Full-time and Part-time Programs
Applicants with previous college or
university education

We Acknowledge

The University of Guelph-Humber and Humber College are located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the “Place of the Alders” in the Michi Saagig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

Transferring to the University of Guelph-Humber will give you more of what you're looking for—focus in your field, personal attention in class, interaction with peers and professors, and support for academics, skill development and yourself.

Our full-time and part-time degree programs can move you ahead with your career goals, whether you are looking to explore new areas of study, forge a path to graduate studies or expand your employment options.

Bring your postsecondary experience to fulfillment at UofGH. Whether you have one course from university or a completed college diploma, finish your studies with hands-on experience and academic expertise with a degree and diploma to launch your future! Our college block credit transfer pathways allow you to move seamlessly with your college diploma into our honours degree programs.

You're looking for a change.

Explore accessibility support services; learn about accessing academic accommodations and meet other students.

Work on campus

Gain professional experience and earn money with a flexible schedule to accommodate your classes. Opportunities include:

- Career Ambassador
- Computer Support Assistant
- CSI Room Forensic Assistant
- Kinesiology Lab Technician Assistant
- Learning Support Peer
- Residence Assistant

Societies, clubs, student government

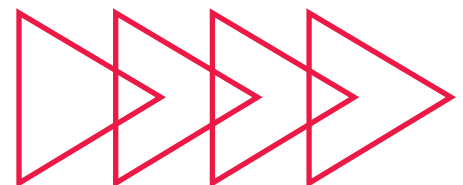

Go beyond your classes. Be a part of activities that motivate you and build your resumé—in societies, clubs, student government and other campus groups/events. Become a member or take a leadership role, such as Vice-President of Communications or President in a club or society.

A great way to meet people who share your passions. Whether your intention is to kick back and have fun or take a more serious interest, doing things outside of class is a win-win.

Varsity athletics

Compete against other universities and colleges in the province and throughout the country. You can try out for either the University of Guelph Gryphons (gryphons.ca) or Humber Hawks (humberhawks.ca).

How to Apply

Apply online

Apply online at the Ontario Universities' Application Centre (OUAC). We offer two ways to apply:

- 1 If you are only applying to the University of Guelph-Humber and/or the University of Guelph, transfer applicants can apply for up to two programs (between the two institutions) for a reduced OUAC application fee of \$90. Go to www.ouac.on.ca/apply/guelphugrad/transfer.^{*} Additional document evaluation fees apply.

^{*}Please note: Applicants using this method to apply must continue to use this link throughout the application and admission process.

- 2 If you are applying to multiple universities then go to ouac.on.ca to start the application process. The OUAC application fee is \$156 for up to three program/university choices. Additional document evaluation fees apply.

Choose your program

If you are applying for a program that is offered in more than one format (i.e., full-time on campus or part-time online), please ensure that you select the correct OUAC code for your chosen format. See chart below for OUAC codes.

Rank your preference

If you apply to more than one program at the University of Guelph-Humber, you can expect to receive only one offer of admission from the University. The highest ranked choice will be considered first. Only in the event that you are not admissible to your highest choice will your next choice be considered. If you want to reorder your UofGH program rankings, please amend your application on the OUAC web page/link you used to apply with.

English language requirements

If your first language is not English, or if you have completed less than four years of study in English at the secondary or postsecondary level, then you are required to submit proof of English proficiency. Please refer to our web page guelphhumber.ca/futurestudents/english-language-requirements for full details.

You will receive an email with detailed instructions (after you apply) if you are required to demonstrate English proficiency as part of your application.

Submit documents

Once we've received your application, we will email further instructions about how to check WebAdvisor (our online student administration system) for required documents. Below is a general list as a guide for applicants.

- Official in-progress and/or final transcripts (required); please request all official transcripts through the OUAC
- Education Declaration (may be required)
- English proficiency results (if applicable)
- Detailed course syllabi (may be required)
- Support letter (may be required)

Please submit all official required documents by the respective document deadline. You are encouraged to apply and submit all required documents as soon as possible.

Once all required documents are received, your application will be reviewed for admission.

More information about document submission can be found online.

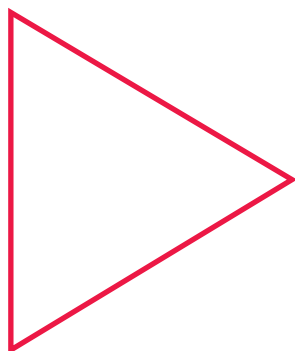

Admission decision

Applicants to most programs can expect to receive a decision approximately three to six weeks following the submission of all required official documents.

Your offer

Your offer will include an official Offer of Admission, scholarship estimate (if applicable) and conditions of your offer. Your official Transfer Credit Assessment will be sent to you digitally within a few business days after your official Offer of Admission.

Accept your offer of admission online through the OUAC using the link/process by which you applied.

Transfer Credit Assessment

Your Transfer Credit Assessment is an official document that outlines the credit you will receive from courses completed at other postsecondary institutions towards your credentials earned at the University of Guelph-Humber. It will be included at the point of admission.

Course sequencing varies by program. Please cross reference your transfer credit assessment with your program plan.
