programs and services intended to keep you informed, involved, and engaged.

"The Media Studies program provided me with a well-rounded set of skills and experiences that was appealing to law school admissions committees, whom were looking for candidates that would add unique perspectives to the law school classroom."

*Gurpreet Singh Badwal,
Media Studies Graduate 2006, currently enrolled in
Law school*

"I made contact with Peel Regional Police at a networking event on campus, and was hired immediately after completing the Justice Studies Program. The university provided me with the knowledge and skills to successfully pursue a career in law enforcement."

*Mike Nielsen,
Justice Studies Graduate 2007,
Constable, Peel Regional Police*

Finances

MAKING YOUR UNIVERSITY EDUCATION ACCESSIBLE

The University of Guelph-Humber provides services and resources to ensure that your university education remains accessible and to assist you in the financial planning associated with a university education.

PLAN AHEAD

AVERAGE EXPENSES FOR SEPTEMBER – APRIL (ESTIMATED FOR DOMESTIC STUDENTS ONLY)

	Off-Campus Housing or Residence	Living at Home
Tuition	\$ 4,568 - 4,880	\$ 4,568 - 4,880
Student Fees (athletic, medical, student gov't, etc.)	\$ 832	\$ 832
Books	\$ 1,000	\$ 1,000
Travel or Accommodations	\$ 5,045	\$ 825 (\$25/week)
Food Costs or Meal Plan	\$ 2,450	\$ 825 (\$25/week)
Lifestyle and Personal Costs (\$50/week)	\$ 1,650	\$ 1,650
Total	\$ 15,545 - 15,857	\$ 9,700 - 10,012

These estimates are based upon 2007 – 2008 figures for domestic students and are subject to change. Costs vary from program to program and depend on personal expenses.

UNIVERSITY OF GUELPH-HUMBER SCHOLARSHIPS

► UNIVERSITY OF GUELPH ENGLISH LANGUAGE PROGRAM

The University of Guelph English Language Program is specifically designed to promote English language proficiency and the academic skills required for undergraduate studies and may lead to entry into programs at the University of Guelph-Humber. For more information, please contact:

English Language Program
 519.824.4120 ext. 52149
esl@uoguelph.ca
www.eslguelph.ca

Admission and Application Information:

DOMESTIC (CANADIAN) APPLICANTS

APPLICATION
DEADLINE:
January 14,
2009

▶ APPLICATION INFORMATION

You must apply to the University of Guelph-Humber through the Ontario Universities' Application Centre (OUAC) by January 14, 2009. University of Guelph-Humber programs are listed under the University of Guelph section of the OUAC application. If you are currently enrolled in an Ontario secondary school, you will apply on-line using the SSOLA (Secondary School On-Line Application). Detailed information is available through your high school guidance office. All other applicants, including mature and transfer applicants, can apply on-line using the 105D form at www.ouac.on.ca. If you are applying to more than one program at the University of Guelph-Humber, rank your preferences on the application. You will be offered admission to the highest ranked program for which you qualify. If you are offered admission to your highest choice program but would like to be considered for a lower choice program, please contact Admission Services at admissions@guelphhumber.ca.

▶ ADMISSION REQUIREMENTS

Applicants from Ontario Secondary Schools

You must present your Ontario Secondary School Diploma (OSSD), including a minimum of six 4U and/or 4M courses and the subject requirements shown on the Admission Requirements chart on page 21.

Canadian Secondary School Students Outside of Ontario

You must submit official transcripts from your secondary school with the required courses completed at the grade 12 academic level.

Mature Applicant

You may apply as a mature student if you are 21 years of age or older and have been away from

full-time secondary school study for a minimum of two full years. A mature student must present a secondary school transcript and a Mature and Transfer Student Profile for admission consideration.

University/College Transfer Applicant

If you have attended, or if you are currently enrolled in a post-secondary institution (college or university), you are considered a transfer applicant. As a transfer applicant, you must present official transcripts from any secondary and post-secondary institution(s) you have attended. The chart below outlines the maximum number of transfer credits you may be eligible to receive for a University of Guelph-Humber program.

International Baccalaureate

Students applying with an International Baccalaureate (IB) diploma should present a minimum score of 24. Currently enrolled IB candidates should submit predicted IB final results. Students should include the specific subject requirements for the program to which they are applying among their higher and standard level subjects. Transfer credit may be given for higher-level courses with grades of five or better.

Advanced Placement

Applicants who have completed Advanced Placement examinations with a minimum grade of four may be eligible to receive university credit to a maximum of two credits, subject to the discretion of the Admissions Committee.

English Proficiency

Applicants will be required to present evidence of English proficiency if their primary language is not English and they have completed less than four years of full-time secondary school study in an English-language school system. Applicants required to provide evidence of English proficiency must do so by submitting one of the required scores outlined on page 19.

▶ TRANSFERRING WITH ADVANCED STANDING TO THE UNIVERSITY OF GUELPH-HUMBER

Academic Standing	Maximum Number of Credits You May Receive at the University of Guelph-Humber*
YOUR CURRENT POST-SECONDARY EDUCATION: UNIVERSITY PROGRAM	
Degree completed	Up to 10
Degree not completed, but student is in good academic standing	Up to 10
YOUR CURRENT POST-SECONDARY EDUCATION: COLLEGE/DIPLOMA PROGRAM	
Completed a 3-year program	Up to 7.5
Completed a 3-year program with B+ average or better	Up to 10 for students transferring from a recognized diploma program**
Completed a 2-year program, or 2 years of a 3-year program	Up to 3
Completed a 2-year program, or 2 years of a 3-year program with B+ average or better	Up to 5 for students transferring from a recognized diploma program**
Did not complete diploma	To be determined by Admissions Committee for students transferring from a recognized diploma programs**

* 5 university credits = 1 academic year of full-time study

** A recognized diploma program is one that has been recognized by the University of Guelph-Humber as having a close affinity to a University of Guelph-Humber program.

Admission Requirements:

SECONDARY SCHOOL APPLICANTS

PROGRAMS	PAGE	OUAC PROGRAM CODE	ADMISSION REQUIREMENTS	COURSE RECOMMENDATIONS*
BUSINESS • Honours Bachelor of Business Administration • Diploma in Business Administration	22	GDB	• English (ENG 4U) • Any 4U Math • Four additional 4U or 4M credits	Advanced Functions (MHF 4U) or Introductory Calculus (MCB 4U)
COMPUTING AND TELECOMMUNICATIONS • Honours Bachelor of Applied Computing • Diploma in Wireless and Telecommunications Technology	24	GCS	• English (ENG 4U) • Any 4U Math • Four additional 4U or 4M credits	One additional 4U Math
EARLY CHILDHOOD • Honours Bachelor of Applied Science in Early Childhood • Diploma in Early Childhood Education	26	GHE	• English (ENG 4U) • Any 4U Science or Exercise Science (PSE 4U) • Four additional 4U or 4M credits	Biology (SBI 4U) or Exercise Science (PSE 4U)
FAMILY AND COMMUNITY SOCIAL SERVICES • Honours Bachelor of Applied Science in Family and Community Social Services • Social Service Workers' Diploma	28	GHF	• English (ENG 4U) • Five additional 4U or 4M credits	
JUSTICE STUDIES • Honours Bachelor of Applied Science in Justice Studies • Diploma in Police Foundations or Law and Security Administration	30	GMP	• English (ENG 4U) • Five additional 4U or 4M credits	
KINESIOLOGY • Honours Bachelor of Applied Science in Kinesiology • Diploma in Fitness and Health Promotion	32	GHK	• English (ENG 4U) • Any 4U Math • Any two 4U Science or Exercise Science (PSE 4U) • Two additional 4U or 4M credits	Biology (SBI 4U)
PSYCHOLOGY • Honours Bachelor of Applied Science in Psychology • General Arts and Science Diploma	34	GMA	• English (ENG 4U) • Five additional 4U or 4M credits	
MEDIA STUDIES • Honours Bachelor of Applied Arts in Media Studies • Diploma in Media Communications, specializing in Journalism, Public Relations, Digital Communications, or Image Arts	36	GMT	• English (ENG 4U) • Five additional 4U or 4M credits	

*Course recommendations offer suggestions for students by identifying subjects that relate to their chosen field of study. Course recommendations will not be used as a deciding factor in the admission process.

Admission Averages

Students with admission averages at or above 75% will be considered for admission to the University of Guelph-Humber. Applicants with admission averages below 75% must submit a Student Profile to be considered for admission.

Student Profile

We encourage all students to complete a Student Profile. The Student Profile or Mature and Transfer Student Profile will provide you with an opportunity to tell the Admissions Committee about activities you have been involved in that have contributed to your personal development, such as work experience, volunteer opportunities, and community involvement. Factors beyond your control that may have negatively affected your academic performance, such as illness or personal issues, will also be considered. The Student Profile and Mature and Transfer Student Profile will be considered carefully when making admission decisions and is the basis for consideration for the Student Profile Scholarship (see page 18). The profile should be completed electronically and will be available at www.guelphhumber.ca in November.

► TIMING, BASIS, AND CONDITION OF OFFERS

SECONDARY SCHOOL APPLICANTS

Offer of Admission	Academic Standing	Basis of Calculation
First Round - February	Applicants with high academic standing (minimum 80%) considered.	Top six completed 4 U/M (or equivalent courses), including required subjects; where six 4 U/M courses are not available, completed 3 U/M courses including required subjects will be used.
Second Round - April	Applicants with 75% and above considered.	Top six completed 4 U/M (or equivalent courses), including required subjects; where six 4 U/M courses are not available, completed 3 U/M courses including required subjects will be used.
Third Round - May	Applicants with 75% considered and applicants who submit a Student Profile considered.	Top six completed or in-progress 4 U/M courses, including required subjects.

CONDITIONS: All offers are conditional upon successful completion of the Ontario Secondary School Diploma or equivalent, completion of required courses, and a final admission average of no less than 70%. Academic Merit Entrance Scholarship offers will be mailed with offers of admission. An increase in average on the basis of final marks received in July will result in an increase in scholarship amount.

BUSINESS

HONOURS BACHELOR OF BUSINESS ADMINISTRATION
DIPLOMA IN BUSINESS ADMINISTRATION

Today's business leaders seek employees who have both the knowledge and experience necessary to make immediate and significant contributions to the workplace. The Business program at the University of Guelph-Humber is designed to meet this demand, combining a comprehensive understanding of the business world with the hands-on skills needed for success in today's marketplace.

When you graduate from the Business program you will have a competitive edge. By having your academic and practical experience linked to real world applications, you will be able to pursue a career in the business world or apply for continued studies in professional schools or graduate programs.

PROGRAM HEAD PROFILE: GEORGE BRAGUES

George Bragues is the Business Program Head at the University of Guelph-Humber. George holds a Ph.D. in Political Science from Boston College as well as a Bachelor and Master's degree in Political Science from the University of Toronto. In addition, he earned an MBA from the Schulich School of Business. George has published academic articles in *The Independent Review* and *Business Ethics Quarterly*. He has also been an occasional contributor to *The National Post* since 1999, writing opinion pieces on financial, economic, and political issues in the paper's financial section.

Toronto is the financial and commercial centre of Canada. Students have prime opportunities for work experiences with leading businesses in the Greater Toronto Area.

► THE CURRICULUM

In years one and two of the Business program, you will build a solid foundation of business knowledge.

Core Courses

- Business Information Systems
- Accounting
- Marketing
- Business Law
- Ethics and Values in Business
- Organizational Behaviour

In years three and four, you may choose to focus your studies in one area of emphasis or select courses from a variety of areas to develop a diverse skill set.

► AREAS OF EMPHASIS

International Business

Studies in this area focus on conducting business within the global economy and include courses in International Trade, International Law, and the business practices of Asia Pacific, Europe, and Latin America.

Finance

This area of emphasis will provide you with an understanding of money-management practices. You will take courses such as Investment Finance, Personal Financial Planning, and Portfolio Management. After completing specific finance courses, you will be eligible to sit for the Canadian Securities Institute licensing examination.

“The Business program is demanding, but it has also been a great experience working with talented peers and exceptional faculty that have pushed me to do my best. When I graduate university, I will have the foundation I need to succeed in any endeavour I will ever undertake.”

*Nishanthan Vairavanathan,
Fourth Year, Business Student
Hometown: Brampton, Ontario
High School: Heart Lake Secondary School*

Accounting

The courses in accounting will allow you to gain a deeper understanding of accounting practices and the various practical skills required in the field. You will take accounting courses that include Managerial Accounting, Taxation, and Auditing. The Institute of Chartered Accountants of Ontario (ICAO) recognizes the University of Guelph-Humber's accounting courses as having the 51 credit hours required for CA candidacy.

Marketing

You will apply your knowledge of the business world to explore how product, price, promotion, and distribution frameworks are used to satisfy consumer needs and achieve organizational objectives. Courses include Professional Selling, E-Commerce, and an applied Marketing Research Project.

Management of Not-for-Profit Enterprises

In this area of emphasis, you will learn how to manage charitable organizations and other not-for-profit enterprises. In addition to your courses in fundraising and community and government relations, you will have the opportunity to run the Art Gallery on campus – selecting artists and promoting their work in your Event Management course.

Small Business Management and Entrepreneurship

You will explore crucial strategies for initiating and maintaining a successful small business in today's marketplace. You will take a range of courses including Business Consulting, Event Management, and Planning a Small Business.

► WORKPLACE EXPERIENCE

In your fourth year, you will complete the Applied Business Study – a course requiring you to participate in a minimum of 100 hours in a workplace environment. You will use the knowledge and skills acquired in your previous years to evaluate the employment element and business theories of a particular workplace environment through a series of unique projects.

► POTENTIAL OPPORTUNITIES

- Financial Planner
- Investment Advisor
- Personal or Commercial Banker
- Portfolio Manager
- Human Resources Professional
- Advertising Coordinator
- Brand Manager
- Entrepreneur
- Marketing Analyst
- Business Consultant
- Graduate Studies

COMPUTING AND TELECOMMUNICATIONS

HONOURS BACHELOR OF APPLIED COMPUTING
DIPLOMA IN WIRELESS AND TELECOMMUNICATIONS TECHNOLOGY

Computing and wireless technology is changing the way we communicate and conduct our daily business.

From personal use to home health-care systems and to theft prevention devices - industry, government, and educational institutions are incorporating mobile computing and wireless communications systems in their everyday operations.

As the need for advanced levels of technological communications continue to grow, so does the need for qualified professionals trained in both computer science and telecommunications – people who are capable of designing, developing, managing, and maintaining new technologies. The Computing and Telecommunications program addresses this gap in the workforce, providing students with the knowledge and skills necessary to fully understand the convergence of computing and telecommunications.

With the training received in this program you will have a wide range of opportunities available to you – from commercial positions to graduate school.

“The computing program allowed me to understand the fundamentals of computer science while giving me a unique set of skills for the workplace.”

*Eilbron Meghdies,
Computing Graduate 2008*

► THE CURRICULUM

Eight semesters of study will give you the theoretical foundation and practical experience in computing and telecommunications, including computer software development for mobile and desktop systems, as well as expertise in mobile and wireless communications. Lab components in many courses advance our students' technical skills development. You will study computer hardware, computer software and telecommunications in the program. The curriculum includes courses in:

- Computer Programming
- Electronics
- Telecommunications
- Digital Systems Design
- Software Engineering
- Analysis of Algorithms
- Computer Networks

► THE TECHNOLOGY

The technology used in the Computing and Telecommunications program is state-of-the-art, allowing for cutting-edge research and exploration within the program. Some of the unique laboratories for the program include:

- **Anechoic Chamber**, a room free of electromagnetic activity used to test wireless equipment.
- **Wireless and Networking Lab**, with current technology for exploration in computing, wired, and wireless communications.
- **Radio Frequency Lab**, used for developing and testing radio frequency systems

► WORK EXPERIENCE

Students in this program will be encouraged to explore summer employment opportunities related to computing and telecommunications. Career services at the University of Guelph-Humber will provide resources, contacts and support to assist students in finding employment.

► POTENTIAL OPPORTUNITIES

- Network Systems Administrator
- Database Administrator
- Network Designer
- Web Designer
- Programmer
- Software Developer
- Entrepreneur
- Educator
- Graduate Studies

PROGRAM HEAD PROFILE: CARL HASSANALI

Carl Hassanali is the Program Head of the University of Guelph-Humber's Computing program. He graduated with a PhD from York University and has taught in the Distributed Computing Program at the University of Guelph-Humber since its inception. He is a member of the Canadian Association of Physicists and holds the Professional Physicist designation (P.Phys). Carl has been actively involved in the teaching profession for more than 20 years at both the college and university levels, where he has taught a variety of courses including mathematics, physics, fibre optics, advanced telecommunications, wireless systems, practical physics, communications systems, and electronics.

Average class size:

30

EARLY CHILDHOOD

HONOURS BACHELOR OF APPLIED SCIENCE IN EARLY CHILDHOOD
DIPLOMA IN EARLY CHILDHOOD EDUCATION

The early years are a critical time in the life of a child. During this time children develop physically, socially, emotionally, and cognitively at a rapid pace. Children and their families often need the support and expertise of skilled Early Childhood professionals.

Our innovative Early Childhood program combines the theoretical foundation of a university honours degree with a diploma that enables you to develop a strong skill set through a variety of field placements. The academic rigor of our program ensures that you will have the breadth and depth of knowledge to pursue a professional career at the leadership level in a variety of early childhood settings. The career options for graduates are dynamic in both the private and public sector. In addition, you will be well positioned to pursue further studies in specific therapeutic approaches or graduate programs, and for application to Faculties of Education (Teachers' College).

► THE CURRICULUM

The curriculum focuses on the physical, social, emotional, and cognitive development of young children within the context of the family and community including family relations, policy, curriculum, research methods, nutrition, leadership, communication, program development, observational methods, and physiology. In addition to core courses in Psychology, Sociology, and English, your initial courses include:

- Creating Nurturing and Safe Environments for Young Children
- Infant Development
- Early and Middle Childhood Development
- Child and Family Nutrition

\$150,000 worth of equipment and learning materials in the Early Childhood Resource Room to borrow and utilize in field placements to further enhance your learning experience.

WORKPLACE EXPERIENCE

You will complete a minimum of 600 hours of field work by progressing through a series of six practicum placements during your four academic years. Each new placement will build on the knowledge and skills developed in the previous placement. You will gain direct experience in all fields of early childhood services including schools, child care programs, early intervention programs, and family resource centres.

Placement 1

Your first field placement will involve job shadowing experiences that highlight various careers in the field of early childhood.

Placements 2-4

Your next three field placements will enable you to experience programs for young children and their families in a variety of agencies and organizations and across different developmental stages.

Placement 5-6

For your final field placement, which spans the entire academic year, you will be encouraged to select a setting or program that meets your particular career goals. Throughout your placements, you will participate in weekly seminars with your professor and classmates to critically analyze your experiences, and develop the skills required for professional work.

Employers and agencies offering student placement opportunities require a police record check before accepting a student for placement, as well as documentation of immunization, and a First Aid/CPR certificate. These requirements should be obtained prior to your first field placement as failure to meet the requirements will prevent students from completing the placement and/or securing employment.

POTENTIAL OPPORTUNITIES

- Elementary School Teacher
- Early Childhood Educator
- Municipal Child Care Services
- Early Learning Centres
- Early Interventionist
- Graduate Studies

PROGRAM HEAD PROFILE:

GABRIELLE PITT

Gabrielle Pitt serves as the Program Head for the Early Childhood program and teaches and coordinates field placements within the program. Gabrielle holds a Diploma in Early Childhood Education, and a Honours Bachelor of Science degree in Psychology/Exceptionality in Human Learning, and a Master's degree in Social Work (Child and Family). Gabrielle is currently working toward her PhD in Social Work. She brings over 25 years of experience working with young children and their families in areas of Montessori, ESL, regional child care, and parent/child therapy. Gabrielle currently has a clinical practice providing therapeutic support to children and families living with cancer.

"The university has provided me with a smooth transition from college to university due to the small class sizes and friendly staff. Continuous guidance from faculty members has allowed me to excel in my program. The welcoming environment has allowed me to become active within the community, which has made my experience memorable and rewarding."

*Natalie Winter,
Fourth Year, Early Childhood Student
Hometown: Brampton, Ontario
High School: Notre Dame Secondary School*

79% of graduates from the Early Childhood program who applied to Bachelor of Education programs received an offer of admission.

FAMILY AND COMMUNITY SOCIAL SERVICES

HONOURS BACHELOR OF APPLIED SCIENCE
IN FAMILY AND COMMUNITY SOCIAL SERVICES
SOCIAL SERVICE WORKERS' DIPLOMA

Employers are looking for qualified professionals to make a meaningful difference in the lives of the individuals, families, and communities that they serve. The Family and Community Social Services program offers the perfect combination of theory and experiential learning to give you a competitive advantage in the social services field. You will be qualified for certification in the Ontario College of Social Workers and Social Service Workers, according to the Social Services Worker Program Standard, and you will possess the skills necessary to work with high-risk families and children at the individual and community level. The academic rigor of our program also ensures that as a graduate you are well positioned to pursue graduate studies in a variety of interdisciplinary programs including family therapy, social work, and education.

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever does."

Margaret Mead

► THE CURRICULUM

Our program integrates a theoretical foundation in psychology and sociology, human development, family dynamics and social policy with clinical competency in counselling, community research techniques, mediation, agency administration, fundraising, case management, and community development strategies.

In addition to core courses in Psychology and Sociology, classes in your first two years include:

- Social Work in Canada
- The Political Process and Social Work
- Couple and Family Dynamics
- Interpersonal Communication Skills
- Counselling
- Early and Middle Childhood Development

► WORKPLACE EXPERIENCE

In the Family and Community Social Services program, you will complete three practicum placements. Your placements will be arranged in consultation with University of Guelph-Humber faculty and will come from a broad range of agencies to foster the development of transferable skills that you can adapt to any community or organization. In each placement, you will take part in the day-to-day operations of a social services agency. You will be considered professionals – training, and performance expectations will increase according to your semester level. The first placement, occurring in your second year, is a semester long, while the placements in your third and fourth year span the entire academic year.

Employers and agencies offering student placement opportunities may require a police record check before accepting a student for field placement. Failure to meet the requirements for field placement will prevent students from completing the program and/or securing employment.

► POTENTIAL OPPORTUNITIES

- Mental Health Counselling
- Youth Services / Child Welfare
- School Social Worker
- Substance Abuse Counselling
- Seniors' Services
- Family Services
- Graduate Studies

PROGRAM HEAD PROFILE: LEO SMITS

Leo Smits, Program Head of the Family and Community Social Services program, was educated at York University and The Institute of Sociology and Anthropology's Centre for European and Mediterranean Studies at the University of Amsterdam. His social work career includes working with street youth, investigating child sexual and physical abuse for a Children's Welfare Society, drug and sexuality counselling with youth, community organizing in low-income communities, and directing a community based mental health agency. Leo was a founding member of the Advocacy Resource Centre for the Handicapped (ARCH), and served in a number of executive board positions including the Chair of Fundraising and was the Chair of ARCH for five years. Leo's current research interests include community development, and poverty reduction strategies.

Average class size:

45

"The Family and Community Social Services program at the University of Guelph-Humber has prepared me to work with people of all different backgrounds, cultures, and needs, while also teaching me the theories of the field. When I graduate, I will have professional and well-prepared skills to work within the social services field."

*Maria Martinat,
Third Year, Family and Community Social Services Student
Hometown: Woodbridge, Ontario
High School: Holy Cross Catholic Academy*

JUSTICE STUDIES

HONOURS BACHELOR OF APPLIED SCIENCE IN JUSTICE STUDIES
DIPLOMA IN POLICE FOUNDATIONS OR LAW AND SECURITY ADMINISTRATION

In the Justice Studies program, you will gain practical experience in a variety of segments within Ontario's justice system and develop strategies for working with high-risk individuals in private, public, community, and institutional settings. You will study deviant behaviour, crime scene investigation, criminal and civil law, ethics, and research methods – areas which will prepare you to become a criminal justice systems practitioner. The academic rigor of our program ensures you will be well positioned to enter law school or graduate studies in a variety of interdisciplinary programs from sociology to criminal justice.

► THE CURRICULUM

In the first year of the program, you will take core courses that provide a firm foundation in the justice field. Courses include Crime and Criminal Justice, Introduction to Law, Principles of Sociology, and Police Powers. In your second year, you will have the opportunity to specialize in one of the following areas:

Police Foundations

In Police Foundations, you will take courses that prepare you for employment in the various levels of Canadian policing including municipal (e.g. Toronto Police Service), provincial (e.g. Ontario Provincial Police), and federal (e.g. Royal Canadian Mounted Police) police services. Some of your courses include Community Policing, Police Governance and Accountability, Investigative Techniques, and Physical Fitness.

Law and Security Administration

This area of study provides you with a balanced breadth of learning in core areas of justice studies along with an emphasis in the functional areas of corrections, customs and immigration, and private policing. Courses include Perspectives on Immigration, Customs Practice, Correctional Institutions, and Community Corrections and Private Policing. The diploma you receive at graduation will reflect the specialization you complete.

► INDUSTRY LINKED PROJECTS

Moot Court

In your first year, students will re-enact a criminal case tried in Canada. You will review the evidence, prepare the case, and deliver it before a practicing lawyer presiding as a judge.

Crime Scene Investigation

In your second and third year you will utilize forensic techniques to investigate a crime scene that was re-created by senior students. You and your peers will work together to construct and deconstruct the crime scenes of famous Canadian criminal cases.

Volunteer Educational Opportunity: Hate Crime, Terrorism & Domestic Violence Information Sessions

Students at the University of Guelph-Humber are provided the opportunity to learn more about international trends on hate crime, terrorism and domestic violence. The primary focus will be on the identification, investigation, and prosecution of these types of crimes. Justice Studies students who attend and complete the information sharing sessions receive a certificate of completion from The Department of Homeland Security – Federal Law Enforcement Training Center, U.S.A.*

*In 2007, over 200 students completed the information sessions.

Streetwalk

In your third year Social Problems course, you will take part in a streetwalk to observe social problems, such as poverty and homelessness, in downtown Toronto. You will follow up with a discussion on policing techniques and social factors that affect the areas you observe.

► WORKPLACE EXPERIENCE

In your second and third year in the program, you will complete community service placements to develop your sensitivity to contemporary social issues ranging from abuse and violence to welfare. Throughout your placements, you will participate in weekly seminars to critically analyze your volunteer experiences. Students in the program are currently volunteering as auxiliary police officers, as probation and parole officers, with rape crisis centres, with Crime Stoppers, and with other not-for-profit and government agencies in the justice field. Employers and agencies offering student placement opportunities may require a police record check before accepting a student for field placement. Failure to meet the requirements for field placement will prevent students from completing the program and/or securing employment.

► POTENTIAL OPPORTUNITIES

- Police Officer
- Corrections Officer
- Probation
- Immigration
- Customs
- Securities
- Law
- Graduate Studies

PROGRAM HEAD PROFILE: DINO DORIA

Dino Doria is the Program Head for the Justice Studies program. He earned his B. A. in psychology from Southern California University and a Master of Science degree in Criminal Justice Administration from Niagara University, New York. He has served in the Canadian Armed Forces Medical Corps and the Toronto Police Service where he has earned twenty-eight years of police experience in both proactive and investigative work. The capstone of Dino's career was complimented during his tenure in the Toronto Police Intelligence Service unit where he and other detectives pioneered one of the first Hate Crime Units in Canada. In 1996 he received the Gold Medal Award for Excellence in Race Relations from the Human Right Committee of Metropolitan Toronto and in 1998 he was the recipient of the Human Rights Award, Ontario Region, League for Humber Rights B'nai Brith, Canada. Dino was appointed by Attorney General Michael Bryant to serve as a member of the Office for Victims of Crime for the province of Ontario.

"Enrolling into the Justice Studies program at the University of Guelph-Humber was an obvious decision for me. In this program, I gain hands-on experience along with academic theory from professors that have experience in various areas of the justice field. The program has exposed me to law, policing, customs, and immigration which will allow me to diversify my career options."

*Jasdeep (Jessy) Singh,
Fourth Year,
Justice Studies Student
Hometown: Toronto, Ontario
High school: Emery Collegiate*

KINESIOLOGY

HONOURS BACHELOR OF APPLIED SCIENCE IN KINESIOLOGY
DIPLOMA IN FITNESS AND HEALTH PROMOTION

The human body is a phenomenal and complex mechanism and to truly use it, we must understand it.

The study of Kinesiology is just that. The Kinesiology program focuses on understanding the science of human movement, including the areas of functional anatomy, physiology, biophysics and biomechanics, motor learning and neural control, biochemistry and nutrition, and fitness and lifestyle assessment.

In this program you will gain the knowledge, skills and practical experience necessary for employment in a variety of fitness and health fields, as well as in clinical settings. Upon completion of the program, you may choose to pursue a national certification as a Personal Trainer, an Exercise Physiologist, a certified Kinesiologist, and/or a certified capacity coordinator. You will also be well

positioned to further your studies in professional schools, graduate programs or within the Faculties of Education (Teachers' College).

► THE CURRICULUM

The curriculum provides a strong scientific background in the biological, biochemical, physical, and mathematical sciences. Some of the core areas of study are anatomy, physiology, biochemistry, nutrition, fitness and lifestyle assessment, exercise prescription, biophysics, biomechanics and motor learning, as well as health counselling and health promotion.

Your first and second year courses include:

- Cell Biology
- Human Anatomy
- Health Counselling and Behaviour Change
- Fitness/Lifestyle Assessment
- Exercise Prescription
- Fundamentals of Nutrition

▶ WORKPLACE EXPERIENCE

In your third and fourth years, you will complete two industry internships which will provide you with valuable real-life experience and networking opportunities to prepare you for a career in the health and fitness industry or in a clinical/rehabilitation setting. Your placements will come from a broad range of fitness and rehabilitation facilities that will foster the development of transferable skills. Throughout your placements, you will participate in weekly seminars with your professor and classmates to critically analyze your experiences and develop the skills required for professional work.

▶ INDUSTRY CERTIFICATION

The program will provide you with the knowledge and skills to pursue further credentials in the industry, such as:

- Certified Kinesiologist (CK) with the Ontario Kinesiology Association (OKA)
- Certified Personal Trainer (CPT) offered through the Canadian Society for Exercise Physiology
- Certified Personal Trainer (CPT) offered through the American College of Sports Medicine
- Certified Exercise Physiologist (CEP) offered through the Canadian Society for Exercise Physiology
- Fitness Instructors Specialist (FIS) offered through the Canadian Fitness Professionals
- Functional capacity Evaluator through Metriks
- Certified Work Capacity Evaluator through the Roy Matheson System

▶ POTENTIAL OPPORTUNITIES

- Kinesiologist
- Personal Trainer
- Exercise Physiologist
- Work Capacity Evaluator
- Health Promotion
- Graduate Studies

"The experience that a University of Guelph-Humber Kinesiology student receives is second to none. The combination of strong faculty challenging and encouraging students both practically and theoretically as well as a class of like-minded, driven students, makes for a learning environment like no other."

Alison Young

Kinesiology Student, Transfer Student

Hometown: Kingston, Ontario

High School: Regiopolis-Notre Dame Catholic High School

PROGRAM HEAD PROFILE:

ELAINE POPP

Elaine Popp, the Kinesiology Program Head at the University of Guelph-Humber, received her Ph.D. from York University, studying the process of mitochondrial formation in heart muscle.

She has played an instrumental role in the development of the University of Guelph-Humber Kinesiology program and curricula design. Prior to beginning her academic role with the University of Guelph-Humber,

Elaine enjoyed success in the fitness and health industry as the owner of her own personal training company. She is also a member of The Canadian Society for Exercise Physiology.

Average class size:

50

PSYCHOLOGY

HONOURS BACHELOR OF APPLIED SCIENCE IN PSYCHOLOGY
GENERAL ARTS AND SCIENCE DIPLOMA

Understanding why people do the things they do is a goal that has been at the core of the science of psychology for many years. As access to intellectual resources increases for the general public, there is an increasing demand for knowledge-based individuals who understand the foundations of human thought and behaviour. In the Psychology program you will examine theories and research based on the biological and social models of human behaviour and cognition. You will explore how individuals utilize critical thinking skills, and how awareness of psychological development and practices can improve those skills to increase individual success and overcome personal challenges.

This program will prepare you to enter the workforce with the depth of understanding and practical experience employers are looking for in the field of psychology. The program will position you with the research background and expertise required for graduate studies in psychology and other related fields. You may also choose to pursue Faculties of Education (Teachers' College) upon completion of this program.

▶ THE CURRICULUM

The curriculum focuses on various areas of psychology, including behavioural, cognitive, and social psychology. Students will explore the individual thought process as it relates to human development, mental disorders, and various external factors present in today's world.

The curriculum provides you the flexibility to enroll in courses from different programs and electives at the University of Guelph-Humber. Starting in year two, you may choose to combine your psychology studies with an area of emphasis from one of four areas. Choosing an area of emphasis will provide students a focus for graduate studies or career opportunities in an area complimentary to Psychology.

Your first and second year courses include:

- Psychology Dynamics
- Learning and Cognition
- Personality
- The Science of Everyday Life
- Modern and Contemporary Philosophy
- Neuroscience

▶ AREAS OF EMPHASIS

Business

This area of emphasis will provide you with the understanding of the business world and today's marketplace. Courses include, Consumer Behaviour, Marketing, Advertising in Business, and Organizational Behaviour.

Human Services

Studies in this area focus on the Social Services field and courses like Social Work in Canada, Couple and Family Dynamics, Crisis Intervention, Theory and Practice, and Family Mediation and Conflict Resolution.

Justice Studies

Students choosing this area of emphasis will gain an understanding of the Justice Studies system through courses like Crime and Criminal Justice, Psychology and the Law, Correctional Institutions, and Immigration Policy and Practices.

Social Studies

This area of study will be relevant to students who are interested in pursuing a career in teaching and studies in education. Courses include Teaching Drama to Children, Contemporary Canadian Issues, and Psychology and Education.

▶ WORKPLACE EXPERIENCE

In the Psychology program you will complete an Applied Psychology Project that allows you to take the knowledge you have acquired in the program and apply it to a particular area of interest. Students who choose an area of emphasis may wish to further study this as their project. You may choose to work in business and explore organizational behaviour; in a counselling setting and examine behaviour and social psychology; or explore criminal psychology in various settings in the justice system or, perhaps, work in an education setting.

▶ POTENTIAL OPPORTUNITIES

- Consultant
- Counselling
- Research
- Teacher
- Marketing/Sales
- Advertising
- Vocational Guidance
- Personnel Management
- Psychological Testing
- Graduate Studies

Average class size:

50

PROGRAM HEAD PROFILE: RENA BOROVILOS

Rena Borovilos, Psychology Program Head and instructor at the University of Guelph-Humber, began her teaching career more than twenty-five years ago at York University where she earned a Master's degree in Social Psychology. Rena has taught a number of psychology courses at both the college and university level. She is an active member of the university community through her work as faculty and student mentor, Research Ethics Board member, Academic Council member, and General Education Awards Committee chair. Rena played an important role in developing and delivering psychology courses for the University of New Brunswick/Humber Collaborative Bachelor of Nursing Program and was instrumental in developing and launching Humber's first high school/college dual credit course in an academic area, a social psychology course.

MEDIA STUDIES

HONOURS BACHELOR OF APPLIED ARTS IN MEDIA STUDIES
DIPLOMA IN MEDIA COMMUNICATIONS, SPECIALIZING IN JOURNALISM,
PUBLIC RELATIONS, DIGITAL COMMUNICATIONS, OR IMAGE ARTS

While practical skills and experience are needed for entry-level positions in the media/communications field, employers also look for such skills as critical thinking, research and analysis, which normally are developed through university study. The Media Studies program at the University of Guelph-Humber integrates both types of education. You will receive professional, applied training along with a theoretical foundation that includes an examination of the nature of the media and its role in society.

Our goal is to equip our students for immediate success and provide a foundation for future career growth. In just four years, you will earn an honours degree, a diploma, and skills most desired by employers.

Technological advances in the ways we communicate with one another have opened innumerable opportunities for communications professionals. Traditional venues such as daily and community newspapers, cable and broadcast

television, radio and magazines exist today, alongside on-line media, web casting, streaming video, and a host of other vehicles. Business, communications consulting agencies, non-profit organizations and government departments need media-savvy communicators to help them tell their stories.

Toronto is Canada's centre for commercial and fine art photography and serves as a focus for public and private activity in photographic imaging and photography festivals.

► CURRICULUM

Starting in your first year, the Media Studies program at the University of Guelph-Humber will teach you about the world of media while you develop specialized knowledge of Journalism, Public Relations, Digital Communications, or Image Arts. You will take courses such as Mass Communication, Film Study, and Ethical Issues in the Media to gain a better understanding of the fundamental elements surrounding the media industry in today's fast-paced economy.

Journalism

In Journalism, you will learn to report on local and international events for a variety of media. You will be trained to write for newspapers, magazines, and the Internet; you will also gain experience in radio and television broadcasting. In addition, you will have access to a state-of-the-art broadcast studio to produce newscasts. You will also be involved in producing the campus newspaper as part of the program.

Public Relations

The Public Relations stream will teach you to develop media-based communication initiatives on behalf of business, consulting firms, government, and other organizations. You will learn to write and produce timely and accurate information through courses such as Media Relations, Event Management, and Public Relations Writing. You will take part in off-campus ventures for real-world experience in fundraising and event management.

Digital Communications

Rapid technological advances and the convergence of telecommunications, the internet and computing have created a demand for communications generalists who can fill cross-functional communications and marketing roles within all organizations. You will learn to plan and produce video and web-based communication vehicles for internal and external audiences.

Image Arts

As a student in the Image Arts stream, you will learn about digital and print photography, leading to a specialized diploma in Image Arts. You will study the world of media with a particular focus on visual communication, photographic techniques and photo-based art practices. You will use the photography studio for projects and experiential learning. In your final semester, you will participate in a public relations portfolio exhibition.

▶ WORKPLACE EXPERIENCE

In your fourth year, you will apply the skills you developed in the previous years to complete an eight-week internship (six weeks plus a portfolio show for Image Arts students) designed to put you in contact with employers in your field of interest. You will learn alongside some of the most important players in the industry.

▶ POTENTIAL OPPORTUNITIES

- Reporter
- Producer
- Special Event Planner
- Communications Officer
- Agency Consultant
- Photo Journalist
- Commercial Photographer
- Freelance Photographer
- Online Content Provider
- Graduate Studies

PROGRAM HEAD PROFILE: ED WRIGHT

Before joining the University of Guelph-Humber as Program Head of the Media Studies program, Ed Wright co-ordinated the undergraduate and postgraduate Public Relations programs at Humber for six years and had an extensive career in corporate communications, journalism and sales management. Ed has completed the accreditation requirements of the Canadian Public Relations Society (CPRS) and currently serves as a volunteer examiner for CPRS. He is an honours graduate of the University of Western Ontario, and has also completed their postgraduate Journalism Diploma program.
